*Heritage and Horizon* Harry A. Renfree, 2007-03-16 òIn this age of

hi-tech, impersonal living, our individual identities are in danger of

being submerged and our collective past is easily forgotten. History is

therefore more important now than it has been in any previous time.

It is a corrective that insists we are not defined as a number in a data

bank, but as people who have lived in relation to time and

circumstances. Our roots lie not in a code but in interactions with

other people and in the flow of daily events. Canadian Baptists have eagerly awaited the day that someone would produce a comprehensive, candid and faithful report of who we are and what major events helped shape our identity. This book can only strengthen Canadian Baptist relationships, as it brings to mind our common or similar beginnings. The author of this history, Dr. Harry A. Renfree, has done us an immense service by giving us a history worth reflecting upon and one which ought to spur us on to glorify God in His church's mission. Well qualified to share his gifts as writer and interpreter, Dr. Renfree is a Canadian Baptist who has given lifelong leadership in the cause of Christ in this country. My hope is that the readers of this book will come to understand how Canadian Baptists have sought to serve Christ throughout their history and right up to the present day. May God's leading in this historic endeavour cause us to grieve over the errors of the past, to rejoice in the grace of God that has marked our joyful times and to firmly resolve to go forth in this day in our land to honour the Baptist name through true humility and servanthood.--R. **Garland of Mahamudra Practices** Khenchen Konchog Gyaltsen Rinpoche, Gyalwang Kunga Rinchen, 2002-01-29 This text is a manual of practical instructions for students who are or would like to practice the path of Mahamudra in meditation. Mahamudra refers to a path to enlightenment taught by the Buddha and transmitted through the spiritual lineage of Tilopa, Naropa, Marpa, and Milarepa. Gampopa, a disciple of Milarepa who lived in the eleventh century, brought together these teachings of the Buddha into one five-fold path consisting of an enlightened motivation, deity yoga, guru yoga, mahamudra, and proper dedication, to which his main disciple, Pakmo Druba, gave the name The Profound Five-Fold Path of Mahamudra. Jigten Sumgon, the successor of Pakmo Druba, founded the Drikung Kagyu order and taught Mahamudra extensively. The fifteenth successor of Jigten Sumgon, Kunga Rinchen, known for the directness and clarity of his teachings, composed the text Clarifying the Jewel Rosary of the Profound Five-Fold Path.
