Bombay Talkies Mayank Shekhar, 2006 A reason this movie annual, chronicling Mumbai cinema during 2004 and 2005, exists is fairly similar to why film reviews do. At a basic level, movie reviews are manuals to the movies. The reason they appear in mainline publications across the globe and ought to, often at the inevitable cost of rubbing many the wrong way, is that they are one of the best-read, accessible and possibly the only honest space to discuss the most mass-oriented pop-cultural product.

The Heart Is a Shifting Sea Elizabeth Flock, 2018-02-06 Winner of the Silver Nautilus Award for Journalism & Investigative Reporting Elizabeth Flock takes us on an intimate cruise on the shifting sea of the heart, in the best book set in Bombay that I've read in years. Flock's total access to her characters, and her highly sympathetic and nonjudgmental gaze, prove that love and literature know

no borders. Easily the most intimate account of India that I've read, and of value to anybody that believes in love and marriage.—Suketu Mehta, author of *Maximum City* This remarkable debut is so deeply reported, elegantly written, and profoundly transporting that it reads like a novel you can't put down. It's both a nuanced and intimate evocation of Indian culture, and a provocative and exciting meditation on marriage itself.—Katie Roiphe, author of *The Violet Hour* In the vein of *Behind the Beautiful Forevers*, an intimate, deeply reported and revelatory examination of love, marriage, and the state of modern India—as witnessed through the lives of three very different couples in today's Mumbai. In twenty-first-century India, tradition is colliding with Western culture, a clash that touches the lives of everyday Indians from the wealthiest to the poorest. While ethnicity, class, and religion are influencing the nation's development, so too are pop culture and technology—an uneasy fusion whose impact is most evident in the institution of marriage. *The Heart Is a Shifting Sea* introduces three couples whose relationships illuminate these sweeping cultural shifts in dramatic ways: Veer and Maya, a forward-thinking professional couple whose union is tested by Maya's desire for independence; Shahzad and Sabeena, whose desperation for a child becomes entwined with the changing face of Islam; and Ashok and Parvati, whose arranged marriage, made possible by an online matchmaker, blossoms into true love. Though these three middle-class couples are at different stages in their lives and come from diverse religious backgrounds, their stories build on one another to present a layered, nuanced, and fascinating mosaic of the universal challenges, possibilities, and promise of matrimony in its present state. Elizabeth Flock has observed the evolving state of India from inside Mumbai, its largest metropolis. She spent close to a decade getting to know these couples—listening to their stories and living in their homes, where she was privy to countless moments of marital joy, inevitable frustration, dramatic upheaval, and whispered confessions and

secrets. The result is a phenomenal feat of reportage that is both an enthralling portrait of a nation in the midst of transition and an unforgettable look at the universal mysteries of love and marriage that connect us all.

And All Is Said Zareer Masani, 2011-09-01 In this unflinchingly candid memoir, Zareer Masani draws on the letters and diaries of his parents, charismatic politician Minoo Masani and his gifted wife Shakuntala, to paint an intimate portrait of two remarkable individuals and their prominent but very different families—the Masanis, Bombay Parsis, and the Srivastavas, UP Kayasths—united by marriage but divided by temperament, lifestyle and political affiliation. Minoo’s father Sir Rustom Masani was an ascetic scholar who scorned wealth and all the comforts it could buy. Shakuntala’s father, Sir J.P. Srivastava, arch-loyalist of the British Raj and viceregal councillor, made a fortune as a mill owner and brought up his daughter in the lap of hedonistic luxury. When the two fell in love and eloped, Minoo was a twice-divorced, left-wing Congress activist. Later, he became a founder of the pro-free-market Swatantra Party—a figure whom Prime Minister Manmohan Singh has described as his ideological inspiration—leader of the Opposition in Parliament and a tireless campaigner against global Communism. The author writes of his turbulent upbringing as an only child torn between the rival influences and attractions of his parents and grandparents; of the struggle to express his own sexuality in 1960s India; and of the stormy and agonizing breakdown of his parents’ marriage, which was closely interwoven with the political drama of Indira Gandhi’s rise to power and the Emergency she imposed.

Dongri to Dubai - Six Decades of the Mumbai Mafia Hussain Zaidi,2012-08-10 Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all,

it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

The Sassoons Joseph Sassoon, 2022-10-25 A spectacular generational saga of the making (and undoing) of a family dynasty: the riveting untold story of the gilded Jewish Baghdadi Sassoons, who built a vast empire through global finance and trade—cotton, opium, shipping, banking—that reached across three continents and ultimately changed the destinies of nations. With full access to rare family photographs and archives. "Engaging...compelling...well-paced and supremely satisfying."—The New York Times They were one of the richest families in the world for two hundred years, from the 19th century to the 20th, and were known as 'the Rothschilds of the East.' Mesopotamian in origin, and for more than forty years the chief treasurers to the pashas of Baghdad and Basra, they were forced to flee to Bushir on the Persian Gulf; David Sassoon and sons starting over with nothing, and beginning to trade in India in cotton and opium. The Sassoons soon were building textile mills and factories, and setting up branches in shipping in China, and expanding beyond, to Japan, and further west, to Paris and London. They became members of British parliament; were knighted; and owned

and edited Britain's leading newspapers, including The Sunday Times and The Observer. And in 1887, the exalted dynasty of Sassoon joined forces with the banking empire of Rothschild and were soon joined by marriage, fusing together two of the biggest Jewish commerce and banking families in the world. Against the monumental canvas of two centuries of the Ottoman Empire and the changing face of the Far East, across Europe and Great Britain during the time of its farthest reach, Joseph Sassoon gives us a riveting generational saga of the making of this magnificent family dynasty.

My Life Brett Lee, James Knight, 2012-06-01 Brett Lee is one of cricket's most prolific personalities. Recipient of the prestigious Allan Border Medal and a former Test Player of the Year—the blond speedster has amassed over 300 test wickets, and continues to add more feathers to his cap. Tearing in at over 160 kilometres an hour, 'Binga' has dented many a helmet and inspired fear in the best batsmen. My Life is his story—honest, engaging, and laced with charming wit. The book takes you inside the dressing room and sheds light on the highs and lows of the game—the pride of possessing a baggy green, the camaraderie between the boys, superstardom, and the inevitable controversies. It provides a glimpse into the life of one of Australia's most successful fast bowlers and his love for music, fashion, and above all India.

Good Economics for Hard Times Abhijit V. Banerjee, Esther Duflo, 2019-11-12 The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable.

In this revolutionary book, renowned MIT economists Abhijit V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, *Good Economics for Hard Times* makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

Boys without Names Kashmiri Sheth, 2011-05-24 Trapped. For eleven-year-old Gopal and his family, life in their rural Indian village is over: We stay, we starve, his baba has warned. They flee to the big city of Mumbai in hopes of finding work and a brighter future. Gopal is eager to help support his struggling family, so when a stranger approaches him with the promise of a factory job, he jumps at the offer. But there is no factory, just a stuffy sweatshop where he and five other boys are forced to work for no money and little food. The boys are forbidden to talk or even to call one another by their real names. Locked away in a rundown building, Gopal despairs of ever seeing his family again. But late one night, when Gopal decides to share kahanis, or stories, he realizes that storytelling might be the boys' key to survival. If he can make them feel more like brothers than enemies, their lives will be more bearable in the shop—and they might even find a way to escape.

Urban Transport Development Gunella Jönson, Emin Tengström, 2006-01-26 Urban Transport Development is a contribution to the ongoing global discussion on the future of urban transport. The main themes are how to cope with the complexity of urban transport development and the process of change including its determining factors. The role of leadership in the development process is the key issue. Main areas of discussion are the historical background, the diversity and complexity of present problems, and the outcome of attempts to promote positive future development in urban environments around the world.

Mumbai Fables Gyan Prakash, 2010-10-10 Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. --
