The Skinnytaste Cookbook Gina Homolka, Heather K. Jones, R.D., 2014-09-30 Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, Skinnytaste. Gina Homolka is America's most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you'd swear are anything but. It only takes one look to see why people go crazy for Gina's food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet Muffins that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. The Skinnytaste Cookbook features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started "skinny-fying" her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.

Gangs in America's Communities James C. Howell, Elizabeth Griffiths, 2018-02-08 [Gangs in America's Communities] is one of the most comprehensive treatments of gangs in the marketplace. . . . I highly recommend its adoption as you will not be disappointed and, most importantly, neither will your students.

—Elvira White-Lewis, Texas A&M University-Commerce *Gangs in America's Communities*, Third Edition blends theory with current research to help readers identify essential features associated with youth violence and gangs, as well as apply strategies for gang control and prevention. Authors Dr. James C. Howell and Dr. Elizabeth Griffiths introduce readers to theories of gang formation, illustrate various ways of defining and classifying gangs, and discuss national trends in gang presence and gang-related violence across American cities. They also offer evidence-based strategies for positioning communities to prevent, intervene, and address gang activity. New to the Third Edition: A series of new case studies document the evolution of numerous gangs in large cities, including the community aspect, evolutionary nature, and how cities influence levels of violence. New discussions highlighting the role of social media, insights into how gangs use it to recruit members, and the response from law enforcement. Current nationwide gang trends are discussed to encourage readers to analyze and interpret the most recent statistics for which representative data is available. Updated macro and micro gang theories enable readers to explore a recent encapsulation of leading developmental models. New discussions around female gang members offer readers potentially effective programs for discouraging females from joining gangs—along with highly regarded delinquency prevention and reduction programs that have the potency to be effective in reducing gang crimes among young women. A comprehensive gang prevention, intervention, and suppression program in Multnomah County, Oregon shows how theory was successfully applied to reduce gang activity in a local community. New research on gang structures and their rates of crime illustrate the connections between violent crimes and the amount of violent offenders within a gang. Additional

discussion of distinguishing features (e.g., typologies) of major gangs, and numerous examples of gang symbols, tattoos, and graffiti has been added to help readers identify and differentiate various types of gangs.

Tiger Style! Mike Lew, 2019 Albert and Jennifer Chen were at the pinnacle of academic achievement. But now they suck at adult life. Albert's just been passed up for promotion and Jennifer's just been dumped by her loser boyfriend. So they do what any reasonable egghead brother and sister would do: go on an Asian Freedom Tour! From California to Shenzhen, *TIGER STYLE!* Examines the successes and failures of tiger parenting from the point of view of a playwright who's actually been through it.

War of the Bloods in My Veins DaShaun "Jiwe" Morris, 2009-01-27 By turns harrowing, moving, and ultimately redemptive, this is a war story -- a war that rages out of control on the streets of the United States, claiming the lives of our loved ones and neighbors. In this memoir, complete with child soldiers, unspeakable violence, and eventual salvation, we witness the journey of an East Coast member of the notorious Bloods gang coming to terms with the lost boy he was and the transformation into the man he wants to become. Unlike the child warriors of Mozambique and Sierra Leone, gang members and the wars they wage are the United States' homegrown nightmare. Lacking protection, support, or any alternatives, Dashaun Morris is forced into battle for the first time at age eleven, in the streets of Phoenix, when a friend's older brothers put him in a car filled with 40s and weed smoke, put a gun in his hands, then make him point it at the men on the corner and squeeze the trigger. The targets are Crips, of course, and, as Morris writes, In the darkness of the streets, my childhood is murdered.... I am reborn -- a gangster. In this haunting, violent memoir, Morris takes us through an American childhood turned grotesquely inside out.

In the fourth grade, he loses his first friend in a drive-by shooting. By high school he is the man, a champion on the football field by day and a reputable banger on his 'hood turf by night. Living the life of a gang banger, Morris does it all -- drug dealing, jacking, and continuing the aimless war with rival gang members -- almost opening fire one night on a close friend, a cheerleader, as she hangs out with young men he mistakes for Crips. He eventually makes it to college on a football scholarship, but on the verge of being drafted by the NFL, Morris can't escape his gang-banging mentality and gets caught up in crimes that snatch away all future hopes. Sitting in a prison cell, he anticipates the birth of his first child while counting the friends he's buried. *War of the Bloods in My Veins* is part of Morris's redemption, a cry to his brothers that gang life is mental illness. It is a rare and brutally honest look into the relentless storm of abandonment, violence, crime, death, and the endless rush toward the complete and utter self-annihilation that plagues the lives of the young soldiers who die every day in our streets.

Banging Reaper Izzy Sweet, Sean Moriarty, 2018-09-25 Only one can make her completely his. A very life isn't easy when your mother abandons you and the grandmother who raised you is gone. Ethan has been my best friend since middle school. He helped me out with college when I was flat broke, and now I feel like I owe him. So when he starts treating me like his MMA lucky charm, it's hard to say no. But when he finally loses, he blames me--and Reaper, the guy who beat the crap out of him, is the one who rescues me. I want to forgive Ethan ... but I can't resist Reaper. Chase Yeah, they call me Reaper, because I make anyone who fights me wish he was dead. I'm large and in charge with a big house, two cars, and enough money to party for the rest of my days. Life is great--but meeting Avery changes

everything. She's nothing like the ring girls I usually hook up with. There's just something about her that brings out the protective beast inside me. She needs to be mine, but that cheating asshole Ethan is in the way. I'll do whatever it takes to claim her ... even if that means destroying her best friend.

Trap Kitchen Malachi Jenkins,Roberto Smith,Marisa Mendez,2017-12-12 Jenkins and Smith, who once belonged to rival L.A. gangs, became friends and started a catering business marketed solely on Instagram. Media outlets took notice, as did Snoop Dogg and Martha Stewart, paving the way for their debut cookbook – Publishers Weekly When two former members of Los Angeles' most nefarious rival gangs decided to unite under one oven, they had no idea that they would be creating an empire. Trap Kitchen is more than just a cookbook. It's a glimpse into the meals that have now become famous in the LA streets thanks to the series of pop-up restaurants that continue to bloom throughout the area. Celebrities and residents alike flock to the locations for soulful meals, but it's more than that. Having lost friends and family to violence, we learn how the masterminds behind Trap Kitchen sought to change the paths they were on, using cooking as their driving force. While other cookbooks may boast a level of urban-skewed appeal in their realness, this cookbook also delves into the stories of why they became involved in cooking in the first place. It's

both a heartfelt and stomach-filling experience to learn how two men changed their stars by seeking out peace and good food for themselves and their community.

Twisted Emma Dabiri, 2020-06-23 A Kirkus Best Book of the Year Stamped from the Beginning meets *You Can't Touch My Hair* in this timely and resonant essay collection from Guardian contributor and prominent BBC race correspondent Emma Dabiri, exploring the ways in which black hair has been appropriated and stigmatized throughout history, with ruminations on body politics, race, pop culture, and Dabiri's own journey to loving her hair. Emma Dabiri can tell you the first time she chemically straightened her hair. She can describe the smell, the atmosphere of the salon, and her mix of emotions when she saw her normally kinky tresses fall down her shoulders. For as long as Emma can remember, her hair has been a source of insecurity, shame, and—from strangers and family alike—discrimination. And she is not alone. Despite increasingly liberal world views, black hair continues to be erased, appropriated, and stigmatized to the point of taboo. Through her personal and historical journey, Dabiri gleans insights into the way racism is coded in society's perception of black hair—and how it is often used as an avenue for discrimination. Dabiri takes us from pre-colonial Africa, through the Harlem Renaissance, and into today's Natural Hair Movement, exploring everything from women's solidarity and friendship, to the criminalization of dreadlocks, to the dubious provenance of Kim Kardashian's braids. Through the lens of hair texture, Dabiri leads us on a historical and cultural investigation of the global history of racism—and her own personal journey of self-love and finally, acceptance. Deeply researched and powerfully resonant, *Twisted* proves that far from being only hair, black hairstyling culture can be understood as an allegory for

black oppression and, ultimately, liberation.

Sitting in Bars with Cake Audrey Shulman, 2015-04-07 A “sweet indulgence for your mind, heart, and tastebuds”—now a major motion picture starring Yara Shahidi, Odessa A’zion, and Bette Midler (Molly Tarlov, MTV’s *Awkward*). Meeting Mr. Right is never easy. And in a big city like Los Angeles, it’s even harder. So, after years of fruitless efforts at finding a soul mate, Audrey Shulman decided to take a different route to a man’s heart—through his sweet tooth. Whipping up a variety of sinfully delicious cakes, Audrey invaded the savage singles scene fully armed with butter, sugar, and frosting. *Sitting in Bars with Cake* recounts Audrey’s year spent baking, bar-hopping, and offering slices of cake to men in the hope of finding a boyfriend (or, at the very least, a date). With 35 inventive recipes, this charming book pairs each cake with a short essay and tongue-in-cheek lesson about picking up boys in bars. “This delectable mix of encouragement, anecdote and cream-filling is more than enough reason to start baking and flirting.”

—Winnie Holzman, creator of *My So-Called Life* “This is a delightfully humble and enthralling tale about cake and bars and boys, but it’s really about life, and what it takes to get up every day and be the person you have always wanted to be.” —Tracy Moore, *Jezebel*
