

Bach The Goldberg Variations Glenn Gould Ol 20

Glenn Gould

The Goldberg Variations Johann Sebastian Bach,1981

Glenn Gould Universe of a Genius Ghyslaine Guertin, The creative dynamic that drove Glenn Gould throughout his life was expressed through avalanches of projects and the creation of multiple worlds. Glenn Gould, the musician, as interpreter, composer and radio performer, constructed his very own sound language. His recordings were highly innovative, as were his radio documentaries where he mixed music with sounds of speech. As a writer, both as theoretician and essayist, he developed new forms of musical interpretation some of which he adapted to television. His talent was also in demand in the world of cinema from which he borrowed myriad techniques for his masterful recordings. Alongside these many activities, Gould also experimented with being an orchestra conductor, aiming to one day dedicate himself completely to the art. Glenn Gould began his musical career as an organist and became the greatest pianist and performer of the 20th century. Mastering the recording process, he vastly expanded his creativity through the application of new technologies, revolutionizing the interpreter's role and relationship with the composer, the musical work and the audience. From an early age, Glenn Gould envisioned the direction of his ideal musical career, noting in his journal: "I do not imagine playing before audiences indefinitely. I would prefer applying myself to composition and later to conducting." Chamber music, symphony and opera were all on the program. Being the interpreter-composer that he was, Gould insisted on the necessity to recreate musical works by paying great attention to form and structure. Multi-faceted, Glenn Gould, the musician, also became a writer, a theoretician and essayist. His writings expressed the unity of vision and coherence for which he strove in his innumerable creative projects. As well, radio, television and film became infinite sources of inspiration for him. Glenn Gould, Universe of a Genius invites the reader to explore the ideas of this authentic creator who chose to regard his oeuvre as beyond the powerful influences of contemporary trends. This compilation of essays offers insight and understanding, through a diversity of approaches and views, of the variety of mediatic languages spoken so fluently by this genius of sound. Glenn Gould, Universe of a Genius opens new avenues, advances captivating theories and analyses from a variety of fields and contributes to a deeper comprehension of the complexities of Gould's oeuvre, as much as of the man behind it all.

Goldberg variations Johann Sebastian Bach,2006 According to Bach's first biography, the Goldbergs were written for one of the composer's most talented pupils, who used them to entertain and soothe his insomniac master during bouts of sleeplessness. Subsequent historians have had their doubts about the story's authenticity, but the composer certainly intended his work as a diversion for listeners. Upon its 1742 publication, Bach entitled it Keyboard Practice, consisting of an Aria with Diverse Variations, for the Harpsichord with 2 Manuals. Composed for Music Lovers, to Refresh their Spirits. As Glenn Gould remarked, the title offers a very down-to-earth description of a monumental work. Long regarded as the Baroque era's most important set of variations, the Goldbergs were relatively unknown when he chose them for his recording debut in the 1950s. The sensation created by his still-popular recordings revived the piece in concert performances, in which spectators delight in its virtuosic hand-crossings. This affordable edition of the widely performed and appreciated work is essential for all serious pianists and music lovers.

The Goldberg Variations Johann Sebastian Bach,1968

Seeking Solitude Dale Innes,2017-06 (Amadeus). Glenn Gould's legacy continues to intrigue us; new areas of research emerge every year. In this study, Dale Innes explores the evolution of Glenn Gould's interpretation of the keyboard music of J. S. Bach, with particular emphasis on the contrast between his youthful 1955 recording of the Goldberg Variations and his final 1981 recording of the same work. This style transformation is placed in the context of Gould's life, including his early studies with Alberto Guerrero at the Toronto Conservatory of Music (now called the Royal Conservatory of Music), his abandonment of the concert stage to focus exclusively on recording, and some aesthetic directions that he was following later in life. The core of the study, an in-depth analysis of the two recordings of the Variations, leads the reader to a critical look at authenticity in the performance of baroque music, and its reception by listeners. Innes concludes with a look at some writers who may have influenced Gould, including the Japanese author Natsume Soseki, and explores the special relationship that Gould developed with the Canadian North, particularly the area around Wawa, Ontario, on the east coast of Lake Superior.

Glenn Gould Peter F. Ostwald,1998 In this acclaimed biography, the late Peter Ostwald--himself an accomplished violinist and longtime personal friend of Gould's--raises many questions about Gould and his music, and lays bare the energy and contradiction behind his brilliance. Photos. NPR feature.

The Secret Life of Glenn Gould Michael Clarkson,2010-12-15 Through the memories of his women and confidantes, this biography provides a fresh portrait of virtuoso pianist Glenn Gould, detailing his many motivations, dreams, quirks, and fears. Filled with personal stories from the people who were intimately involved with the man, this account shows how Gould, the world's greatest pianist in the 1950s and 1960s, was richly inspired by, and bared his soul at the keyboard to, the numerous women who stirred his hard-to-fetch emotions. Long considered to be an asexual, lonely, and egocentric figure, this expose by examining the details about Gould's many love affairs and how they affected his life, music, and filmmaking presents a unique perspective on one of the most enigmatic artists of the 20th century.

Conversations with Glenn Gould Glenn Gould,Jonathan Cott,2005-11-15 One of the most idiosyncratic and charismatic musicians of the twentieth century, pianist Glenn Gould (1932-82) slouched at the piano from a sawed-down wooden stool, interpreting Bach, Beethoven, and Mozart at hastened tempos with pristine clarity. A strange genius and true eccentric, Gould was renowned not only for his musical gifts but also for his erratic behavior: he often hummed aloud during concerts and appeared in unpressed tails, fingerless gloves, and fur coats. In 1964, at the height of his controversial career, he abandoned the stage completely to focus instead on recording and writing. Jonathan Cott, a prolific author and poet praised by Larry McMurtry as the ideal interviewer, was one of the very few people to whom Gould ever granted an interview. Cott spoke with Gould in 1974 for Rolling Stone and published the transcripts in two long articles; after Gould's death, Cott gathered these interviews in Conversations with Glenn Gould, adding an introduction, a selection of photographs, a list of Gould's recorded repertoire, a filmography, and a listing of Gould's programs on radio and TV. A brilliant one-on-one in which Gould discusses his dislike of Mozart's piano sonatas, his partiality for composers such as Orlando Gibbons and Richard Strauss, and his admiration for the popular singer Petula Clark (and his dislike of the Beatles), among other topics, Conversations with Glenn Gould is considered by many, including the subject, to be the best interview Gould ever gave and one of his most remarkable performances.

Glenn Gould Otto Friedrich,1989 SUMMARY:Comprehensive biography of the eccentric Canadian pianist Glenn Gould.

Glenn Gould Vladimir Konieczny,2009-01-12 Glenn Gould (1932-1982) was a prodigy who loathed the word, a brilliant pianist who disliked performing, and a public figure who craved solitude. With his recording of the Goldberg Variations by J.S. Bach, Gould became an international celebrity. Gould's unusual interpretations, quirky stage mannerisms, and teasingly contrarian pronouncements fascinated and annoyed audiences and critics. He gave concerts in Canada, the United States, and abroad for several years. To everyone's disbelief, he quit the concert stage just a few months short of his thirty-second birthday and immersed himself in his true love: the recording studio.

Glenn Gould Glenn Gould,1983

Partita for Glenn Gould Georges Leroux,2010-10-21 Glenn Gould (1932-1982) was a giant of twentieth-century classical music, but one whose eccentricities have sometimes obscured the moral seriousness of his approach to art. Countering this common

misperception, Partita for Glenn Gould is an eloquent tribute to the artist that illuminates his versatile genius, his thinking, and our reasons for loving his art.

Glenn Gould ,2007 A visual history of the life of Glenn Gould, using black and white photographs, archival material and excerpts from interviews.

A Glenn Gould Catalog Nancy Canning,1992-09-21 Despite his premature death in 1982, Canadian pianist Glenn Gould remains extraordinarily influential in contemporary music. Known especially for his interpretations of Bach and a wide range of classical, romantic, and twentieth-century composers, Gould was also an accomplished composer and conductor, as well as provocative lecturer, writer, and critic. His music remains vital on recordings, and his published writings, and taped radio documentaries and television specials are available for archival research. Canning's A Glenn Gould Catalog provides a detailed roadmap to his career as performer, conductor, composer, host, guest, narrator, writer, and producer. The volume's main catalog, organized by composer, documents Gould's commercial discography and Canadian public radio and television recordings with detailed information, including: recording dates and location, release or broadcast date, commercial catalog and internal matrix numbers, album or broadcast name, producer(s), and various notes. The Musical Repertoire and Recording Chronicle sections provide access to the recordings by composition and opus number and by recording data respectively. The Canadian Broadcasting Corporation Archives section lists Gould's radio and television programs by date, and other chronologies are included for his Sony Catalog, Other Commercial Releases, and Unreleased Recordings. A bibliography of Gould's published writings and a bibliographical note on writings about Gould complete the volume. Carefully documented, cross-referenced, and indexed, the Glenn Gould Catalog constitutes an autobiographical outline of Gould's career through his works. It is an important resource for research and a valuable adjunct to published biographies and critical studies. The compiler's lively introductory material is augmented by photographs and interview commentary from Gould's colleagues.

Glenn Gould Ghyslaine Guertin,2007-01-01

Glenn Gould Glenn Gould,1995-03-01 Since Glenn Gould's death in 1982, the pianists extraordinary talent has captivated new listeners through re-release of his most famous recordings. Recently, a stage play and a feature film introduced the eccentric artist to a new audience. With the publication of these 184 letters, a wide range of Gould's artistic activities is presented. Whether he is writing to esteemed musicians such as Leonard Bernstein or Leopold Stokowski, or to friends and colleagues in the world of performingand broadcasting, or answering the numerous fans who sent him questions, Gould explores all aspects of the art of making music. In his own words, we hear about his favourite Bach, the choice of tempi for Beethoven's late piano sonatas, the power of Richard Strauss and Arnold Schoenberg, to name only a few of his musical concerns that fill his correspondences. His letters, which concentrate on the creative life, provide a rare glimpse into how the man worked, suggesting, finally, why he devoted himself to music with such dedication and single-mindedness. A valuable addition to Gouldiana, Glenn Gould: Selected Letters will give pleasure to all students of the piano, admirers of Gould, and music-lovers who have ever wondered how a great musician thinks about his art.

Billboard ,1985-12-28 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Great Gould Peter Goddard,2017-08-19 A startling new portrait of Gould, including never-before-seen material. Glenn Gould’s astonishing recordings deliver that unmistakable jolt of genius to each generation newly discovering the great Canadian pianist. With the support of the Glenn Gould Estate, Peter Goddard draws on his own interviews with Gould and on new, and in some cases overlooked, sources to present a freshly revealing portrait of Gould’s unsettled life, his radical decision to quit concertizing, his career as a radio innovator, and his deep response to the Canadian environment. Sci-fi and hi-fi, hockey and Petula Clark, Elvis, jazz, chess, the Beatles, and sex — all these inform this exploration of the pianist’s far-reaching imagination. There is even a touching account of the only piano lesson Gould ever gave. This is the perfect gift for anyone new to classical music and those already immersed in it, for those with an interest in Canadian music, in Glenn Gould himself, and in what led to The Goldberg Variations, one of the greatest recordings in music history.

The 1955 Goldberg Variations Johann Sebastian Bach,2005

A Romance on Three Legs Katie Hafner,2010-07-15 Glenn Gould was famous for his obsessions: the scarves, sweaters and fingerless gloves that he wore even on the hottest summer days; his deep fear of germs and illness; the odd wooden pygmy chair that he carried with him wherever he performed; and his sudden withdrawal from the public stage at the peak of his career. But perhaps Gould's greatest obsession of all was for a particular piano, a Steinway concert grand known as CD318 (C, meaning for the use of Steinway Concert Artists only, and D, denoting it as the largest that Steinway built). A Romance on Three Legs is the story of Gould's love for this piano, from the first moment of discovery, in a Toronto dept. store, to the tragic moment when the piano was dropped and seriously damaged while being transported from a concert overseas. Hafner also introduces us to the world and art of piano tuning, including a central character in Gould's life, the blind tuner Verne Edquist, who lovingly attended to CD318 for more than two decades. We learn how a concert grand is built, and the fascinating story of how Steinway & Sons weathered the war years by supplying materials for the military effort. Indeed, CD318 came very close to ending up as a series of glider parts or, worse, a casket. The book has already been lauded by Kevin Bazzana, author of the definitive Gould biography, who notes that Hafner has clarified some old mysteries and turned up many fresh details.

Whispering the Secrets of Language: An Psychological Quest through **Bach The Goldberg Variations Glenn Gould Ol 20**

In a digitally-driven earth where displays reign supreme and immediate interaction drowns out the subtleties of language, the profound techniques and psychological subtleties hidden within words usually move unheard. Yet, nestled within the pages of **Bach The Goldberg Variations Glenn Gould Ol 20** a charming fictional prize pulsating with natural thoughts, lies a fantastic journey waiting to be undertaken. Composed by a talented wordsmith, that marvelous opus invites viewers on an introspective journey, softly unraveling the veiled truths and profound impact resonating within ab muscles cloth of every word. Within the mental depths of the touching review, we will embark upon a honest exploration of the book is primary styles, dissect its fascinating publishing design, and yield to the effective resonance it evokes heavy within the recesses of readers hearts.

While this might not be the Bach The Goldberg Variations Glenn Gould Ol 20 full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Bach The Goldberg Variations Glenn Gould Ol 20 eBooks, including some popular titles.

FAQs About Bach The Goldberg Variations Glenn Gould Ol 20 Books

What is a Bach The Goldberg Variations Glenn Gould Ol 20 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Bach The Goldberg Variations Glenn Gould Ol 20 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Bach The Goldberg Variations Glenn Gould Ol 20 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Bach The Goldberg Variations Glenn Gould Ol 20 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Bach The Goldberg Variations Glenn Gould Ol 20 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working

with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
