Richard Verrochi

Commercial Bail Bonding F. E. Devine, 1991-08-30 The first comprehensive, international comparison of bail, this book examines how common-law countries condemn or provide alternatives to the American commercial bail bonding system. In his analysis of bail systems in 15 countries, F. E. Devine explains why other common-law countries consider the commercial provision of bail an obstruction of justice, and how they provide effective alternatives. Devine examines the pre-trial release alternatives in detail, arguing that they are at least as effective as commercial bail bonding. Devine provides a complete, comparative analysis of bail in Australia, Canada, England, India, New Zealand and South Africa. He also examines the systems of Ireland, Malaysia, Nigeria, Pakistan, Papua New Guinea, Scotland, Tanzania, Zambia and Zimbabwe. He details the prohibition of, and statutory provisions against, commercial bail in these common-law countries, and then highlights four alternative approaches to pre-trial release: recognizance, criminal penalties, non-financial conditions, and non-commercial financial security deposits. Devine argues that these options are as effective as commercial bail. This book is valuable to scholars of criminal justice, criminology, comparative law, political science, and sociology, and to criminal justice reformers and professionals.

Bail Bond & Surety Law in North Carolina Steven a. McCloskey Esq, 2013-07 Bail Bond and Surety Law in North Carolina is a much-needed compilation and review of North Carolina statutes, case law and Department of Insurance regulations relating to the bail bond industry, and affecting bail bondsmen and bail bond sureties. It also includes extensive commentary by the author on the statutes, regulations and case law, as well as related sample motions, standard DOI-approved forms, and bail bond documents. This book is an invaluable guide and resource not only for bail bondsmen and sureties doing business in North Carolina, but for attorneys and judges as well. As such, this book will help bail bonding professionals and sureties avoid potential costly and expensive minefields, and can save them, and attorneys practicing bail bond law, considerable time, energy and money.

Get Bail, Leave Jail: America's Guide to Hiring a Bondsman, Navigating Bail Bonds, and Getting Out of Custody Before Trial S. J. Plotkin, 2021-09 When you or someone you care about is incarcerated, your priority is to secure a safe release as soon as possible. This can be overwhelming. You may feel rushed and might make bad decisions based on incomplete or inaccurate information-decisions that carry serious long-term consequences. *Get Bail, Leave Jail* helps Americans safely navigate legal accusations, arrests, bail bondsmen, and the most complicated court procedures. Its guidance stems from more than 60 years of family experience in bail, working with thousands of people in need, countless criminal defense lawyers, and all manner of law enforcement and court officials. Within these pages, you'll find detailed advice about:

- Five types of bail agencies (including how to check their reputation and qualifications).
- Eleven questions to ask a bail bondsman or bail agent before hiring them.
- Five ways to get out of jail (and how to speed up release).
- Eight ways that getting out of jail can be delayed (and how to avoid them).
- The most common bail bond forms and contracts you'll encounter.
- Twenty-one types of items you can use as bail collateral to secure your bond money.
- Navigating criminal court procedures and ensuring the exoneration of your bail bond.
- How to prepare your defense in court, how to reduce sentencing, and maybe even how to stay out of prison completely.

Every arrest is difficult, whether it's a DUI, traffic ticket, shoplifting, domestic violence, drug possession, white collar crime, or an even more serious charge. But defendants who get out on bail are better prepared because they have more time, more options, and can seek better help. Read *Get Bail, Leave Jail* to prepare yourself with this vital information before you or your loved ones ever need it.

The Complete Guide to Becoming a Bail Bondsman Larry B. Blatt,2008-05 Our words are our confessions. We get what we say (confess). That includes our idle, or casual, words, good or bad. The Bible makes that very clear. The things we confess may not come to pass immediately, but I'm sure we all can think of more than one adult whose life followed the path of what was spoken over him as a child and ended tragically. This book can help you get into the habit of confessing blessings, instead of curses, into your life and over your loved ones, while guiding and enhancing your praise and worship time with our Lord Jesus Christ.
