Hot Blood Ken Englade,2023-04-04 The disappearance of fabulously rich Chicago candy heiress Helen Brach and the suspicious deaths of a string of champion racehorses are linked in a celebrated scandal that has reverberated through every level of the glamorous enclaves of thoroughbred horse breeding. When widowed heiress Helen Brach suddenly disappeared on the morning of February 17, 1977, after a visit to the Mayo Clinic, she left behind a lavender Rolls-Royce, Cadillacs in red, pink, and coral, an eighteen-room mansion, and a fortune now estimated at \$75 million. She also left behind a mystery that would tantalize investigators for years. When Assistant US Attorney Steven Miller assigned himself the challenge of solving the Brach case, he never imagined an investigation of the horse world would lead to a charming gigolo named Richard Bailey who made a career of romancing wealthy women out of huge sums of money, a shadowy figure called The Sandman who made his living by killing priceless horses so that their owners could collect insurance, and the ghastly murder of three children in 1955.

The Confident Barrel Racer Heather Smith,2014-07-01 Barrel racers put a lot of effort and expense into improving their skills and developing their horses. But even when they seem to be doing everything right, it's not uncommon to continuously miss the mark in competition. The problem often lies in inconsistencies or weaknesses in the rider's inner game - the aspects of competition that aren't always easy to see, but have perhaps an even greater impact on our end results. Finally, a resource has been created to assist barrel racers on the path to truly becoming more confident from the inside out. The Confident Barrel Racer covers eight key areas and concludes with two special bonus sections. Challenges of Competition - Develop awareness that prevents you from falling victim to the dangers that exist in the competition environment. Fierce Love - Get off the endless roller coaster of emotions to develop a steady, unwavering level of confidence regardless of your circumstances or results. Self & Source - An introduction to two key relationships, that when developed and nurtured, will turn your life around. Four Steps to Confidence - A step-by-step guide to creating confidence, by helping you to first master change in the moment, then offering support all the way through integration. Be Here Now - Today is a gift, that is why we call it the present. Learn how to be in the moment, the perfect mental space to be in a run, where self-doubt cannot exist. Practices - Being a winner in the arena means developing winning habits in all aspects of life. Develop practices in three areas to optimize your confidence. Tips for Competition - Specific action steps for overcoming nerves, getting into the perfect mindset, and creating laser-like focus to perform your best. Confidence Smashers - Have past experiences, horses, or people damaged your confidence? Get tips for overcoming past and present challenges. The Confident Horse - There's more to developing a confident horse than just being a confident rider. Learn how to build your equine partner's confidence. Additional Resources - Recommend books, programs and more for further personal development and confidence building.

Secrets to Barrel Racing Success Heather Smith,2012-05-29 The Secrets are OUT! Barrel racers are driven by an unrelenting desire to win. Unfortunately, they are often misled. The secrets have been well kept for much too long. The time has come for barrel racers to stop looking for success, in all the wrong places. In this revolutionary book, author Heather Smith boldly reveals the real reasons for slow times, tipped barrels, behavior problems and much more. Smith challenges readers to develop new perspectives and describes specific action steps, all proven to yield positive, fast results. Secrets to Barrel Racing Success provides an integral foundation, yet far from just the basics, it empowers barrel racers to demystify even the most advanced concepts: Sense and correct subtle mistakes on the pattern quickly and easily. Utilize special techniques to make any barrel horse faster. Realize what feel really is, and how you can harness it's power. Develop a barrel horse that is always mentally focused and with you. Communicate in a way that creates feather-light responsiveness. Become a rider and competitor that brings out the best in every horse. Achieve optimum barrel racing performance, through optimum horse health. Master your inner game for confidence every time you blast down the alley. Understand true collection, why it's so critical and how to achieve it. The secret to winning lies in becoming aware of and dissolving the lesser-known blocks (that many don't even know exist) standing in the way of success. In the process, a path is cleared for each barrel racer to achieve their greatest potential. Only when the secrets are revealed, does winning become possible. Heather Smith is a Wyoming barrel racer with a passion for learning and self-development. Through her own journey to achieving barrel racing success, she became inspired to help others do the same. Heather continues to compete and share her insights at BarrelRacingTips.com.

The Hour Between Dog and Wolf John Coates,2012-05-15 A successful Wall Street trader turned Cambridge neuroscientist reveals the biology of financial boom and bust, showing how risk-taking transforms our body chemistry, driving us to extremes of euphoria or stressed-out depression. The laws of financial boom and bust, it turns out, have a lot to do with male hormones. In a series of startling experiments, Canadian scientist Dr. John Coates identified a feedback loop between testosterone and success that dramatically lowers the fear of risk in men, especially young men; he has vividly dubbed the moment when traders transform into exuberant high flyers the hour between dog and wolf. Similarly, intense failure leads to a rise in levels of cortisol, which dramatically lowers the appetite for risk. His book expands on his seminal research to offer lessons from the exploding new field studying the biology of risk. Coates's conclusions shed light on all types of high-pressure decision-making, from the sports field to the battlefield, and leaves us with a powerful recognition: to handle risk isn't a matter of mind over body, it's a matter of mind and body working together. We all have it in us to be transformed from dog to wolf; the only question is whether we can understand the causes and the consequences.

The First 51 Barrel Racing Exercises to Develop a Champion Heather Smith,2014-05-01 As the second book in the BarrelRacingTips.com series, The First 51 Barrel Racing Exercises to Develop a Champion delivers that and much more. Author Heather Smith has gone above and beyond to share the critical and often overlooked elements absolutely necessary for achieving positive results with any barrel racing exercise. She has gone in-depth to explain why and when certain exercises are appropriate, as well as how they should be implemented to be most effective. With chapters addressing rider development, groundwork, quality movement, problem solving, the mental game for both horse and rider, and much more, The First 51 Barrel Racing Exercises to Develop a Champion provides tools for creating greater awareness and advancing skills to empower barrel racers to dissolve obstacles standing in the way of achieving high level barrel racing success. Guidelines are offered for training barrel horses as well as building strength and coordination - necessary for expressing speed on the barrel pattern. What sets this one of a kind resource apart is that it provides structure for developing mental engagement in horses resulting in greater understanding, responsiveness, communication and connection. Within many of the practical exercises featured are actually several exercises - described with possibilities for variation and expansion to build upon, advance, and customize to meet the needs of each individual horse and rider. Truly unique in that it addresses the mental, physical and emotional aspects of the barrel racer and the barrel horse, The First 51 Barrel Racing Exercises to Develop a Champion will become your #1 resource for learning, and continuing to do the simple things with excellence, which is the foundational element for success in barrel racing, and every other equine discipline.

Team Roping Tips Craig Smith,2019-04 As team ropers we've all been there - it's incredibly frustrating to come up empty handed, and even more so when we don't know what we don't know. I wrote Team Roping Tips to help you get started on the right foot and shorten the learning curve if you're new to team roping, or make adjustments to reveal you and your horses greatest potential, even if you're a seasoned pro. It's not being an action-taker alone that ensures our success. It's taking targeted and intentional actions to build solid fundamentals that will truly move the needle forward (and the clock back). The specific steps for doing so include, but go well beyond roping and also require a never-ending commitment to improving our horsemanship, as well as up-leveling our mental game and the horse health care we offer. I've included short, easy-reading tips for all of the above in this book. There's more to team roping than team roping. I believe our passions come with a purpose, which is to follow them in a way that leaves the world a better place because we did. I've been blessed with a fulfilling and successful team roping career, and yet it's just getting started. Team Roping Tips is a contribution and collection highlighting some of the lessons I've learned so far. I hope it makes a positive difference in your life and your roping. - Craig Smith

A Good Horse Is Never a Bad Color Mark Rashid,2011-08-01 In A Good Horse Is Never a Bad Color, Mark Rashid continues to share his talent for training horses through communication rather than force. Rashid uses humorous, feel-good stories to relate his techniques of teaching horses by examining their view of the world. This book is a must-have for compassionate horse trainers and owners. Tales of Arabs, appaloosas, and paints—mistrusted and mistreated because of their breed—will give readers a new perspective on these breeds and others. This new edition features added introductory notes for each chapter that contribute to a better understanding of Rashid’s philosophy and methods.

Brumby Kathryn Massey,Mae Lee Sun,2013-08-31 The Brumby holds a special place in the Australian psyche. Immortalised in films such as The Man from Snowy River and books like the Silver Brumby series, Brumbies epitomise the spirit of freedom and courage beloved by most Australians. Today, however, they face an uncertain future. Considered by some to be feral pests and increasingly marginalised in lands that have been their home for over a century, Brumbies need our support more than ever before if they are to be protected for the enjoyment of future generations. Bringing together breathtaking photographs of Brumbies in the wild as well as often thought-provoking and entertaining stories from people privileged enough to have encountered or worked with them personally, Brumby celebrates the beauty, strength and indomitable spirit of these amazing animals.

Sycamore Whispers Shane Ledyard,2023-10-24 The second story in the Horse Gone Silent trilogy! Sweet Emma Sterling is living a storybook life filled by horses, friends, and her loving parents, Julia and Chase. Then, without warning, young Emma’s heart is shattered when her father returns home from military duty a completely changed person. Emma’s youthful innocence and her family’s future are threatened as her mother desperately attempts to save them from a viscous emotional struggle that may destroy them all. A nasty, throwaway mare named Ophelia, and a mother’s deep faith are the Sterling family’s only chance to overcome a battle for their lives that they never saw coming. In this follow-up to the acclaimed Horse Gone Silent, Ledyard has written a powerful, coming of age horse story where faith and nature play their mysterious roles perfectly in a young girl’s struggle to overcome adversity. Horse and animal lovers be ready to have your heart captured-you will love Sycamore Whispers! Such a beautiful, honest story. ~ Norman J Riddell Thank you for a very wonderful and heartfelt story. ~ Amazon review A heartwarming, inspiring, beautiful story about a young girl, her horse and a difficult family situation. It offers a message of patience, hope and love for us all. ~ Amazon review Ledyard writes of the delicate dance between despair, and joy--love and disappointment, and he does it like a master. ~Robin Landry, Top 1000 Amazon Reviewer

The Handy Answer Book for Kids (and Parents) Gina Misiroglu,2009-10-01 Kids ask the darndest things . . . and here are the answers—all in one helpful book! Anyone who has ever been a kid, raised a kid, or spent any time with kids knows that asking questions is a critical part of growing up. Kids have curious minds and they come up with some very interesting questions. But the truth is adults don't always know the answers. The Handy Answer Book for Kids (and Parents) comes to the rescue. Written with a child's imagination in mind, this easy-to-understand book is a launching pad for curious young minds and a life raft for parents at wits end. It addresses nearly 800 queries with enough depth and detail to both satisfy the curiosity of persistent young inquisitors and provide parents with a secure sense of a job well done. It'll equip every parent for those difficult, absurd, or sometimes funny questions from their kids, such as Is there life on Mars? Do rivers ever dry up? Why are there wars? Is there such a thing as a funny bone? Why do dogs bark? Why is the sky blue? Why do people have to grow old? Why do people speak different languages?

Getting in Ttouch Linda Tellington-Jones,Sybil Taylor,1995 Explains how to analyze the meaning of physical traits that indicate the horse's true personality -- his inborn character. Teaches you to determine if the horse's personality has been affected adversely by stress or pain caused by poor health, inadequate living conditions, or a riding discipline not suited to the horse's conformation. Explains how you can develop a deeper understanding in order to bond with your horse and influence his personality in the positive way.

Horse Sense Peter Huntington,2004-11-08 Horse Sense provides an in-depth guide to horse care under conditions unique to Australia and New Zealand. Standardbred Sport Horses Kathleen H. Kirsan,2018-05-07 STANDARDBRED SPORT HORSES First and foremost this is a reference, history, and evaluation of the American Standardbred for the North American sport horse breeder and competitor. With ample documentation through historical sources, pedigree evaluation, DNA studies, and performance records you will learn that the Standardbred is not just a harness prospect, but in fact is one of the best all-around ridden sport horse breeds--and has always been so right from its creation. This book provides much evidence on the true origin of equine sport, not just in the American breeds but worldwide as well. Sport talent is identified in these breed's ancestors and followed right down through the generations to the modern potent carriers. And you will discover these talented sport sources did not just power our best achievers, but top European competition horses and provided leading sire lines in worldwide sport, winning for WBFSH members even while being systematically banned from the European product. You will meet contemporary competitors from around the world riding Standardbreds to victory in open competitions in all manner of Olympic style sport. With the knowledge provided, the sport horse breeder will be able to choose with confidence the bloodlines best suited for their goals. Several topics which were discussed and enlarged in my previous two books come to completion here, such as the origin of the jump trait which is the power behind every successful modern jumping horse, is traced back through its major branches right to its root. More data is compiled about the true foundation of dressage ability. Another subject covered is the crisis the American breeder of sport horses finds themselves in our new international arena, with some surprisingly simple solutions provided. Throughout the book there are over 200 pictures and over 200 full page pedigrees, as well nine appendices, a full bibliography and three indexes. Kathleen H. Kirsan Kathleen Kirsan is an equine writer with a well-respected website: www.sport-horse-breeder.com, and is the author of three books on the sport horse: North American Sport Horse Breeder, Legacy of Lexington and now Standardbred Sport Horses. An expert on Tesio Methods, sport horse pedigrees and sport horse history, she is often consulted by individuals and breed organizations. She is instrumental in returning the lost knowledge of the first American sport horse breed, the Running Horse, back to the American equestrian, and has unraveled other mysteries such as the origin of the jumping trait--all through decades of historical and pedigree research. She is an outspoken critic on the monopoly the European Union has attempted in sport horse breeding.
