Hand to Hold JJ Heller,2021-07-20 This heartwarming picture book reassures children that a parent’s love never lets go—based on the poignant lyrics of JJ Heller’s beloved lullaby “Hand to Hold.” “May the living light inside you be the compass as you go / May you always know you have my hand to hold.” With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child’s heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent’s presence and God’s blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

Baby's Quiet Time Music Book Sam Taplin,2019-06 Sometimes, after lunchtime, after a family cook-out, or after playing, babies and toddlers need some quiet time to rest, relax and have some quality time with their parents. This book will be the perfect tool to allow children and their parents to have a calmer moment. Listen to the quiet music as you follow a band of little animals going down a river on a raft playing classics like Pachelbel's canon and other famous soothing music.

Music Therapy, Sensory Integration and the Autistic Child Dorita S. Berger,2002-01-10 Music's ability to influence emotions and moods is universally acknowledged, and music therapists have long known that stimulating the brain through the auditory system is a key to obtaining remarkable responses. Music therapy is a particularly effective tool when working with children with autism spectrum conditions, because music communicates with these children on a level where mere words cannot go. Written in a way that is both informative for the professional and accessible for parents, this book furthers the already strong case for the use of music therapy as a resource to encourage behavioural changes for the better in children with autism spectrum conditions. Placing particular emphasis upon sensory integration, the author discusses contributing factors to the behaviour of people on the autism spectrum, and, through the use of case studies, presents the latest approaches in music therapy that are enabling children with autism spectrum conditions to better cope with sensory integration.
