Multiplatform Media in Mexico Paul Julian Smith,2019-05-23 Multiplatform Media in Mexico is the first book to treat the exciting, interconnected fields of cinema, television, and internet in Mexico over the last decade, fields that combine to be called multiplatform media. Combining industrial analysis of a major audiovisual field at a time of growth and change with close readings of significant texts on all screens, acclaimed author Paul Julian Smith deftly details these new audiovisual trends. The book includes perspectives on local reporting on the ground, as covered in the chapter documenting media response to the 2017 earthquake. And, for the first time in this field, the book draws throughout on star studies, tracing the distinct profiles of actors who migrate from one medium to another. As a whole, Smith's analyses illustrate the key movements in screen media in one of the world's largest media and cultural producing nations. These perspectives connect to and enrich scholarship across Latin American, North American, and global cases.

The Board Game Book ,2020-10-22

Fabulicious!: On the Grill Teresa Giudice,2013-05-07 With three New York Times bestsellers and continued stardom on *The Real Housewives* of New Jersey, Teresa has more tasty recipes to share with her fans. Crisis and Masculinity on Contemporary Cable Television: Tracing the Western Hero in "Breaking Bad", "The Walking Dead" and "Hell on Wheels" Dominic Schmiedl,2015-09-08 Doctoral Thesis / Dissertation from the year 2014 in the subject American Studies - Culture and Applied Geography, grade: magna cum laude, Dresden Technical University, language: English, abstract: Both the crisis of masculinity and quality TV have been popular discourses in academia in recent years. Many of these contemporary quality TV series feature male anti-heroes at the center of their narratives. This dissertation argues that the constructions of masculinity in series such as *Breaking Bad* and *The Walking Dead* are informed by the Western hero. Furthermore, the dissertation links this recourse to an arguably outmoded model of masculinity to recent crisis tendencies in the USA, most notably the recent economic downturn and the aftermath of September 11 2001. Moreover, the return of the Western hero can be understood as a process of remasculinization in light of the crisis of masculinity.

Modern Whore Andrea Werhun,Nicole Bazuin,2022-05-03 Oh, the places a whore will go: Strip clubs, four-star hotels, stinking basement apartments, luxury cottages. A striking memoir by Andrea Werhun and Nicole Bazuin documents Andrea's sex work career in lush photography and powerful words—in all its slippery, sexy, silly and sometimes heartbreaking glory. Andrea Werhun's sex work career gave her money, freedom, joy, and a lot of dick. A natural performer, she revelled in the opportunity to invent Mary Ann, her escort counterpart, and introduce her to men all over the city. She whores, she learns, she writes it all down, and then, as per a signed document she handed to her Catholic mother in her early twenties, she quits. To become a stripper. Andrea and Nicole revisit the idea of the modern whore, with the enhanced perspective of Andrea's experience at the strip club. This new, engorged edition of the sold-out memoir-cum-art book expands on the original concept--a series of vignettes exploring the many identities sex workers adopt in the service of their clients and in the eyes of the public—in both a literal and literary way. But Andrea doesn't shy away from the serious side of sex work, either, exploring the risks sex workers take, and the rights our culture is constantly taking away from them. This series of stories and portraits investigate the many ways we imagine—and mistake—the modern whore. It's *Playboy* if the *Playmates* were in charge.

Revisiting Star Studies Sabrina Qiong Yu,2017-04-13 Challenges traditional Hollywood-derived models of star studiesIs classical Hollywood stardom the last word on film stars? How do film stars function in non-Hollywood contexts, such as Bollywood, East Asia and Latin America, and what new developments has screen stardom undergone in recent years, both in Hollywood and elsewhere? Gathering together the most important new research on star studies, with case studies of stars from many different cultures, this diverse and dynamic collection looks at film stardom from new angles, challenging the received wisdom on the subject and raising important questions about image, performance, bodies, voices and fans in cultures across the globe. From Hollywood to Bollywood, from China to Italy, and from Poland to Mexico, this collection revisits the definitions and origins of star studies, and points the way forward to new ways of approaching the field.Key featuresFeatures cutting-edge research on stardom and fandom from a range of different cultures, contributed by a diverse and international range of scholarsGenerates new critical models that address non-Hollywood forms of stardom, as well as under-researched areas of stardom in Hollywood itselfRevisits the definitions of stars and star studies that are previously defined by the study of Hollywood stardom, then points the way forward to new ways of approaching the fieldLooks at stars/stardom within a new local/translocal model, to overcome the Hollywood-centrism inherent to the existing national/transnational modelBrings into light various types of previously unacknowledged star textsEmploys a dynamic inter-disciplinary approachContributorsGuy Austin, Newcastle UniversityLinda Berkvens, University of Sussex Pam Cook, University of Southampton Elisabetta Girelli, University of St Andrews Sarah Harman, Brunel UniversityStella Hockenhull, University of WolverhamptonLeon Hunt, Brunel University Kiranmayi Indraganti, Srishti Institute of Art, Design and TechnologyJaap Kooijman, University of AmsterdamMichael Lawrence, University of SussexAnna Malinowska, University of SilesiaLisa Purse, University of ReadingClarissa Smith, University of SunderlandNiamh Thornton, University of Liverpool Yiman Wang, University of California-Santa CruzSabrina Qiong Yu, Newcastle UniversityYingjin Zhang, University of California-San Diego

Springsteen as Soundtrack Caroline Madden,2020-01-29 A catalog nearly fifty years in the making, Bruce Springsteen's music remains popular and a frequent subject of study yet little critical attention has been given to its inclusion in film and television. This book examines a selection of films and TV shows from the 1980s to the present—including *Mask*, *High Fidelity*, *The Sopranos* and *The Wrestler*--that feature Springsteen's music on the soundtrack. Relating his thematic preoccupations with religion, the Vietnam War, the promise of the open road, economic disparity and blue-collar malaise, his songs color narrative and articulate the inner lives of characters. This book explores the many on-screen contexts of Springsteen's work from *Greetings from Asbury Park, N.J.* to *Springsteen on Broadway*.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Charles Dickens and the Great Theatre of the World Simon Callow,2012-08-07 A short biography of Charles Dickens by acclaimed actor and writer Simon Callow that offers a fresh perspective on one of the greatest novelists in the English language in a lively, highly readable account. It has all the gusto that a popular biography of Dickens—a man who “could do nothing by halves”—should possess. . . . The best biography for Dickens newcomers and a wonderful read for all.—Library Journal Dickens was one of the first true celebrity authors. Thousands of fans in Britain and America eagerly awaited each new installment of his stories and flocked to see him on his legendary speaking tours. Not only did he create an incredible cast of characters on the page, but he was also a dazzling mimic and storyteller, and he wrote, stage-managed, and acted in plays for the public. Throughout his life, from his childhood performances in pubs to his legendarily powerful reading tours, Dickens was fanatical about the stage. Callow reveals Dickens's genius on and off the page and offers a compelling insight into a life that was driven as much by performance and showmanship as by literature.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful

slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Historical Dictionary of the Peoples of the Southeast Asian Massif Jean Michaud, Margaret Byrne Swain, Meenaxi Barkataki-Ruscheweyh, 2016-10-14 Dwelling in the highland areas of Northeast India, Bangladesh, Southwest China, Taiwan, Burma (Myanmar), Thailand, Cambodia, Vietnam, Laos, and Peninsular Malaysia are hundreds of “peoples”. Together their population adds up to 100 million, more than most of the countries they live in. Yet in each of these countries, they are regarded as minorities. This second edition of Historical Dictionary of the Peoples of the Southeast Asian Massif contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on about 300 groups, the ten countries they live in, their historical figures, and their salient political, economic, social, cultural and religious aspects. This book is an excellent access point for students, researchers, and anyone wanting to know more.

Greetings from E Street Robert Santelli, 2006-09-28 Greetings from E Street celebrates the passionately loved group that has been entertaining the world for 35 years. Written with their cooperation, this fully illustrated informal biography combines rare photographs with 30 removable facsimiles of E Street memorabilia, including Bruce Springsteen's first business card and hand-written set list, and even two fabulous posters. Longtime band intimate Robert Santelli captures the ecstatic highs and devastating lows on the E Street Band's roller coaster ride to stardom. He follows the band from the early days in Asbury Park, New Jersey, to the critical acclaim of Born to Run, the mania of Born in the U.S.A. and international touring, and each member's unique projects. Throughout, the band's signature combination of friendship, humor, and stellar musicianship is revealed in stories, snapshots, and the ephemera of life of the road. Warm and personal, Greetings from E Street is a postcard from the most famous address in rock and roll.

Melodious Accord Alice Parker, Linda Ekstrom, 1991

Rebel Music: Bob Marley and Roots Reggae Kate Simon, 2023-09-26 'Kate Simon has always been one of my favourite photographers. She captures intimate moments that we have never seen.' - Cedella Marley 'When I took the Kaya portrait. It wasn't a formal photo session or anything. I was wearing my swimsuit, that's how informal it was.' - Kate Simon 'Kate shot in an honest, direct manner. She did not seek to expose, but to shoot the picture her subject pictured - the joyful, mutable moments. How fortunate we are to have these images...' - Patti Smith 'She had a sort of war correspondent feel to her; she would get right into it. Somehow she had the ability to communicate and to get everybody to relax and to take the great pictures that she got.' - Chris Blackwell Rebel Music: Bob Marley & Roots Reggae is a tribute to the leading icon in music, Bob Marley. In 1975, after meeting Marley in London, photographer Kate Simon gained unique access to the Wailers, capturing intensely personal moments and momentous events. Rebel Music presents over 400 photographs from Kate Simon's remarkable archive, most of which are published here for the first time. Alongside Kate Simon's photographs are the stories behind the images. Introduced by Patti Smith, Kate Simon's own narrative is expanded by a cast of 24 contributors, including ex-Wailers guitarist Junior Marvin and bass player and band leader Aston 'Family Man' Barrett; the Wailers' cook and close friend Antonio 'Gilly' Gilbert; musicians such as Steven Van Zandt, Spencer Davis, Junior Delgado, Paul Simonon, and Steve Jordan; filmmaker Don Letts and producer Danny Sims; and Island Records founder, Chris Blackwell. Simon captured it all: live photographs from The Wailers' 1975 concert at The Lyceum in London, where the legendary performance of 'No Woman No Cry' was recorded; photographs of the reggae greats of the late Seventies such as Bunny Wailer and Peter Tosh; candid shots of The Wailers on the Exodus Tour and the One Love Peace Concert where Bob famously united Jamaica's opposing political leaders. Finally, in 1981, she rode with the funeral cortege from Kingston to St Ann and Bob Marley's final resting place. Marley permanently altered the sound and impact of popular music, and his body of work continues to inspire generations of musicians and fans worldwide.

Animating Your Career Steve Hickner, 2013-09-01 Animating Your Career is the exciting new book by filmmaker Steve Hickner, director of The Prince of Egypt and Bee Movie, who has had his hands in the development of dozens of major motion pictures. Animating Your Career is Steve's guide to navigating the journey of a career in the creative fields—from getting your foot in the door to directing a project involving hundreds of artistic professionals. The book is filled with practical advice from Steve and the many top creatives he has worked with over the years. Whether you are still in school and awaiting your first job, or are a seasoned professional, Animating Your Career will help guide you to success.

Willow & Tara Amber Benson, Christopher Golden, Terry Moore, Joss Whedon, 2003 Buffy the Vampire Slayer's own Amber Tara Benson takes up scripting duties on these collected stories of everyone's favorite Wiccan couple with the help of writer Christopher Golden (Angel, Buffy TVS: The Watcher's Guide, BPRD).

Pornograph Jonathon Chad Wilcke, 2003 Body? Or not body? Mine? Or yours? Touch? Or sensual departure? Pornograph is a collection of poetry and prose poems that grabs at the physical alienation that occurs between the act of naming and the physical body. It poetically investigates the technologizing of the North American body, of the body at rest, of the body in palpable motion. This book rubs up against the categories, shuffles the cue cards, slides the body between nouns and adjectives, between verbs and exclamation marks. What defines, surrounds and controls the body? Fashion, medical language, advertising lingo, the language of sexuality? Perhaps. Or perhaps the body breaks loose from the sentence and from the page—from the text itself—inviting the reader to come play, to misbehave, to forget the self, to transform the language itself.

Cloud Cyber Security, 2020-10 Cloud Computing offers digital infrastructure and services over the Internet. Internet use has increased quite steadily in the last few years, increasing the cost of hardware and software. Cloud computing has been doing for the better part of a decade, but we still need to see an efficient, robust security policy in place. As a result, the new technology known as cloud computing used to solve these problems by providing service as users demand over the Internet and undoubtedly lowering the cost of hardware and software services provided in cloud computing has various features such as high scalability, efficiency, flexibility, and dynamic properties. The security problem of cloud computing is very critical and may prevent the rapid growth of cloud computing. This book discusses several cloud computing solutions and analyzes cloud computing security issues and techniques based on cloud computing principles and characters. Security and availability of resources in cloud computing are the main security issues. The Single Security Approach cannot solve the cloud computing security problem and many conventional and modern techniques and approaches must be used together to secure the overall cloud computing environment. Achieving cloud protection is not a simple issue to address. Developing and applying good security controls in the cloud are necessary criteria if this is to succeed. The very design of cloud computing will add additional cloud security problem layers to an already complex problem area. The literature in this book explores why this is a problem, examines what the desirable characteristics should be, and suggests a novel means of achieving these objectives effectively and efficiently through the use of well-designed systems.

Ai Weiwei Martin-Gropius Bau (Berlin), 2014 Begleitband zur weltweit grössten Einzelausstellung des politischen Konzeptkünstlers Ai Weiwei in Berlin. Der eindrucksvolle und bestens bebilderte Band behandelt unter anderem die Ai Weiweis ästhetischen Widerstand, seinen Umgang mit der Tradition und seinen Blick auf die europäische Moderne.
