Sasquatch Island J. A. Darke,2018 Pine Island is a remote getaway for campers and hikers. So when Darius and the rest of the Wilderness Warriors show up for a late summer trip, the area is practically empty. The group sets off into the woods, but they soon experience eerie sounds and strange sightings, as if they're being tracked by something that is not quite animal, but not quite human. When they wake one morning to find their guide's tent empty, the Wilderness Warriors discover their terrifying journey is only just beginning.

Bigfoot in the New Jersey 'Burbs (Black and White) William Taylor,2012-07-31 Anyway, one of my friends, about two years older than I, absolutely REFUSED to go in the woods there. We'd romp around the pines everywhere and anywhere else, but he just wouldn't go in that part of the forest. This is even when we were older teens. See, he claimed that years prior he has seen ... something in those woods. A big, hairy man, face covered in hair, standing slouched in the woods staring at him. Near Lakehurst, New Jersey 1980s. Bigfoot shows up in some unexpected places. There are thousands of reports of encounters of Bigfoot type creatures in North America and the state of New Jersey has its share, with over 200 encounters reported in modern times. The Kittatinny Mountains and the Pine Barrens are two of the places in New Jersey where this unknown hominid has revealed itself most frequently, but sightings have also occurred in areas where one would least expect. Marlboro, Middletown, and Mahwah, are just three of the typically suburban New Jersey towns that have had more than one sighting in the relatively recent past. The Big Red Eye, the Big Hairy Man, the Bag Man and the Jersey Devil are some of the commonly used names of the Bigfoot/Sasquatch type creatures that have been seen or heard in the woods, swamps and occasional backyards of the Garden State. Whatever name it goes by, reports in New Jersey of encounters with wild hairy men date back to the 19th century and have continued into the present. Reports alone do not prove the Big Red Eye is lurking in the swamps of Mahlon Dickerson Reservation in Morris County, or that the hairy, bi-pedal version of the Jersey Devil, is watching you change your tire, on a moonless night, from just inside the tree-line along Route 72. Something strange is creeping through the forests though, so on your next hike through Allaire State Park, when the birds stop chirping, the bugs stop buzzing, the hair on your arms stands-up, and you feel like you are being watched, consider the experiences of others in that area that are described in the book, and head straight back to the car, then bar. Bigfoot in the New Jersey Burb's compiles the more modern sightings and encounters with Bigfoot like entities in the state and offers guidance for where these creatures can be found. We have broken the encounters into four broad sections, and examine historical and modern accounts in (1) North Jersey, (2) South Jersey, (3) Out of the Way Places and (4) a section we call The Turnpike. In each of the four major sections, we narrow down concentrations of sightings and encounters to General Areas of Interest, and then finally Hot Spots. Bigfoot in the New Jersey 'Burbs provides seasoned Bigfoot researchers, amateur Squatch enthusiasts and curious Jersey residents who think nothing fun ever happens in the state, with details of recent sightings and the reasons why these unknown two legged primates tend to be seen in specific areas. The book contains twenty-two maps, recent rarely seen track photos; real accounts of Bigfoot sightings, advice and techniques that will help the reader maximize their chances of running into a Bigfoot in our great but not completely paved over yet state.

The Bronx The drugged Bigfoot awakens in a cramped shed in Shay's backyard. Confused, terrified, angry, it breaks loose in the middle of the night, seeking refuge in a nearby cemetery. When the bagpipes of a morning funeral drive it into a killing rage, the carnage has just begun. Rusty Wilson's Montana Bigfoot Campfire Stories Rusty Wilson, 2020-01-29 Ever thought about visiting the beautiful and rugged state of Montana? If so, be sure to read these stories before you go, for there may be more there than you ever imagined in your wildest dreams. These all new stories are sure to make you want to hide deep in your sleeping bag if you're brave enough to read them at night by headlamp while camped in one of the state's beautiful campgrounds. And what just brushed against your tent? A wolf? Grizzly bear? Or was it something even bigger and more terrifying? Fly-fishing guide Rusty Wilson, known as the World's Greatest Bigfoot Storyteller, has spent years collecting these tales from his clients around the campfire, stories guaranteed to make sure you won't want to go out after dark. Come join a botanist in Glacier National Park who discovers a most unusual use for a mudpack, then watch a strange sight in the Sweet Grass Hills of northern Montana. Come along as a tow-truck driver tries to figure out why a tourist won't abandon his car in the winter cold, then join a campground host as he faces his deepest fears. And if you survive all that, come along on an experiment in terror in a resort in the wilds. Next, join in the discovery of a very unusual find on a dinosaur dig in Montana's badlands, then learn why it's not a good idea to feed the wildlife, nor to harass them. Climb a tall peak with a filmmaker to discover a terrifying and dangerous sight that almost costs him his life, and finally, visit with a musician as he discovers the real meaning of an appreciative audience. You'll want to be sure you're not alone in the woods while reading these stories, or maybe even alone inside your house! Another great book from Rusty Wilson, Bigfoot expert and storyteller-tales for both the Bigfoot believer and those who just enjoy a good story.
