My Life in Jewelry Azza Fahmy, 2024-05-07 How a female artisan became the Arab world's top jewelry designer—CNBC on Azza Fahmy The inspiring personal story of an exceptional female artist and entrepreneur who overcame great obstacles to become one of the most recognized jewelers in the Arab world and an international luxury brand In the Egypt of the 1970s, a young Azza Fahmy set out into the all-male world of Historic Cairo's jewelry district to apprentice as a silversmith. This was the start of a remarkable success story that would make her name an international luxury brand. With warmth and candor, she recalls a happy childhood in Upper Egypt, spent in the bygone world of postwar Egypt. This idyllic start to life ended abruptly with the death of her father, when Azza Fahmy was only thirteen, and the family was forced to move to Cairo, to begin a new life under much reduced circumstances. It was a chance find at a book fair that changed the course of events for her—sparking a passion for silversmithing, and inspiring her to seek out the master craftsmen of Khan al-Khalili, the great craft district of Historic Cairo, and the nearby Sagha, or goldsmiths' and silversmiths' district. Through her intimate knowledge of these jewelry workshops, Azza Fahmy takes us through the quarter's exquisite architecture and bustling alleyways, peopled with silversmiths, goldsmiths, brass workers, and artisans of every stripe, and lays out the indelible influence this now disappearing world has left on her acclaimed jewelry designs. While Azza Fahmy's story is one of great accomplishment, woven through it are her struggles as a single mother, a middle-class Egyptian, and a woman working in a man's profession. This memoir, a tribute to the people and places that shaped her creative imagination, is also an ode to the conviction that with hope and perseverance, anything is possible.

Flower Photography by Azza Azza, 2023-11-12 Get up close and personal with the most beautiful and delicate creatures on earth: flowers. Photographer Azza Tawfik fell in love with flower photography during the COVID-19 pandemic, during which she learned not only of flowers' beauty, but also of their demeanor. Flowers are easy clients to photograph; they don't have to smile or strike a pose. They can brighten up any day and put a smile on any face. Flowers are very kind and forgiving, and sometimes you can almost see their souls. They are helpless but also beautiful enough to command loyalty and submission. Flowers give and give until they are dying, and even in death they're gorgeous! Come along on this visual journey and meet pink calla lilies, symbols of beauty and purity; zebline, symbols of love, protection, and health; trailing ice plant, symbols of passion and elegance; and so many more with the help of Azza's gifted eye.

Angels Legacy Starr, Morgana, 2014-08-01 Recurring dreams of flight send investigative journalist, Anara, on a journey to uncover their hidden meaning. Through a series of incredible events, she finds herself at the beautiful, ever-spring home of Hattie, who begins to tell her spellbinding story: In a strange land, where people live amongst fairies and unicorns, Kahara, a shape-shifting angel, forms a partnership with Nebo, a human sworn to protect her. The angel of war, Azza, joins them to heal the sick and fight the injustice and crimes against the subjects committed by a hard-hearted, greedy regent. When all seems lost, they find a new hope in Tammuz, a child with a heart so pure that nature itself obeys his wishes. Kahara and Nebo raise him in secret, racing against time to educate and protect him until he

can take his rightful place as king of the land of Kishar, before all of the good in the kingdom is destroyed.

Sex and the Citadel Shereen El Feki, 2013-03-12 **Kirkus Best Books of the Year (2013)** If you really want to know a people, start by looking inside their bedrooms. As political change sweeps the streets and squares, the parliaments and presidential palaces of the Arab world, Shereen El Feki has been looking at an upheaval a little closer to home—in the sexual lives of men and women in Egypt and across the region. The result is an informative, insightful, and engaging account of a highly sensitive and still largely secret aspect of Arab society. Sex is entwined in religion, tradition, politics, economics, and culture, so it is the perfect lens through which to examine the complex social landscape of the Arab world. From pregnant virgins to desperate housewives, from fearless activists to religious firebrands, from sex work to same-sex relations, *Sex and the Citadel* takes a fresh look at the sexual history of the region and brings new voices to the debate over its future. This is no peep show or academic treatise but a highly personal and often humorous account of one woman's journey to better understand Arab society at its most intimate and, in the process, to better understand her own origins. Rich with five years of groundbreaking research, *Sex and the Citadel* gives us a unique and timely understanding of everyday lives in a part of the world that is changing before our eyes.

The English Woman in Egypt : Letters from Cairo written during a residence there in 1842 - 46 Sophia Lane Poole,2003 First published in 1844, The Englishwoman in Egypt is the collected observations of Sophia Poole, who lived in Cairo from 1842 until 1849 with her brother, the well known Orientalist Edward Lane, and her two children. During her residence, Poole learned Arabic and adopted Egyptian clothing that enabled her not only to observe day-to-day life in the streets and markets but also to enter hammams and harems and interact on an intimate level with Egyptian women of different classes. Poole ultimately had access, in fact, to the highest levels of society, including the family of the viceroy Mohamed Ali Pasha, and recorded her experiences there with the same eye for detail and understanding of

underlying customs as she brought to bear in the marketplace. She moves effortlessly from situation to situation--the pasha's daughter smoking her jewel-encrusted pipe, the homesick slave-girl, the occupation of ladies of leisure--one scene after another is unfolded in her writing that reveals not only a mind that observes and records but a human being who attempts to feel and understand a different culture. In contrast to her brother's dense works of research, Sophia Poole's was cast in the form of letters to a friend. These letters cover her arrival in Alexandria and trip up the Nile to Cairo, as well as her life in Cairo, with its visits to surrounding villages. The Englishwoman in Egypt is at once entertaining and informative. If Edward Lane kept alive for posterity a post-medieval Cairo that has since disappeared, then his sister in her work no doubt complemented that great achievement by presenting the same world from a feminine perspective that he as a man could not have access to.

Ashes of Al-Rawdha Ekbal Al-Othaimeen,2016-06-24 The car was small, so he sat in the back seat. But as soon as he sat there, I was haunted by many thoughts, implications, and questions. I said to myself, Does he have a gun? Will he force us, on the way back, to stop in front of a station for Iraqi soldiers? And there, dark thoughts and nightmares kept rushing through my imagination, and perhaps Nawal's imagination as well. Despite that dark feeling brewing in my heart, I composed myself and drove the car towards the house. However, I could not overcome the thought of assault on me or Nawal throughout the drive. I fully expected that, at one moment or the other, he would suddenly extend his hand to my throat or hers to strangle us, or to do something to harm us. As soon as the residential area houses appeared to us, we breathed a sigh of relief and felt some kind of comfort, which we expressed by the smiles that appeared on our faces after a long period of glooming.
