*Cosmic Crossroad Countdown* Dr. Peter Hofmann,2017-08-04 This book brings light into the fog of the mind and heart, makes sense of the obscurity in our present turmoil and in history, and reveals Truth that will give you hope and a deeper faith. Seeing, they do not see, is a warning for all of us. Are we being tested and guided by hands beyond our world for our good? Why now and why so much turmoil? Do the answers lie in the mysteries of the Prophetic Generation and Wheels of Time, or in a mysterious Fig Tree and Wilderness Experience? Or do they point to a profound Sign, a Crossroad, that we need to grasp before it is too late?

*The Superkids Activity Guide to Conquering Every Day* Dayna Abraham,2017-08-15 Abraham, a certified child educator, shares 101 of the best sensory activities to help all kids succeed during times of the day when they have the most trouble focusing and being patient, whether it's getting out the door on time in the morning or peacefully eating a meal with their family at a restaurant. Full color.

*End Times to 2019* David Montaigne,2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day? Biblical and historical researcher David Montaigne concludes that this is the case. He says that the end of the Mayan Long Count is the official start of the Bible's seven-year tribulation-both were focused on the same astronomical events that occur from 2012 to 2019. The world as we know it will be gone by 2020. Texts from ancient India tell us about great cycles of destruction. The Egyptians told the same basic story with different names. The Maya reveal another version of the story, and were very clear about the timing of events from December 2012 to 2019. Your average American is no expert on these cultures, but most people do have a Bible at home-and the clearest details on what is about to happen can be found in the Bible, if you don't let someone else tell you which parts you should focus on. No, this isn't what you were taught in Sunday school. Religious leaders guide us between the raindrops of curious comments in the Bible. We are discouraged from focusing on the parts they say we weren't meant to understand. But if we stop glossing over these important passages we will understand a flood of details about the End Times. Our "leaders" are not ignorant of these events. The elite already know what is about to happen and they have made preparations most rational people would not believe, because evidence is suppressed to avoid chaos. They want us to remain ignorant, or at least to believe that the details are secrets that cannot be known. But the coming events (and their timing) are not secrets. Years ago, this book's publication would not have been tolerated by those in power. But by now it doesn't matter much-their plans are not going to be interfered with at this point. Your plans, however, can still be formulated, if you make the choice to understand. Topics include: Bible Prophecy; Matthew 24:36- Knowing the hour and the day; The Mayan Calendar and Mythology; Pole Shifts; Galactic Superwaves; Ancient Egypt; Ancient India; World Mythology; The Georgia Guidestones; The real Star of Bethlehem and the exact birthday of Christ; Calculating the Second Coming, and Judgment Day; more.

**Countdown** Deborah Wiles,2016-04-26 The story of a formative year in 12-year-old Franny Chapman's life, and the life of a nation facing the threat of nuclear war. Franny Chapman just wants some peace. But that's hard to get when her best friend is feuding with her, her sister has disappeared, and her uncle is fighting an old war in his head. Her saintly younger brother is no help, and the cute boy across the street only complicates things. Worst of all, everyone is walking around just waiting for a bomb to fall. It's 1962, and it seems that the whole country is living in fear. When President Kennedy goes on television to say that Russia is sending nuclear missiles to Cuba, it only gets worse. Franny doesn't know how to deal with what's going on in the world -- no more than she knows how to deal with what's going on with her family and friends. But somehow she's got to make it through. Featuring a captivating story interspersed with footage from 1962, award-winning author Deborah Wiles has created a documentary novel that will put you right alongside Franny as she navigates a dangerous time in both her history and our history.

**Mysteries of the Everlasting Kingdom** Lonnie Martin,2016-02-23 Mysteries of the Everlasting Kingdom is the first book in a series of four on Bible commentary. The unique feature of this series is that the verses quoted are from my own version of the Bible-the Gabriel Bible, with a few noted exceptions It is the first Bible to include the Creators actual name-Yehovah, as found about 50 times

in the oldest known complete Hebrew Bible, the Leningrad codex. The lead chapter in the series is called Israel's Seven Apocalyptic Days. It explains how the seven annual Feast and Festival days (there is a difference) all have a strong End Time significance. Those seven days will be more relevant in the near future than in any time since Moses revealed them! That significance will all occur within the span of seven months during the year 6000 (4000 being the year Yeshua (Jesus) referenced in Luke 4:21, Today this Scripture you just heard read has been fulfilled.

**Countdown to the Apocalypse** Grant R. Jeffrey, 2008-10-07 Daniel prophesied the rise of global government in your future. A number of prophets had a glimpse of the future, but God gave only one prophet a precise calendar of the end-times events that will affect the current generation. Writing more than 2,500 years ago, Daniel described a series of cataclysmic events and the signs that will precede the end times. According to prophecy expert Grant R. Jeffrey, many of the signs that Daniel pointed to are visible in our world today. Daniel's vision reveals startling details about the identity of the coming Antichrist, his political career, his death, and his Satanic resurrection. After completing an exhaustive study of Daniel's prophecies, Dr. Jeffrey presents a detailed description of the Antichrist's rise as world dictator, the mark of the beast, and the political maneuvering that will set the stage for global government. In light of the Hebrew calendar and the cycle of Jewish festivals, Dr. Jeffrey uncovered precise dates for major apocalyptic events, including a timeline for the Antichrist's rise to power, the major events of the Tribulation, and the timing of the Battle of Armageddon. God allowed Daniel to see the world we will soon live in as we approach the time for the return of the Messiah. Now learn exactly what Daniel knew.

*End Times: Fact or Fiction* Robert E. Vick Sr., 2013-05-31 This book begins with telling the reader of how and why the scriptures are true. I truly believe everyone should read this book because it tells the true story of the end of time as written in the Bible. It is a story for both believers and nonbelievers; it goes into great detail about God's hatred for sin, such as those listed in the Ten Commandments: lying, stealing, blasphemy, etc., and his punishment for it. This is a story that will help you to understand God's will for you to continue to be faithful to him, and for the nonbelievers, this book is written to help and persuade you to become a believer before it is too late. This book explains how to prepare for the last days; it explains to you all the things that God has in store for the entire world. Also, it explains what heaven and hell were created for; it tells you where heaven and hell are located. It explains each event that will take place and is set up in the order in which they will occur with the verses from the Bible's scriptures to back them up. The verses are taken from the Bible as they really are. I did not add or delete any words to make them more suitable. The next event to take place is the Rapture. This story goes into great detail about this event; it explains who Satan and the Antichrist really are. It also tells the readers why God must destroy the entire world and the universe with fire; it speaks of the stars melting and falling from the skies. It will help the readers to understand why there will be a new heaven and earth.

**Countdown to Zero Day** Kim Zetter, 2015-09-01 A top cybersecurity journalist tells the story behind the virus that sabotaged Iran's nuclear efforts and shows how its existence has ushered in a new age of warfare—one in which a digital attack can have the same destructive capability as a megaton bomb. "Immensely enjoyable . . . Zetter turns a complicated and technical cyber story into an engrossing whodunit."—*The Washington Post* The virus now known as Stuxnet was unlike any other piece of malware built before: Rather than simply hijacking targeted computers or stealing information from them, it proved that a piece of code could escape the digital realm and wreak actual, physical destruction—in this case, on an Iranian nuclear facility. In these pages, journalist Kim Zetter tells the whole story behind the world's first cyberweapon, covering its genesis in the corridors of the White House and its effects in Iran—and telling the spectacular, unlikely tale of the security geeks who managed to unravel a top secret sabotage campaign years in the making. But *Countdown to Zero Day* also ranges beyond Stuxnet itself, exploring the history of cyberwarfare and its future, showing us what might happen should our infrastructure be targeted by a Stuxnet-style attack, and ultimately, providing a portrait of a world at the edge of a new kind of war.

**The Entire Endtime Sequence** Robert L. Carlton, 2012-08-03 In recent times, many people have come to realize that this world is approaching its end. Most believe that GOD is in control of how it will end, and they are right! Not only is GOD in control, He has a Master Endtime Plan for this earth and its peoples. Moreover, in His Holy Word, the Bible, GOD has described His plan; He has described it very clearly and in great detail. This book describes the entire Endtime Scenario, making it so simple anyone can understand it. It reviews the scriptures that describe each major Endtime happening and other scriptures that explicitly define the chronological sequence for those happenings. It identifies several calendar timelines within the scriptures that measure the precise times between various Endtime happenings. To give confidence in its conclusions, it identifies four separate sets of Scriptures that clearly define the sequence for the events that will lead to CHRIST'S return and the Christian Rapture/Ressurrection. Everyone, even those who are not familiar with either the Bible or the Christian theology, should easily understand this book. They will understand the entire Endtime Scenario that JESUS CHRIST foretold, the major happenings that will take place, the sequence in which they will happen, and the specific scriptures that describe all these things. Moreover, they will understand how all of these things relate to GOD'S Covenants and His labors of the past 6000 years. They will see that all of the Endtime happenings are just the grand finale of those labors. Most importantly, each reader will not only allow what is going to happen in the Endtimes, he or she will know how they can control their own eternal destiny.
