I'm Bringing Home a Baby Bumble Bee Yuriy Shikhanovich,2016-03-05 New Twist on an Old Classic As you might remember from the original song - I'm bringing home a baby bumblebee, the situation escalates rather quickly after the Ouch! It stung me! part. I found myself not wanting to sing anything past the first verse to my daughter, even though she loved the song. Until one day I made up a brand new rhyme with a baby ladybug, which she loved. That's how the idea for this book came about. You and your child will learn about the various bugs (and even one mollusk) the baby is bringing home to Mommy! This rhythmic book targeted at children aged 6 months to 3 years. Baby Bumble Bee Song Book Maxine Gadd,2016-11-03 Baby bumble bee This book is based on the popular American nursery rhyme. I came across a video on YouTube a few years ago of a beautiful baby girl called Olivia sitting in a high chair singing this gorgeous song and doing the actions with her chubby hands. Growing up in the UK and Australia I was not familiar with it at all and could only just make out the words Baby Bumble Bee. I found out more about it on the Internet. No one really knows where it originates but It has been passed down through the generations. The lyrics vary somewhat but I chose the ones I liked the most for the book. It was an absolute joy to create and done with love and the hope that it will bring pleasure to young readers and maybe introduce the song to children in countries outside of the US.
