Star Spangled Banner Francis Scott Key,1907

The Star-Spangled Banner Lonn Taylor,Jeffrey Brodie,Kathleen Kendrick,2008-06-24 More than just the tale of one flag and one song, The Star-Spangled Banner is the story of how Americans—often in times of crisis—have expressed their patriotism and defined their identity through the broad stripes and bright stars of our preeminent national symbol, a tradition that still thrives today. The original flag that inspired Francis Scott Key by the dawn's early light has been cared for by the Smithsonian since 1907. The dramatic story of this flag—and of the Smithsonian's effort to save it for posterity—are told here in this lavishly illustrated book that also explores the broader meaning of the flag in American life.

**Under the Banner of Heaven** Jon Krakauer,2004-06-08 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. "Fantastic.... Right up there with *In Cold Blood* and *The Executioner's Song*." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Francis Scott Key's Star-Spangled Banner Monica Kulling,2012-01-24 Francis Scott Key was a very busy man. He and his wife had 11 children. He was a lawyer and many people came to him for advice. But whenever he had a moment, he would jot down a line of poetry. He loved writing poems. When the War of 1812 broke out, Francis became even busier. He was well-respected and often called upon to help keep the peace as the war between the United States and England raged on. One fateful night Francis and his friend helped talk the British Navy into releasing a

prisoner of war. But they couldn't return home just yet because the Battle of Fort McHenry was starting! If the British captured the fort, America might very well lose its independence. Francis and his friends could only sit on a boat and observe the battle. For 25 hours they watched in awe. What Francis saw inspired him to write a poem that would become America's national anthem! This Step 3 reader is perfect for children who are ready to read independently.
