Over the Woodward Wall A. Deborah Baker, 2020-10-06 Writing as A. Deborah Baker, New York Times bestselling and award-winning author Seanan McGuire introduces readers to a world of talking trees and sarcastic owls, of dangerous mermaids and captivating queens in *Over the Woodward Wall*, an exceptional tale for readers who are young at heart. If you trust her you'll never make it home... A 2021 Locus Award Finalist! Avery is an exceptional child. Everything he does is precise, from the way he washes his face in the morning, to the way he completes his homework - without complaint, without fuss, without prompt. Zib is also an exceptional child, because all children are, in their own way. But where everything Avery does and is can be measured, nothing Zib does can possibly be predicted, except for the fact that she can always be relied upon to be unpredictable. They live on the same street. They live in different worlds. On an unplanned detour from home to school one morning, Avery and Zib find themselves climbing over a stone wall into the Up and Under - an impossible land filled with mystery, adventure and the strangest creatures. And they must find themselves and each other if they are to also find their way out and back to their own lives. Encyclopedia of New Year's Holidays Worldwide William D. Crump,2014-04-25 Among the world's myriad cultures and their associated calendars, the idea of a "New Year" is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and the New Year celebrations at the White House and the Vatican.
