The Book of Bald: Going Bald Like a Man Kyle Weber,

So You're Going Bald! Julius Sharpe, 2019-04-02 Educational, uplifting, and thoroughly hilarious, this rollicking "bald memoir" is a one-stop guide to appreciating life as you lose your hair, and offers dating, grooming, marriage, sex, and even toupee advice for bald men and the people who claim to love them. Humorist and comedy television writer Julius Sharpe woke up on 9/11 to his own personal disaster: his hair was falling out. So You're Going Bald is his hilarious odyssey—a tale filled with despair, horror, acceptance, and humor that everyone can relate to, whether you're nineteen or approaching ninety—or are simply bald-curious. As Julius tells it, going bald is for-real traumatic. Losing his hair preoccupied his days and kept him up Googling every night for five straight years. He suffered in private, but now he's making it his mission that no cue ball will live alone with the agony of hair loss ever again. Sharpe examines what it means to be hairless up top, and walks you through how to look at yourself in the mirror and not want to die. He outlines the three stages of baldness (anger, more anger, even more anger), and volunteers himself as a guinea pig, testing laser helmets, plugs, and toupees. So You're Going Bald is one-part tough love and one-part inspiration . . . the same way that Fran Drescher's Cancer Schmancer inspired a cure for schmancer. We all know someone who is bald, or going bald, or got their hair cut way too short. In So You're Going Bald, Sharpe provides an emotional roadmap for living life in the bald lane, giving voice to what it feels like to know that "grass doesn't grow on a busy street."

The Flight of the Silvers Daniel Price, 2014-02-04 For fans of Blake Crouch, the propulsive first book in the genre-bending Silvers trilogy, in which six ordinary people become extraordinary when they find themselves the sole survivors of an apocalypse that lands them on an Earth far different from our own—one on which they have X-Men-like powers to manipulate time. Without warning, the world comes to an end. The sky looms frigid white. The electric grid falters. Airplanes everywhere crash to the ground, and finally, the sky comes down in a crushing sheet of light, taking out everything and everyone with it—except for Hannah and Amanda Given. Saved from destruction by three fearsome and powerful beings who adorn them each with an irremovable silver bracelet, the Given sisters suddenly find themselves on a strange new Earth where restaurants move through the air like flying saucers and the fabric of time itself is manipulated by common household appliances. Upon arrival to this alternate America, Hannah and Amanda are taken to a science laboratory where they meet four other survivors from their world, all of whom wear matching silver bracelets—a mordant cartoonist, a shy teenage girl, a brilliant young Australian, and a troubled ex-prodigy. While being poked and prodded by scientists who may be friends or enemies, the group discovers that it's not only their world that is different—they are different. Each has the power to manipulate time with their bare hands...a power they can't always control. With no one but each other to trust, "the Silvers" must find out what exactly happened to their world and why it was that they were spared. But with unexpected new enemies emerging from around every corner, their quest for answers will quickly become a cross-country quest for survival.

The Relive Box and Other Stories T.C. Boyle, 2017-10-03 While T.C. Boyle is known as one of our greatest American novelists, he is also an acknowledged master of the short story and is perhaps at his funniest, his most moving, and his most surprising in the short form. In *The Relive Box*, Boyle's sharp wit and rich imagination combine with a penetrating social consciousness to produce raucous, poignant, and expansive short stories defined by an inimitable voice. From the collection's title story, featuring a Halcom X1520 Relive Box that allows users to experience anew almost any moment from their past to *The Five-Pound Burrito*, the tale of a man aiming to build the biggest burrito in town, the twelve stories in this collection speak to the humor, the pathos, and the struggle that is part of being human while relishing the whimsy of wordplay and the power of a story well told. In stories that span a variety of styles and genres, Boyle addresses the enduring concerns of the human mind and heart while taking on timely social concerns. *The Relive Box* is an exuberant, linguistically dazzling effort from a vibrant sensibility fully engaged with American society. Greater Expectations (Frames Series) Barna Group,, Claire Diaz-Ortiz, 2014-01-07 Remember when all you needed was a cool business card for cocktail parties? Now social status is determined in a hundred ways that all come with their own pressures—how many Twitter followers do you have? How many Facebook page likes? How much traffic does your site get? Are you speaking? Traveling? How full is your inbox? While pressure has always been there, in many ways that pressure is more public than ever. The world is both bigger and smaller today. With access to so much media and so quickly, we know everything that's going on in the world. We are bombarded with possibilities and opportunities. It seems like we have limitless choices. It's easy to feel like your life is small, that you aren't doing enough, that other lives, careers, and even cities are more exciting than yours. The challenge today is, with limitless public pressure on how your life measures up against everyone else's, how do you find contentment in this context? Join Claire Diaz-Ortiz, an author, speaker, and Twitter employee, in this Barna Frame as she explores this timely issue.

Leisureguy's Guide to Gourmet Shaving, Fourth Edition Michael Ham, 2010-09-21 The fourth edition of the complete beginner's guide to traditional wetshaving---brush, shaving cream, safety razor with double-edged blade.

Traditional shaving is enjoyable and thrifty: double-edged blades are as low as 9¢ each vs. as much as \$3.50 for a single disposable multiblade cartridge. The multiblade cartridge's tug-and-cut action often results in skin irritation, razor bumps, ingrowns, and razor burn---thus all the protective shaving preparations and soothing and healing aftershaves now offered. Most men with skin problems decide that they have sensitive skin and never realize that the problem is the multiblade cartridge. The book also tells how to cure and prevent razor bumps and ingrowns. The book is complete in itself, but it also includes links to a host of resources on the Web to complement the book. Sources are provided for all you need to get started. It's a perfect gift for Father's Day, Valentine's Day, and as a birthday or graduation gift for guys.

The Miniature Wife Manuel Gonzales,2013-01-10 In the tradition of George Saunders and Aimee Bender, an exuberantly imagined debut that chronicles an ordinary world marked by unusual phenomena. The eighteen stories of Manuel Gonzales's exhilarating first book render the fantastic commonplace and the ordinary extraordinary, in prose that thrums with energy and shimmers with beauty. In “The Artist's Voice” we meet one of the world's foremost composers, a man who speaks through his ears. A hijacked plane circles a city for twenty years in “Pilot, Copilot, Writer.” Sound can kill in “The Sounds of Early Morning.” And, in the title story, a man is at war with the wife he accidentally shrank. For these characters, the phenomenal isn't necessarily special—but it's often dangerous. In slightly fantastical settings, Gonzales illustrates very real guilt over small and large marital missteps, the intense desire for the reinvention of self, and the powerful urges we feel to defend and provide for the people we love. With wit and insight, these stories subvert our expectations and challenge us to look at our surroundings with fresh eyes. Brilliantly conceived, strikingly original, and told with the narrative instinct of a born storyteller, *The Miniature Wife* is an unforgettable debut.
