John G. Aicher

Bud Moore Bud Moore,Perry Allen Wood,2015-09-15 One of NASCAR's pioneers, Bud Moore won countless races in the sport's early rough and tumble days. In almost four decades as a car owner, he was victorious at the Daytona 500, the Southern 500—three times—and at dozens of other NASCAR events, and won three Grand National Division championships, a Grand American championship and the Sports Car Club of America Trans Am championship. He was inducted into the NASCAR Hall of Fame in 2011, with 63 wins and 43 poles. The cars built by Bud Moore Engineering have been raced by some of America's most talented drivers, including Buck Baker, Bobby Allison, Dan Gurney, Parnelli Jones, Tiny Lund, David Pearson, Buddy Baker, Fireball Roberts and many others. Moore continuously sought to improve his machines, making them not only faster but safer, and many of his innovations were quickly adopted throughout NASCAR and by the auto industry. This is Moore's story in his own words, covering his early life in Depression-era Spartanburg, South Carolina, his combat experience during the Invasion of Normandy, his racing career, and his family life and retirement as a gentleman farmer. Many never before seen photos are included.

Surviving D-Day Tanks in Normandy Craig Moore,2022-06-30 On June 6, 1944, D-Day, the Allied invasion of northern France began. Thousands of Allied soldiers, along with their equipment and vehicles, landed in Normandy on five main beaches. Most tanks arrived on the beaches by landing craft, and a few days later, after the construction of the temporary Mulberry harbor at Arromanches-les-Bains, tanks, along with supply trucks and more troops, started pouring from the ships into the ever-expanding beachhead. This guide book examines the surviving World War Two

tanks, tank turrets and other armored fighting vehicles currently on display in Normandy, France, most of which took part in the fighting following the D-Day landings. The background history of each vehicle is explored, and location details are given. Many of the tanks are exhibited in museums, but a number are on display as war memorials, with some being in difficult-to-find places. Also included are the fascinating, little-known stories of the Allied tank attacks on two separate German beach defense fortifications at Gold Beach, both of which survived the initial Air Force bombing and Navy bombardment. They have been preserved and can be visited.
