First-Time Mom's Baby Journal Aubrey Grossen,2020-02-18 Capture every first with a simple baby journal for first-time moms Build a keepsake of your newborn's first days, first smile, and every other memorable moment with a stylish, uncomplicated baby journal that busy moms can actually find the time to use. Contemporary, everlasting, and easy to keep up with, the First-Time Mom's Baby Journal will help you track all your baby's important milestones, along with details like favorite toys, feeding schedules, and baby's birth story. First-Time Mom's Baby Journal offers: Thoughts and feelings--Touching quotes, places for photos, and brief writing prompts will help new moms make sense of the trials and triumphs of parenthood. Just for the two of you--The design is gender-neutral and doesn't mention a traditional partner, making it the perfect treasure for every mom and baby. A gift for later--When this book is full, keep it for yourself, or pass it on to your child when they are older. Record all the most precious moments with a baby journal for busy modern moms.

How Not to Hate Your Husband After Kids Jancee Dunn,2017-03-21 Get this for your pregnant friends, or yourself (People): a hilariously candid account of one woman's quest to bring her post-baby marriage back from the brink, with life-changing, real-world advice. Recommended by Nicole Cliffe in Slate Featured in People Picks A Red Tricycle Best Baby and Toddler Parenting Book of the Year One of Mother magazine's favorite parenting books of the Year How Not To Hate Your Husband After Kids tackles the last taboo subject of parenthood: the startling, white-hot fury that new (and not-so-new) mothers often have for their mates. After Jancee Dunn had her baby, she found that she was doing virtually all the household chores, even though she and her husband worked equal hours. She asked herself: How did I become the 'expert' at changing a diaper? Many expectant parents spend weeks researching the best crib or safest car seat, but spend little if any time thinking about the titanic impact the baby will have on their marriage - and the way their marriage will affect their child. Enter Dunn, her well-meaning but blithely unhelpful husband, their daughter, and her boisterous extended family, who show us the ways in which outmoded family patterns and traditions thwart the overworked, overloaded parents of today. On the brink of marital Armageddon, Dunn plunges into the latest relationship research, solicits the counsel of the country's most renowned couples' and sex therapists, canvasses fellow parents, and even consults an FBI hostage negotiator on how to effectively contain an explosive situation. Instead of having the same fights over and over, Dunn and her husband must figure out a way to resolve their larger issues and fix their family while there is still time. As they discover, adding a demanding new person to your relationship means you have to reevaluate -- and rebuild -- your marriage. In an exhilarating twist, they work together to save the day, happily returning to the kind of peaceful life they previously thought was the sole province of couples without children. Part memoir, part self-help book with actionable and achievable advice, How Not To Hate Your Husband After Kids is an eye-opening look at how the man who got you into this position in this first place is the ally you didn't know you had.

From Pea to Pumpkin: A Baby Journal Geralyn Broder Murray,2015-04-01 My little pea. My little pumpkin. My little baby. Gather your baby's moments and milestones from the first year inside this beautiful garden-inspired baby book. Place photos, document quick thoughts with easy-breezy prompts, chart your baby's day, and create a keepsake of loving moments that will last forever. This gorgeously illustrated book is perfect for busy moms and their growing wonders.

Baby's First Year Annabel Karmel,2019-01-08 They grow up so quickly! Keep a journal of the first twelve months for you to look back on and to show your little one when they're older. This book helps you to record and store all those special memories of your baby's first precious year, with ideas and spaces for things like milestones and what the world was like during the beginning of their life. The front title section can be pulled off to turn it into a lovely journal-type book with adorable elephants on the cover. Inside you can jot down different baby names - it's always fun to know if you might have been called something else! You can fill in your family tree and tell your baby how you felt when they arrived. When they're older, your child can learn what the world was during their first year. Don't forget to write down who is currently the president, your favorite contemporary music artist, and the prices of stamps and milk. There's plenty of space to let them know all the details of their first year that were special and memorable. You can include what your baby learns, their new experiences and favorite toy! There will be lots of firsts for your baby, and you will want to recall them all, like the first time they smiled, learned to kiss or call you mama or dada. There are pockets for photos, so you can capture their first steps and remember them forever. The bestselling baby and kids cookbook author Annabel Karmel provides information on your baby's development, and helpful advice to encourage new achievements. She has included five recipes to inspire delicious, healthy food for various stages, and for that special milestone - a birthday cake! A Keepsake Journal Of Milestone Moments A lovely book to give as a baby gift that will become a wonderful memento that families and loved ones can look back on, and spend time together sharing your baby's first year. Inside this baby journal you can fill in and use: • Month-by-month sections to record new achievements. • Five delicious recipes for baby food. • Pockets for keepsakes and photographs.
