BAM Global Movement Gea Gort, 2018-04-18 Business as Mission (BAM) is a growing global movement. Christians active in the arena of business, charity and ministry are on a journey to integrate business with holistic mission. But what exactly is BAM? In this book, Gea Gort and Mats Tunehag explain the BAM concept through theory and theology, with stories to show what it looks like in real life. The authors explain that Business as Mission is an expression of a much broader movement. Ideas regarding mission, church, and charity are shifting, and growing number of Christians are aiming for a missional way of living out the whole incarnated gospel in their daily lives where they work and live. The inspiring stories of thirty practitioners active on all continents provide insight into how the gospel can be shared in innovative and practical ways in challenging settings: in developing nations, secularized Western cities, or even closed countries. This book will not only capture your mind and heart as you learn about Business as Mission in theory and praxis, but it will also give you a broad overview of this remarkable movement. This book provides insight into this global movement and is of interest for a broad range of people: pioneers, early adapters and leaders within church, missionaries, and business leaders, as well as for Bible schools and universities. Dr. Gea Gort, a trained journalist, studied Transformational Leadership in the Global Urban Context at Bakke Graduate University in Seattle, where she serves as adjunct faculty and regional board member. She is passionate about innovative mission in an urban and global context. In her hometown of Rotterdam (Holland), she initiated City Prayer, directed a Christian leaders network, and advised the government on multicultural affairs. Gea has authored several books in Dutch and in

English. Mats Tunehag is a speaker, writer, and consultant from Sweden. For over twenty years, he has focused on developing the Business as Mission (BAM) concept as well as national, regional, and global strategic alliances of people and BAM initiatives. A global lecturer, he is also a BAM senior leader in the Lausanne Movement and the World Evangelical Alliance.

A new neighbour moves in next door, igniting a friendship that brightens her days. Just when everything seems to fall into place, Verglas beckons. In the kingdom of ice and snow, turmoil brews. Negotiations with the Frosts stall, while the Settlers stir up trouble. Juggling her ordinary

life with her duties as a Warrior, Layla strives to restore peace. But, when a complication arises, trapping Layla between two worlds, she faces an impossible choice. Should she save the kingdom for the greater good? Or should she selfishly rescue a friend before he perishes?

Arnesto Modesto: The World's Most Ineffectual Time Traveler Darren Johnson,2018-06-08 What if you could go back and do it all over again? By sending his

memories back in time, Arnesto Modesto gives himself a do-over. Of course, his much younger self may not be prepared to handle all that foreknowledge... Encouraged by his friend Pete, Arnesto attempts to use his limited recall to do some good — and winds up stumbling through some of the biggest events of the past quarter-century. Take it from Arnesto: Life isn't easier the second time around. (Think Groundhog Day if the main character went much farther back and only got to repeat his life ONCE.) For anyone who has ever wondered, What if?

New Funding Models for Global Mission Tim Welch, 2023-04-23 Financing Mission from Anywhere to Everywhere Times are changing, and conventional methods of funding missionaries are shifting. Churches in Africa, Asia, and Latin America no longer depend on Western funding for sending out their own missionaries. How then does the Majority World fund missionaries? *New Funding Models for Global Mission* begins by summarizing how world missions has been funded from the past to the present. It then critiques the common fundraising approach where missionaries raise their own financial support and suggests possible adjustments. Tim Welch presents seventeen other funding models that are more appropriate options for contemporary missionaries, along with an overview of what the Bible says about missionary funding. He concludes with fifteen practical recommendations for individuals, churches, and mission agencies. This book seeks to give prophetic leadership in order to change systems and practices for successfully resourcing missionaries. New models—better suited to the situation in which the global church finds itself—provide more funding and opportunities to glorify the Lord among the nations.

ISIS, the Heart of Terror Eugene Bach, 2015-03-02 The jihadist group ISIS (the Islamic State of Iraq and Syria) has been wreaking havoc in northern Iraq and Syria. But its reign of terror is not confined to the Middle East. Its 2014 beheadings of American journalist James Foley and Israeli-American journalist Steven Sotloff have shocked the world and instilled fear in the hearts of many Westerners. ISIS is the wealthiest, most technologically advanced, and most powerful terrorist organization in history. Its members are extremely diverse, having been recruited from countries all over the globe, including Canada, Britain, and the U.S. Now that ISIS has the world's attention, what's next? Governments around the world have spent billions of dollars employing military strategies, and they are still convinced that ISIS is mainly a political problem that requires a political solution. But what if the answer isn't political or military? What if the real solution is

spiritual in nature? Missionaries from the underground church of China are launching a spiritual offensive. They are not armed with a sentence of death but with a message of life, and ISIS jihadists are in their crosshairs. In *ISIS, the Heart of Terror*, you will learn about the missionary vision “Back to Jerusalem” and the underground church’s unique method of responding to ISIS by evangelizing Muslim militants. Discover how Chinese missionaries are fulfilling the Great Commission by sharing the gospel with some of the most unreachable people groups in the world, and find out how Christians everywhere can take part in a powerful evangelization of the Middle East.
