From mating customs to grooming habits, personality traits, and historical examples, the endless comparisons made are both entertaining and persuasive. The work has wonderful ability to humor and cast a novel light on a subject as universal as cats and dogs, men and women. How far does our deep connection with these beloved animals extend? Women Are Like Cats and Men Like Dogs Kat

Brown,2011-12-09 Life is too short to live it miserably. One of the worst ways of making your life unproductive is the endless misunderstandings and miss-handling of one another, whether intentionally or not. If you study the behaviour of Cats and Dogs you will doubtlessly see some similarities and this book subtly shows that. This book is an observation of how men and women exchange with each other, pointing out obvious mistakes and offering suggestions to improve peoples relationships. Take for example the woman who says to her partner "We need to talk". That's one of the biggest no nos, or women already making appointment with a wedding planner a just after one night of passion, or the woman who spends hours gossiping with her girlfriend in her mans ear shot, or indeed the man who brings

back a size too large for his woman or who never notices a new hairstyle or both not communicating properly, The list is endless. It should have most readers in hysterics especially when they stumble upon scenarios they can relate too. Don't be surprised if you recognize yourself! Hey, don't shoot the messenger!

There are just a few things standing in her way: She's landed a job at Magic Castle Playland . . . as a giant

dancing hot dog. Her crush, the dreamy diving pirate Nick, already has a girlfriend, who is literally the princess of the park. But Lou's never liked anyone, guy or otherwise, this much before, and now she wants a chance at her own happily ever after. Her best friend, Seeley, the carousel operator, has always been up for anything, but she's decidedly not on board when it comes to Lou's quest to set her up with the perfect girl or Lou's scheme to get close to Nick. And it turns out that this will be their last summer at Magic Castle Playland—ever—unless she can find a way to stop it from closing. Jennifer Dugan's sparkling debut coming-of-age queer romance stars a princess, a pirate, a hot dog, and a carousel operator who find love—and themselves—in unexpected people and unforgettable places.
