Bandana-rama Wrap, Glue, Sew Judith Cressy,2014-09-01 Turn your old bandanas into stylish new creations with these 21 fast, fun and easy-to-complete crafting projects for kids ages 8 and up. Full of inspiration for crafty kids, Bandana-rama shows how the classic bandana is also the ideal crafting material. Here you will find twenty-one easy inventive crafting projects that are easy for kids of all experience levels to complete. From headbands, belts, and hoodies, to pillows, guitar straps, and hoodie linings, all the projects can be achieved by hand sewing, machine sewing, or in some cases, by simply using scissors and glue. Since bandanas are prehemmed, they cut down on time spent sewing borders and following stitching lines. As a result, there's more time for kids to explore their creativity and come up with a style that's all their own.

The Red Bandanna (Young Readers Adaptation) Tom Rinaldi,2018-08-14 Winner of the Christopher Award An ILA-CBC Children's Choices Book A NCSS-CBC Notable Social Studies Book Welles Crowther did not see himself as hero. He was just an ordinary kid who played sports, volunteered at his local fire department, and eventually headed off to college and then Wall Street to start a career. Throughout it all, he always kept a red bandanna in his pocket, a gift from his father. On September 11, 2001, Welles was working on the 104th floor of the South Tower of the World Trade Center when the Twin Towers were attacked. That day, Welles made a fearless choice and in doing so, saved many lives. The survivors didn't know his name, but one of them remembered a single detail clearly: the man was wearing a red bandanna. Welles Crowther was a hero. Award-winning ESPN reporter Tom Rinaldi brings Welles's

inspirational story of selflessness and compassion to life in this accessible young readers' adaptation of his New York Times bestselling book. This powerful story of making a difference through our actions is perfect for helping the post-9/11 generation understand the meaning of this historic day through the eyes of one young man. "Rinaldi's young reader edition of his award-winning adult story puts a face on that day (9/11), a hero's face, and brings to young people someone who stood brave in the toughest of times and who, in the end, was lost doing his best to help others survive."—VOYA

The Bandana Republic Louis Reyes Rivera, Martin Millar, 2010-07 Urban youth gangs and street associations are viewed more often than not as training grounds for thugs and felons. Left out are their members' emotional sensitivities, their political consciousness, their individual and collective capacities to assess the social conditions that gave rise to the need for such associations. Not included in the popular dialogue on gangs is the creative impulse that has continued to manifest in popular culture - from the birth of the Blues to Rag Time and Swing, to BeBop, Doo Wop and Hip Hop. From the Student Non-Violent Coordinating Committee (SNCC) to the Black Panther Party, Brown Berets, Young Lords and Brownstone Rangers to the height of the Civil Rights Movement to our current Hip Hop culture, urban gang rhetoric and its symbolisms have informed almost every major social movement of this century. They have also played a role in protecting neighborhoods, initiating food and clothing drives and in taking on housing-related issues such as gentrification. *The Bandana Republic, A Literary Anthology by Gang Members and Their Affiliates*, edited by Louis Reyes Rivera and Bruce George with a foreword by Jim Brown focuses on creative literature written by adolescents from such contemporary gangs as by Chaplains, Bishops, Sportsmen, Crips, Bloods, Latin Kings, Black Spades, Neta, Black Gangster Disciples and others. Includes work by former gang members who have gone beyond gangbanging and into the social and cultural arenas. The anthology showcases writing by Alicia Benjamin-Samuels, Oscar Brown Jr., Chairman Fred Hampton, Jr., Commander, Comrade X, Layding Kaliba, Dead Prez, Ruby Dee, Shaggy Flores, Erica Ford, The Last Poets, Jesus Papoleto Melendez, Akua Njeri, Willie Perdomo, T. Rodgers, Luis J. Rodriguez, Leila Steinberg, Kublai Toure, Ted Wilson, Malik Yoba, and many more - all of whom have either come from urban gangs or were closely affiliated with street-based organizations. Like many adolescents, they initially attached themselves to the available rough-n-tumble street role models, becoming

active gang members and adopting ''the ways of the street.'' Inside of this framework, and in spite of the stereotypical conventional wisdom concerning street gangs, they were also reared into the creative aspirations of their respective communities. Not just dancing and styling, but reading and studying, learning to develop the gall to give voice to the voice.
