The Bump Pregnancy Planner & Journal Carley Roney, The Editors of Thebump.Com, 2015-03-10 From the #1 website for moms-to-be, pregnancy and parenting lifestyle destination The Bump, comes a keepsake planner and journal with all the essential pregnancy tools and checklists. Excitement and anticipation...Nausea and sleepless nights...All par for the course for pregnancy. Moms-to-be have many questions and emotions, and this planner and organizer addresses both their practical and sentimental needs. The keepsake format allows parents to record everything from feelings and cravings to doctor appointments and baby shower gifts (helpful for when pregnancy brain sets in!), and it also includes 3 pockets for sonograms, photos, and mementoes from the first trimester through the baby's first months. With an additional see-through pocket in the cover for slipping in a personal

photo (either of a growing baby bump or a 3D ultrasound), this chic binder is essential for organization, as well as a memory book to save for years to come.
