Thomas J. Holt,Adam M. Bossler,Kathryn C. Seigfried-Spellar

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The Laird of Castle Ballantine Harry Riley, 2013-05-30 It is 1964, Leonard McFadden – a brash young cockney reporter for a national newspaper is dispatched by his editor to the Scottish Borders, to follow up on the strange case of Doctor James Parker. Along with a party of other journalists he attends a midnight vigil in a rain-sodden churchyard by the River Tweed. Returning to the graveside in the early morning sunlight, he staggers and leans on a tombstone for support and there stumbles onto a mystery that will change his life forever. Unbeknown to him – the storm clouds of fate are gathering; dark forces, already contriving to play havoc with his future. An enigmatic churchman asks his name and upon hearing it, remarks how Scotsmen from all over the world, often return to their place of birth, just as salmon return home, to spawn and die. Leonard humorously replies that he is not yet ready to spawn and die, but these and many more questions go tumbling through his brain as he ponders on life's mysteries. Is he really who he thinks he is? Growing up in wartime Britain and with a surname like McFadden, is it possible he could have Scottish ancestry? Feeling a chill coming on, and inwardly reflecting that the Scottish Borders, for all its seductive beauty, may well be the death of him, the reporter is unaware that the cold hand of death may be lurking nearby... Cybercrime and Digital Forensics Thomas J. Holt, Adam M. Bossler, Kathryn C. Seigfried-Spellar, 2015-02-11 The emergence of the World Wide Web, smartphones, and Computer-Mediated Communications (CMCs) profoundly affect the way in which people interact online and offline. Individuals who engage in socially unacceptable or outright criminal acts increasingly utilize technology to connect with one another in ways that are not otherwise possible in the real world due to shame, social stigma, or risk of detection. As a consequence, there are now myriad opportunities for wrongdoing and abuse through technology. This book offers a comprehensive and integrative introduction to cybercrime. It is the first to connect the disparate literature on the various types of cybercrime, the investigation and detection of cybercrime and the role of digital information, and the wider role of technology as a facilitator for social relationships between deviants and criminals. It includes coverage of: key theoretical and methodological perspectives, computer hacking and digital piracy, economic crime and online fraud, pornography and online sex crime, cyber-bullying and cyber-stalking, cyber-terrorism and extremism, digital forensic investigation and its legal context, cybercrime policy. This book includes lively and engaging features, such as discussion questions, boxed examples of unique events and key figures in offending, quotes from interviews with active offenders and a full glossary of terms. It is supplemented by a companion website that includes further students exercises and instructor resources. This text is essential reading for courses on cybercrime, cyber-deviancy, digital forensics, cybercrime investigation and the sociology of technology.

Parental As Anything Maggie Dent, 2021-07-01 A common-sense guide to raising happy, healthy kids – from toddlers to tweens How much screen time should you let your children have? How and when do you talk about sex? What can you do when your kid throws a tantrum? Why should you let your children just play? Maggie Dent, queen of common-sense parenting, has answers to your real-world parenting dilemmas. Focusing on the most engaged-with topics from her popular ABC Parental As Anything podcast, Maggie tells us what the experts have to say, relates the experiences of other parents, and offers her own reassuring guidance to provide practical solutions to the challenges parents and caregivers face today. This book will give you the means to be the parent you'd like to be, and help you in your quest to raise happy, healthy, thriving, resilient children.

Sticks and Stones Emily Bazelon, 2013-02-19 NATIONAL BESTSELLER Being a teenager has never been easy, but in recent years, with the rise of the Internet and social media, it has become exponentially more challenging. Bullying, once thought of as the province of queen bees and goons, has taken on new, complex, and insidious forms, as parents and educators know all too well. No writer is better poised to explore this territory than Emily Bazelon, who has established herself as a leading voice on the social and legal aspects of teenage drama. In Sticks and Stones, she brings readers on a deeply researched, clear-eyed journey into the ever-shifting landscape of teenage meanness and its sometimes devastating consequences. The result is an indispensable book that takes us from school cafeterias to courtrooms to the offices of Facebook, the website where so much teenage life, good and bad, now unfolds. Along the way, Bazelon defines what bullying is and, just as important, what it is not. She explores when intervention is essential and when kids should be given the freedom to fend for themselves. She also dispels persistent myths: that girls bully more than boys, that online and in-person bullying are entirely distinct, that bullying is a common cause of suicide, and that harsh criminal penalties are an effective deterrent. Above all, she believes that to deal with the problem, we must first understand it. Blending keen journalistic and narrative skills, Bazelon explores different facets of bullying through the stories of three young people who found themselves caught in the thick of it. Thirteen-year-old Monique endured months of harassment and exclusion before her mother finally pulled her out of school. Jacob was threatened and physically attacked over his sexuality in eighth grade—and then sued to protect himself and change the culture of his school. Flannery was one of six teens who faced criminal charges after a fellow student's suicide was blamed on bullying and made international headlines. With grace and authority, Bazelon chronicles how these kids' predicaments escalated, to no one's benefit, into community-wide wars. Cutting through the noise, misinformation, and sensationalism, she takes us into schools that have succeeded in reducing bullying and examines their successful strategies. The result is a groundbreaking book that will help parents, educators, and teens themselves better understand what kids are going through today and what can be done to help them through it. Contains a new discussion guide for classroom use and book groups.

Dishonesty Is the Second-Best Policy David Mitchell, 2019-11-05 David Mitchell's 2014 bestseller Thinking About It Only Makes It Worse must really have made people think – because everything's got worse. We've gone from UKIP surge to Brexit shambles, from horsemeat in lasagne to Donald Trump in the White House, from Woolworths

going under to all the other shops going under. It's probably socially irresponsible even to try to cheer up. But if you're determined to give it a go, you might enjoy this eclectic collection (or eclection) of David Mitchell's attempts to make light of all that darkness. Scampi, politics, the Olympics, terrorism, exercise, rude street names, inheritance tax, salad cream, proportional representation and farts are all touched upon by Mitchell's unremitting laser of chit-chat, as he negotiates a path between the commercialisation of Christmas and the true spirit of Halloween. Read this book and slightly change your life!

Watching the English, Second Edition Kate Fox, 2014-07-08 The international hit returns with even more wit and insight into the hidden rules that make England English.

Saints, Scholars, and Schizophrenics Nancy Scheper-Hughes, 2001-01-03 Saints, Scholars, and Schizophrenics, in its original form--now integrally reproduced in the new edition--is a most important seminal study of an Irish community. -Conor Cruise O'Brien

How to Attract Women If You're Not That Attractive Enrique Voltaire, 2017-04-13 What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

Post-Colonial and African American Women's Writing Gina Wisker, 2017-03-04 This accessible and unusually wide-ranging book is essential reading for anyone interested in postcolonial and African American women's writing. It provides a valuable gender and culture inflected critical introduction to well established women writers: Toni Morrison, Alice Walker, Margaret Atwood, Suniti Namjoshi, Bessie Head, and others from the U.S.A., India, Africa, Britain, Australia, New Zealand and introduces emergent writers from South East Asia, Cyprus and Oceania. Engaging with and clarifying contested critical areas of feminism and the postcolonial; exploring historical background and cultural context, economic, political, and psychoanalytic influences on gendered experience, it provides a cohesive discussion of key issues such as cultural and gendered identity, motherhood, mothertongue, language, relationships, women's economic constraints and sexual politics.

Virtually You: The Dangerous Powers of the E-Personality Elias Aboujaoude, 2012-02-06 Instantly engaging and eminently accessible an enlightening and cautionary exploration of an increasingly intrusive aspect of modern society. -Booklist While the Internet can enhance well-being, Elias Aboujaoude has spent years treating patients whose lives have been profoundly disturbed by it. Part of the danger lies in how the Internet allows us to act with exaggerated confidence, sexiness, and charisma. Aboujaoude dubs this new self our “e-personality” and argues that its traits are too potent to be confined online. Offline, too, we’re becoming impatient, unfocused, and urge-driven. Virtually You draws from Aboujaoude’s personal and professional experience to highlight this new phenomenon. The first scrutiny of the virtual world’s transformative power on our psychology, Virtually You demonstrates how real life is being reconfigured in the image of a chat room, and how our identity increasingly resembles that of our avatar.

New York Magazine , 1994-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Strong Poison Dorothy L. Sayers, 2021-08-30 In a gripping tale of love, deception, and murder, mystery author Harriet Vane finds herself on trial for the murder of her former lover. As evidence mounts against her, renowned detective Lord Peter Wimsey becomes convinced of her innocence and vows to catch the true killer before time runs out. With a web of lies and hidden motives, Wimsey must unravel the truth to save Harriet and expose the real murderer. Will he succeed before it's too late?

Romanov Nadine Brandes, 2019-05-07 My name is Anastasia. The history books say I died. They don't know the half of it. Anastasia “Nastya” Romanov was given a single mission: to smuggle an ancient spell into her suitcase on her way to exile in Siberia. It might be her family’s only salvation. But the leader of the Bolshevik army is after them, and he’s hunted Romanov before. Nastya’s only chances of saving herself and her family are either to release the spell and deal with the consequences, or to enlist help from Zash, the handsome soldier who doesn’t act like the average Bolshevik. Nastya has only dabbled in magic, but it doesn’t frighten her half as much as her growing attraction to Zash. She likes him. She thinks he might even like her. That is, until she’s on one side of a firing squad . . . and he’s on the other. Praise for Romanov: I am obsessed with this book! A magical twist on history that will have Anastasia fans wishing for more. I loved every detail Brandes wrote. If you love magic and Imperial Russia, you want Romanov on your shelf! -Evelyn Skye Romanov will cast a spell on readers and immerse them in a history anyone would long to be a part of. -Sasha Alsberg If you think you know the story behind Anastasia Romanov, think again! The perfect blend of history and fantasy, Romanov takes a deeper look at the days leading up to the family’s tragedy, while also exploring the possibilities behind the mysteries that have long intrigued history buffs everywhere. Brandes weaves a brilliant and intricate saga of love, loss, and the power of forgiveness. Prepare to have your breath stolen by this gorgeous novel of brilliant prose and epic enchantment. -Sara Ella Full-length historical fantasy Includes discussion questions for book clubs Paperback contains special bonus chapter

The Bedford Companion to Shakespeare Russ McDonald, 2001-02-20 Providing a unique combination of well-written, up-to-date background information and intriguing selections from primary documents, The Bedford Companion to Shakespeare introduces students to the topics most important to the study of Shakespeare in their full historical and cultural context. This new edition contains many new documents, particularly by women and other marginalized voices from the early modern period. There is also a new chapter on Shakespeare in performance, which introduces students to the great variety of productions of Shakespeare's works over the centuries.

Super-Cannes J. G. Ballard, 2010-04-01 Long-regarded as one of the true visionary writers of the twentieth century, J.G. Ballard was one of the first British writers of the post-war period to begin to see, and to map out in his fiction, the future course of our civilization. For forty years his unflinching eye has turned to the point where the advancing edge of our technological progress has worn away our inner humanity. Eden-Olympia is more than just a multinational business park, it is a virtual city-state in itself, with the latest in services and facilities for the most elite high-tech industries. Isolated and secure, overlooking the luxurious French Riviera, the residents lack nothing. Yet one day Dr. Greenwood from Eden-Olympia's clinic goes on a suicidal shooting spree. Dr. Jane Sinclair is hired as his replacement, and she and her husband, Paul, are given Dr. Greenwood's house as a residence. Unable to work while recovering from an accident, Paul spends his days taking a close look at the house where Dr. Greenwood shot himself and three hostages. He discovers clues in the house lead him to question Eden-Olympia's official account of the killings. Drawn into investigating the activities of the park's leading citizens, while Jane is lured deeper into Eden-Olympia's inner workings, Paul uncovers the dangerous psychological vents that maintain Eden-Olympia's smoothly running surface. An experiment is underway at Eden-Olympia, an experiment in power and brutality. Soon Paul finds himself in race to save himself and his wife before they are crushed by forces that may be beyond anyone's control.

The Line of Beauty Alan Hollinghurst, 2008-12-17 Winner of the Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award A New York Times Bestseller (Extended) An LA Times Bestseller A Northern California Bestseller A Sunday Times Bestseller A New York Times Notable Book of the Year From Alan

Hollinghurst, the acclaimed author of The Sparsholt Affair, The Line of Beauty is a sweeping novel about class, sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black man who works as a clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.

Language and Symbolic Power Pierre Bourdieu,1991

Raising Your Spirited Child Mary Sheedy Kurcinka,2009-03-17 The spirited child—often called difficult or strong-willed—can easily overwhelm parents, leaving them feeling frustrated and inadequate.Spirited kids are, in fact, simply more—by temperament, they are more intense, sensitive, perceptive, persistent, and uncomfortable with change than the average child.Through vivid examples and a refreshingly positive viewpoint, Mary Sheedy Kurcinka offers parents emotional support and proven strategies for handling their spirited child. Raising Your Spirited Child will help you: Understand your child's—and your own—temperamental traits Plan for success with a simple four-step program Discover the power of positive—rather than negative—labels Cope with tantrums and blowups when they do occur Develop strategies for handling mealtimes, bedtimes, holidays, school and many other situations Filled with personal insight and authoritative advice, Raising Your Spirited Child can help make parenting the joy it should be, rather than the trial it can be.

New York Magazine ,1994-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Unveiling the Magic of Words: A Overview of **"Backchat Anonymous Messaging"**

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of **"Backchat Anonymous Messaging,"** a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
