Lay Down Daddy Games Jim Manduca, 2018-02-03 Being a dad isn't easy - between work, spending time with the kids, the gym that you clearly always go to, and keeping your wife happy, a guy can barely find the time to have a little lie-down now and again. Never fear. The following pages present what I like to think of as one of the most revolutionary advancements in fathering technology: the floor. You walk on it, you put furniture on it, you pay to keep the pipes underneath it running... but have you ever gone swimming in it? Climbed it? Fished in it? Of course you haven't - and that's why you're missing out on a world of mutual enjoyment for you and your kids: one where they experience fun and games they've never seen... and daddy gets a precious few minutes of horizontal time. Use with caution; these may improve your life greatly. You're welcome.

Secrets of the Baby Whisperer Tracy Hogg, Melinda Blau, 2001-06-01 "TRACY HOGG HAS GIVEN PARENTS A GREAT GIFT—the ability to develop early insight into their child's temperament." —Los Angeles Family When Tracy Hogg's *Secrets of the Baby Whisperer* was first published, it soared onto bestseller lists across the country. Parents everywhere became "whisperers" to their newborns, amazed that they could actually communicate with their baby within weeks of their child's birth. Tracy gave parents what for some amounted to a miracle: the ability to understand their baby's every coo and cry so that they could tell immediately if the baby was hungry, tired, in real distress, or just in need of a little TLC. Tracy also dispelled the insidious myth that parents must go sleepless for the first year of a baby's life—because a happy baby sleeps through the night. Now you too can benefit from Tracy's more than twenty years' experience. In this groundbreaking book, she shares simple, accessible programs in which you will learn: • E.A.S.Y.—how to get baby to eat, play, and sleep on a schedule that will make every member of the household's life easier and happier. • S.L.O.W.—how to interpret what your baby is trying to tell you (so you don't try to feed him when he really wants a nap). • How to identify which type of baby yours is—Angel, Textbook, Touchy, Spirited, or Grumpy—and then learn the best way to interact with that type. • Tracy's Three Day Magic—how to change any and all bad habits (yours and the baby's) in just three days. At the heart of Tracy's simple but profound message: treat the baby as you would like to be treated yourself. Reassuring, down-to-earth, and often flying in the face of conventional wisdom, *Secrets of the Baby Whisperer* promises parents not only a healthier, happier baby but a more relaxed and happy household as well.
