Endearingly executed, this gentle tale will see readers applauding as they reach the end." –Booklist, Starred Review Harvard is used to his father coming home from the hospital and telling him about all the babies he helped. But since he made the mistake at work, Dad has been quieter than usual. And now he is taking Harvard and his little brother, Roger, to Kettle Hole, Maine, for the summer. Harvard hopes this trip isn't another mistake. In the small town where he grew up, Dad seems more himself. Especially once the family decides to start an ant farm--just like Dad had as a kid! But when the mail-order ants are D.O.A., Harvard doesn't want Dad to experience any more sadness. Luckily, his new friend Neveah has the brilliant idea to use the ants crawling around the kitchen instead. But these insects don't come with directions. So the kids have a lot to learn--about the ants, each other, and how to forgive ourselves when things go wrong.

Happy Mum, Happy Baby Giovanna Fletcher,2017-02-23 CONTAINS A BRAND NEW CHAPTER Sunday Times Number One Bestseller Happy Mum Happy Baby is now a Number One podcast. A positive and uplifting book about what it is to be a mother and all things mum and baby by Celebrity Mum of the Year and phenomenally popular vlogger, author, TV presenter and actress Giovanna Fletcher. Being a mum is an incredible journey, a remarkable experience that changes how we look, how we feel, who we are. As mothers we are strong, protective, proud. We feel a love like no other. But being a parent can be hard too. It challenges us physically, mentally, emotionally. There are the days where just managing to fit a shower in amidst the endless feeding, entertaining young

children and surviving on a lack of sleep feels like an achievement. With so many people ready to offer 'advice' on the best way to parent, it can feel like you are getting it all wrong. Since Giovanna and her husband Tom Fletcher have had their sons Buzz and Buddy, they have been sharing glimpses of their family life. With an infectious positive outlook and happy take on all things mum-related, Giovanna has developed a following of fellow parents and mums-to-be. This is not a book about how to have the perfect family experience - Gi would be the first to admit she is winging it just as much as the rest of us - instead it is an honest, upbeat and incredibly personal account of her own experience of having a family. In Happy Mum, Happy Baby Giovanna shares her own journey through parenthood and in doing so, she looks at what it is to be a mother today, encourages you to be confident in yourself as a parent and celebrates how putting a focus on being a happy and confident mum can really make for a happy baby.
