Naptime with Joey Laura Izumikawa,2017-10-03 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes Naptime with Joey, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from Stranger Things. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. Naptime with Joey is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

From the Dress-Up Corner to the Senior Prom Jennifer Bryan,2012-03-22 Very few PreK-12 teachers are adequately trained to address the gender identity and sexual identity of their students in a developmentally-appropriate and pedagogically-sound manner. Yet responsible adults—parents, educators, pre-service teachers, coaches, religious instructors, camp administrators and school counselors— must help children navigate the inherently diverse, increasingly complex world of gender and sexuality in the twenty-first century. From the Dress-Up Corner to the Senior Prom is a practical, forward thinking resource for anyone involved in educating children and adolescents. Jennifer Bryan takes readers into classrooms, administrative meetings, recess, parent conferences, and the annual pep rally to witness the daily manifestations of Gender and Sexuality Diversity at school. She provides a coherent framework for understanding what readers see, and invites them to use a contemporary, heart/mind perspective as they consider the true developmental needs of all elementary, middle, and high school students. The book features thoughtful questions, models of dialogue, accessible lesson plans, and many pedagogical strategies. At the heart of this book, though, are the evocative stories from teachers, students, and parents that Bryan has listened to over the span of her career. These personal anecdotes bring the comprehensive explorations of this seminal work to life.
