International Financial Statistics, May 2017 International Monetary Fund. Statistics Dept.,2017-04-28 This paper provides notes to the country tables in the monthly issues provide information about exceptions in the choice of the consumer price index and the period average exchange rate index. For a relatively small number of countries, notes in the country tables in the monthly issues indicate where alternative price indices, such as the wholesale/producer price index or a weighted average of several price indices, are used; where data constraints have made it necessary to use weighting schemes based on aggregate bilateral non-oil trade data; and where trade in services (such as tourism) has been taken into account. When a country joins the IMF, it is assigned a quota that fits into the structure of existing quotas. Quotas are considered in the light of the member’s economic characteristics, and taking into account quotas of similar countries. Quotas are reviewed at intervals of not more than five years. The reviews take account of changes in the relative economic positions of members and the growth of the world economy.

Sheppard,1974 John Sheppard lived in Maryland probably by the late 1600s. He may have been the son of John Sheppard and grandson of Robert Sheapheard (ca. 1645-1686) of the Barbados. His grandson, John Sheppard (1737-1827), son of John Sheppard (b. ca. 1700) was probably born at Fredericktown, Cecil County, Maryland. He married Mary Ann Hudson, ca. 1773. They had twelve children, 1775-1804, all born in Fredericktown. The family migrated to Belmont County, Ohio, in 1812. Descendants lived in Ohio, Illinois, Iowa, Missosuri, Nebraska, Colorado, California and elsewhere.

Amena's Quest Holli Fry,2021-07-23 A young girl and her father set out to find the king hoping he may heal her mother. As they travel, the sojourners experience hardships ranging from hunger, fatigue, and severe cold to doubt, discouragement, and despair. Yet, time after time, they're lifted up, fed, sheltered, and encouraged. Little do they know as they go through this process, they are learning about the very king they seek--his nurturing love, his grace for their weaknesses, his power to provide for them in the most impossible circumstances, and his willingness, ultimately, to die for them.
