United States. Congress. Senate. Committee on Finance

The Red Badge of Courage Stephen Crane,1981-03-01 First published in 1895, America's greatest novel of the Civil War was written before 21-year-old Stephen Crane had smelled even the powder of a sham battle. But this powerful psychological study of a young soldier's struggle with the horrors, both within and without, that war strikes the reader with its undeniable realism and with its masterful descriptions of the moment-by-moment riot of emotions felt by me under fire. Ernest Hemingway called the novel an American classic, and Crane's genius is as much apparent in his sharp, colorful prose as in his ironic portrayal of an episode of war so intense, so immediate, so real that the terror of battle becomes our own ... in a masterpiece so unique that many believe modern American fiction began with Stephen Crane.

Red Badge of Courage ,2005 The glory, pride, horror, and cowardice that are associated with war are depicted in a classic account of a young soldier's Civil War experiences

Night Dogs Kent Anderson,2018-11-13 Acclaimed crime writer Kent Anderson's fiercely authentic and deeply disturbing police novel, following a Vietnam veteran turned cop on the meanest streets of 1970s Portland, Oregon (Los Angeles Times). Two kinds of cops find their way to Portland's North Precinct: those who are sent there for punishment, and those who come for the action. Officer Hanson is the second kind, a veteran who survived the war in Vietnam only to decide he wanted to keep fighting at home. Hanson knows war, and in this battle for the Portland streets, he fights not for the law but for his own code of justice. Yet Hanson can't outrun his memories of another, warmer battleground. A past he thought he'd left behind, that now threatens to overshadow his future. An enemy, this time close to home, is prying into his war record. Pulling down the shields that protect the darkest moments of that fevered time. Until another piece of his past surfaces, and Hanson risks his career, his sanity--even his life--for honor.

The Goldfish Club Danny Danziger,2012-04-12 Mayday. Mayday. Mayday . . . Every member of the Goldfish Club has been forced to broadcast these terrifying words from a stricken aircraft, making them one of the most unusual fellowships in the world. Formed during the Second World War to foster comradeship among pilots who had been forced to bail out over water, the Goldfish Club has taken on new airmen (and one woman) ever since and there are hundreds of tales to be told. All are different. All are utterly gripping. Award winning journalist and author Danny Danziger has brought together some of the most powerful stories of this extraordinary brotherhood. A few will leave you open-mouthed, others may reduce you to tears, but all are a fascinating testament to the resilience of the human spirit.

Michael Wittmann & the Waffen SS Tiger Commanders of the Leibstandarte in WWII Patrick Agte,2021-09-15 German Panzer ace Michael Wittmann was by far the most famous tank commander on any side in World War II, destroying 138 enemy tanks and 132 anti-tank guns with his Tiger. In this continuation of his story, Volume Two follows Wittmann and his unit into Normandy to defend against the Allied invasion and provides maps, official documents, newspaper clippings, and orders of battle. A week after D-Day, Wittmann achieved his greatest success. On June 13, 1944, near Villers Bocage, the panzer ace and his crew attacked a British armored unit, single-handedly destroying more than a dozen tanks and preventing an enemy breakthrough. The exploit made Wittmann a national hero in Germany and a legend in the annals of war. He was killed two months later while attempting to repulse an Allied assault, but the book continues beyond his death until the Leibstandarte's surrender.

April in Paris Michael Wallner,2010-07-07 A suspenseful and dramatic story of impossible love between a German soldier and a French Resistance fighter in World War Two Paris. In 1943, Michel Roth is a young soldier working in the German army's back offices in occupied Paris. But his fluency in French gets Roth a new task when the Gestapo find themselves in need of a translator for the confessions of interrogated French resisters. After work Roth chooses another path – he slips out of his hotel carrying a bag of civilian clothes and steals into an alley where he changes personas, becoming Monsieur Antoine, a young Frenchman. He strolls the streets of Paris, where one day he meets Chantal, daughter of an antiquarian bookseller. They fall in love, and when Chantal warns him away from the notorious café Turachevsky, favoured nightspot for German officers and the French women who entertain them, Michel believes it is out of jealousy. Too late he discovers that she is a member of the Resistance, and his naiveté leaves Michel on the other side of the SS interrogation machine. What follows is a tale of desperate cat and mouse through Paris, and into the devastated French countryside at the end of the war, when neighbours are quick to betray neighbours, and even to take revenge into their own hands.

Italian Navy & Air Force Elite Units & Special Forces 1940–45 Piero Crociani,Pier Paolo Battistelli,2013-01-20 This volume assesses the formidable Special Forces fielded by Italy's navy and air force in World War II. Italian Navy

Special Forces were particularly active and respected in the Mediterranean, where 10th Motor-Torpedo Boat Flotilla used frogmen, 'two-man torpedoes' and explosive ram-boats. The Italian Air Force formed a special commando unit, ADRA, before the 1943 surrender; it was tasked with attacking Allied airfields and communications in North Africa. Men from ADRA and Army paratroopers formed the new 'Folgore' Regiment, which also continued to fight alongside German forces until 1945. In both cases, the pro-Allied Italian forces also formed 'mirror' units to fight alongside US and British forces, including the Recce Squadron 'F'. Featuring rare photographs and specially commissioned artwork, this book tells the story of the little-known elite forces fielded by Italy's navy and air force in World War II, some of whose successors remain in service with today's Italian armed forces.

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Badgewar Hd 20**

In a global inundated with screens and the cacophony of instantaneous interaction, the profound energy and mental resonance of verbal artistry often disappear into obscurity, eclipsed by the regular onslaught of noise and distractions. However, nestled within the lyrical pages of **Badgewar Hd 20**, a fascinating function of literary brilliance that pulses with raw thoughts, lies an wonderful trip waiting to be embarked upon.
