Tom Biracree, Wendy Insinger

Horse Racing Joe Drape, 2012 This book contains 168 photographs of thoroughbred racing taken by award-winning photographer Arthur Frank in the United States, France, and Ireland, and is introduced by a personal essay by The New York Times sportswriter Joe Drape. The photographs capture the beauty and excitement of one of the world's most popular sports by depicting the development of thoroughbred race horses from their days as foals, through training sessions, and then to the track. It also highlights the unique relationships between the horses and those individuals who bred them, own them, train them, care for them, and bet on them. As the photographer is more interested in the sport of horse racing than with celebrity, the book offers a unique humanistic depiction of the sport of kings and concludes with a tribute to the winners and losers.

Horse Racing Eric Rachlis, Blossom Lefcourt, 2001-03 A collection of photographs from the golden age of horse racing featuring trainers, jockeys, thoroughbreds, and celebrity fans.

They're Off! Ed Hotaling, 1995-07-01 As much social history as sports history, this is an account of how America's first national resort, Saratoga Springs, gave birth to and nurtured its first national sport and in the process had significant impact on American cultural life. Fine bandw photographs, etchings, and drawings illustrate the text.

Inside Track Donna Barton Brothers, Let's face it, horse racing can be complicated!

Inside Track: Insider's Guide to Horse Racing makes it easy and demystifies the complexities. Want to know how to bet and decide which horse to pick? It's in the book. Where do the jockeys come from and how do they prepare for a race? What are the best tracks to visit? Why all the fuss over the Kentucky Derby? What to wear to the track? It's all in there! And each chapter stands alone so if you want to know about that subject, read that chapter. If not, move on. Easy. There's even a glossary of horse racing terms and a section with recommendations of horse racing books, horse racing periodicals, movies, etc. If you already know all this then buy the book for your friends who are interested in horse racing but don't know anything about it. That way, you can grab a beer (or, better yet, a mint julep), a racing program, and a seat and enjoy a day at the races while they learn everything they need to know from the book. Win-win! Plus, 100% of proceeds go to Thoroughbred aftercare, a win-win-win!

Secretariat Timothy T. Capps, 2003 A true horse legend, Secretariat still inspires new generations of fans 30 years after his incredible Triple Crown victory. This book honors the great racehorse who ran with such breathtaking speed, beauty, and power. 40 photos.

Horse Racing's Top 100 Moments Staff of Blood-Horse Publications, 2024-02 Some of horse racing's most respected authorities looked at feats of greatness, world records, legendary rivalries, and innovations to rank the sport's top 100 moments. They weighed individual accomplishments against industry initiatives, innovations against lucky breaks to come up with the definitive list. They pondered Secretariat's 31-length Belmont Stakes victory, Smarty Jones' elusive Triple Crown, the creation of the Breeders' Cup, and advancements in equine surgery. Racing's top 100 list will generate debate for years to

come, just as did the ranking of Man o' War over Secretariat as Horse of the Century. Richly illustrated with historic and modern photos, Horse Racing's Top 100 Moments also contains comprehensive lists of leading earners, fastest times, highest prices, and most races won.

My Year of the Racehorse Kevin Chong, 2012-03-02 Kevin Chong has grand plans. He draws up a to-do list of major milestones that will give him the life he always wanted—and the life that will inspire awe and envy in his friends. Things like settling down and starting a family; learning a foreign language; getting a tattoo. But these grand plans go out the window when Chong makes an unconventional decision: he's going to buy a racehorse. Not the whole thing—he'll become part—owner of the horse. Just don't ask him which part. Thus Chong meets Blackie, the racehorse that will win his heart, even if she doesn't always win on the track. He meets Randi, the cantankerous and foul-mouthed horse trainer with a heart of gold. He meets an assorted array of characters who work, live and drink at the track—and, one by one, the items on his to-do list are crossed out and replaced with horse-related ambitions. His goals are a bit more humble (cussing like a track worker replaces learning a foreign language), but his life has gained new meaning. The story is infused with the noise, excitement and faded glamour of the horse-racing world. It is strewn with fascinating tidbits about the history and tradition of this

Photo Finish John McEvoy, 2012-04-23 Irreverent Chicago racetrack publicist Jack Doyle, former advertising man and amateur boxer, accepts a new job as a thoroughbred jockey's agent. His client is a seventeen-year-old riding phenom from Ireland named Mickey Sheehan. Mickey and Jack prove to be an effective team until someone begins

secretly doping the horses, affecting race results. In his quest to identify the culprit, Doyle is aided by his old friend Moe Kellman, furrier-to-the-Mob; trainer Ralph Tenuta, himself the target of a blackmailer; and young veterinarian Ingrid McGuire, a talented horse communicator. The action moves from Chicago's Heartland Downs to New York's famed Saratoga Race Course, even stepping aboard Mob capo Fifi Bonadio's lavish yacht in Chicago's Belmont Harbor. Will Jack's persistent push for answers get him killed?

Secretariat William Nack, 2010-08-31 *Secretariat* is an elegantly crafted, exhilarating tale of speed and power, grace and greatness, told with such immediacy that the reader is lost in the rush of horses and the clatter and ring of the grandstand. --Laura Hillenbrand, bestselling author of *Seabiscuit* Updated with a new preface by the author In 1973, *Secretariat*, the greatest champion in horse-racing history, won the Triple Crown. The only horse to ever grace the covers of *Time*, *Newsweek*, and *Sports Illustrated* in the same week, he also still holds the record for the fastest times in both the Kentucky Derby and the Belmont Stakes. He was also the only non-human chosen as one of ESPN's 50 Greatest Athletes of the Century. The tale of Big Red is an enduring and inspiring classic, more than thirty years after its initial publication.

The Derby Alastair Burnet, Tim Neligan, 1993 Tells the history of the world's greatest flat race - the horses, the jockeys, the day itself. Here is the colour and pageantry of the most important day in the horse-racing calendar.

Horse-Racing in France Professor Emeritus of Renaissance History Robert Black,Robert Black,2015-08-05 Excerpt from Horse-Racing in France: A History Circumstances rather than natural aptitude, taste, inclination, or deliberate design have made me for more than twenty years a close student of horse-racing, both English and French. Into those circumstances there is no occasion to enter, and I have not the slightest intention of being gratuitously tedious. Suffice it to say that my first experience of horse-racing carries me back more than forty years to a day of which I have still a vivid remembrance, when I saw an animal belonging to the famous Colonel (afterwards General) Peel run at a provincial race meeting; and that I believe I can still from mere memory give that animal's name (although it achieved no great celebrity) - 'I-am-not-aware.' Since then I have witnessed a great many of the most memorable races ever run,

and have had at least a bowing acquaintance with some of the most notable race horses, English, French, Austro-Hungarian, German, American, and others, that ever came to the post. Not By a Long Shot T.D. Thornton, 2007-08-05 The great myth of horse racing is that the game is the regal and royal Sport of Kings. It isn't. Not by a long shot. Anyone who doubts this need look no further than Suffolk Downs, a once-proud racecourse graced in its glory years by boisterous throngs and champions such as Seabiscuit. Now the blue-collar East Boston track is one of many that have fallen on hard times. These days Sufferin' Downs is where grizzled Thoroughbreds come to end their careers, hopeful young jockeys aspire against daunting odds to begin them, and diehard fans cheer, curse and gamble on the entire fascinating spectacle. These bit players are not just cogs of a single, struggling horse track. They are the unseen supporting cast for a 15 billion betting industry. In fifteen years as a racing reporter and press box personality, T.D. Thornton gained access to remote corners of racetrack life off limits to the general public. He got to know the raucously Runyonesque characters and the quirky personalities of the horses; he

learned the tricks of the trade from trainers, owners, and jockeys; he witnessed the tragedies and small triumphs of racing lives lived below the radar. One recent season, he finally decided to write it all down. Not by a Long Shot is a deeply textured portrait of an industry where even the best in the business lose 75 percent of the time.

Horse-Racing in France Robert Black, 2013-12 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
