

Barack Obama

Steven J Niven

A Promised Land Barack Obama, 2020-11-17 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy - and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the

balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of hope and change, and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in A Promised Land is the former president's candour' David Olusoga, Observer

Barack Obama in his Own Words Lisa Rogak, 2008-12-16
Since delivering his keynote speech at the 2004 Democratic National Convention, Barack Obama has been hailed as the clear savior of not only the Democratic party, but of the integrity of American politics. Despite the fact that he burst onto the national scene seemingly overnight, his name recognition has grown by leaps and bounds ever since. *Barack Obama in His Own Words*, a book of quotes from the Illinois Senator, allows those who aren't as familiar with his politics to learn quickly where he stands on abortion, religion, AIDS, his critics, foreign policy, Iraq, the War on Terror, unemployment, gay marriage, and a host of other important issues facing America and the world.

Barack Obama Britannica Educational Publishing, 2012-12-01
Sweeping into the office of U.S. president with his mesmerizing oratory of hope and change, Barack Obama forever transformed American politics. As the first African American to hold the title, his election represented a historic milestone, both socially and politically. The 44th president's remarkable journey from Hawaii and Indonesia to Chicago and the White House is chronicled, and the major issues—including the financial crisis, healthcare, and

foreign policy—that his administration has faced are examined.

Barack Obama David Maraniss, 2012-06-19 The groundbreaking multigenerational biography, a richly textured account of President Obama and the forces that shaped him and sustain him, from Pulitzer Prize-winning reporter, political commentator, and acclaimed biographer David Maraniss. In *Barack Obama: The Story*, David Maraniss has written a deeply reported generational biography teeming with fresh insights and revealing information, a masterly narrative drawn from hundreds of interviews, including with President Obama in the Oval Office, and a trove of letters, journals, diaries, and other documents. The book unfolds in the small towns of Kansas and the remote villages of western Kenya, following the personal struggles of Obama's white and black ancestors through the swirl of the twentieth century. It is a roots story on a global scale, a saga of constant movement, frustration and accomplishment, strong women and weak men, hopes lost and deferred, people leaving and being left. Disparate family threads converge in the climactic chapters as Obama reaches adulthood and travels from Honolulu to Los Angeles to New York to Chicago, trying to make sense of his past, establish his own identity, and prepare for his political future. *Barack Obama: The Story* chronicles as never before the forces that shaped the first black president of the United States and explains why he thinks and acts as he does. Much like the author's classic study of Bill Clinton, *First in His Class*, this promises to become a seminal book that will redefine a president.

The Word Collector Peter H. Reynolds, 2018-01-30 From the beloved bestselling creator of *The Dot* and our own *Happy Dreamer* comes an inspiring story about the transformative and profound power of words. Some people collect stamps. Some people collect coins. Some people collect art. And Jerome? Jerome collected words . . . In this extraordinary new tale from Peter H. Reynolds, Jerome discovers the magic of the words all around him -- short and sweet words, two-syllable treats, and multisyllable

words that sound like little songs. Words that connect, transform, and empower. From the creator of The Dot and Happy Dreamer comes a celebration of finding your own words -- and the impact you can have when you share them with the world.

Barack Obama Steven J Niven,2009-02-16 Affordable, readable, and indispensable, this pocket biography of Barack Obama allows you to put the story of our 44th President right in your back pocket. Written in a clear and concise style, this biography is accessible for anyone interested in a brief yet thorough introduction to Barack Obama. Steven J. Niven of the W. E. B. Du Bois Institute at Harvard University chronicles President Obamas personal biography and his political rise, as well as examining his relationship with race and his role in history. The book also includes an introduction by the world-renowned scholar Henry Louis Gates Jr. and a bibliography for further reading to help readers know where to go for more information. In addition, the book includes a transcript of Obamas famous A More Perfect Union speech on race in America. This book is the perfect, quick introduction to Barack Obama, Americas 44th President.

Barack Obama Beatrice Gormley,2012-03-06 As the first African-American editor of the Harvard Law Review, the first African-American presidential nominee of a major political party, and eventually the first African-American president of the United States, Barack Obama has consistently shattered barriers--barriers that some people thought could never be overcome.

TIME Barack Obama The Editors of Time,2016-12-23 In his historic presidency, Barack Obama led the United States through eight tumultuous and remarkably active years. And in this definitive, one-of-kind Special Edition, TIME's experts assess the impact his administration had on the U.S. economy, foreign policy, health care and so much more. Along with spectacular and often moving images, TIME's unmatched writers and reporters give this presidency a clear-eyed context through issues of race, inclusion and military approach.

Rising Star David Garrow, 2017-05-09 New York Times

Bestseller *Rising Star* is the definitive account of Barack Obama's formative years that made him the man who became the forty-fourth president of the United States—from the Pulitzer Prize-winning author of *Bearing the Cross* Barack Obama's speech at the 2004 Democratic National Convention instantly catapulted him into the national spotlight and led to his election four years later as America's first African-American president. In this penetrating biography, David J. Garrow delivers an epic work about the life of Barack Obama, creating a rich tapestry of a life little understood, until now. *Rising Star: The Making of Barack Obama* captivantly describes Barack Obama's tumultuous upbringing as a young black man attending an almost-all-white, elite private school in Honolulu while being raised almost exclusively by his white grandparents. After recounting Obama's college years in California and New York, Garrow charts Obama's time as a Chicago community organizer, working in some of the city's roughest neighborhoods; his years at the top of his Harvard Law School class; and his return to Chicago, where Obama honed his skills as a hard-knuckled politician, first in the state legislature and then as a candidate for the United States Senate. Detailing a scintillating, behind-the-scenes account of Obama's 2004 speech, a moment that labeled him the Democratic Party's rising star, Garrow also chronicles Obama's four years in the Senate, weighing his stands on various issues against positions he had taken years earlier, and recounts his thrilling run for the White House in 2008. In *Rising Star*, David J. Garrow has created a vivid portrait that reveals not only the people and forces that shaped the future president but also the ways in which he used those influences to serve his larger aspirations. This is a gripping read about a young man born into uncommon family circumstances, whose faith in his own talents came face-to-face with fantastic ambitions and a desire to do good in the world. Most important, *Rising Star* is an extraordinary work of biography—tremendous in its research and storytelling, and

brilliant in its analysis of the all-too-human struggles of one of the most fascinating politicians of our time.

Barack Obama and the Future of American Politics Paul Street, 2015-12-22 Many Americans believe Barak Obama represents a hopeful future for America. But does he also reflect the American politics of the past? This book offers the broadest and best-informed understanding on the meaning of the Obama phenomenon to date. Paul Street was on the ground throughout the Iowa campaign, and his stories of the rising Obama phenomenon are poignant. Yet the author's background in American political history allows him to explore the deeper meanings of Obama's remarkable political career. He looks at Obama in relation to contemporary issues of class, race, war, and empire. He considers Obama in the context of our nation's political history, with comparisons to FDR, JFK, Bill Clinton, and other leaders. Street finds that the Obama persona, crafted by campaign consultants and filtered through dominant media trends, masks the change candidate's adherence to long-prevailing power structures and party doctrines. He shows how American political culture has produced misperceptions by the electorate of Obama's positions and values. Obama is no magical exception to the narrow-spectrum electoral system and ideological culture that have done so much to define and limit the American political tradition. Yet the author suggests key ways in which Obama potentially advances democratic transformation. Street makes recommendations on how citizens can productively respond to and act upon Obama's influence and the broader historical and social forces that have produced his celebrity and relevance. He also lays out a real agenda for change for the new presidential administration, one that addresses the recent failures of democratic politics.

Barack Obama F. Erik Brooks, MaCherie M. Placide, 2019-10-07 An essential resource for readers analyzing the presidency of Barack Obama, this book provides a comprehensive

summary of the life of 44th president of the United States. Barack Obama stated, Our destiny is not written for us. It is written by us. Was the former president talking about himself and his rise to the American presidency? On January 20, 2009, Barack Obama was inaugurated as the 44th president of the United States, the first African American to be elected to this office. Former President Obama's politics of unity appealed to many segments of American society. When Obama became president, the United States faced challenges at home and abroad. Internationally, the country was stalled in two wars in Afghanistan and Iraq. Domestically, the country faced a financial and banking crisis, and poverty was on the rise. Undaunted by these colossal challenges, former President Obama noted, We did not come to fear the future. We came to shape it. Barack Obama: A Life in American History discusses the life of Barack Obama chronologically and discusses his post-presidential life. Readers of all levels with an interest in Barack Obama, politics, political parties, political ideology, presidential elections, government, and the U.S. presidency will find this book compelling.

Looking Back on President Barack Obama's Legacy

Wilbur C. Rich, 2018-12-12 When President Barack Hussein Obama left office January 20, 2017, he left a fascinating legacy. The Obama Presidency will remain an intriguing part of our nation's political history, and we can now say that there were unexpected achievements and failures. His tenure was both historical and complex, and will inevitably be compared with his predecessors and successors. The chapters in this volume are a serious assessment of President Obama's tenure written by a diverse team that includes political scientists, sociologists, historians, and economists. They provide critical insights into the man and his policies and, more importantly, are written in a manner that makes them available to laypersons, journalists, students, and scholars.

Barack Obama Beatrice Gormley, 2015-09-08 Highlights the

life and achievements of the Harvard Law School graduate, legislator, and civil rights lawyer who became the forty-fourth president of the United States and describes his accomplishments since taking office in 2009.

Radical-in-Chief Stanley Kurtz, Stanley N. Kurtz, 2010

Journalist Stanley Kurtz examines the politics of Barack Obama, focusing on his alleged socialist convictions, and suggesting that Obama's visions for the United States and long-term strategy are influenced by connections to radical groups and the Socialist Scholars Conferences.

The People Vs. Barack Obama Ben Shapiro, 2015-04-28

American conservative political commentator, Ben Shapiro presents his arguments of wrong doings by the Obama administration.

Obama Mark Greenberg, David M. Tait, 2021-07-20 A vibrant celebration of President Obama in words and photographs, now updated with new material on the years since he left office. Through stunning images by White House photographers and others, as well as notable essays and quotes from a broad spectrum of people, this updated edition of *Obama* looks back at the president's journey—from his remarkable victory to his significant milestones and final days in office to his life after the White House. *Obama* features rare and previously unseen photographs, along with iconic images and newspaper front pages. It also includes dramatic pictures—including the famous shot from the Situation Room as the president and his staff watched the live unfolding of the Osama bin Laden raid, and day-to-day images of Obama in his roles as world leader, policymaker, commander in chief, and father. There are lighthearted photos from the White House Correspondents' Dinner, late-night television appearances, and moments with the entire Obama family. Sixteen additional pages follow President Obama in recent years campaigning for Democratic candidates, engaging in philanthropic work, and traveling the world. The expanded volume also updates the status

of many of Obama's groundbreaking achievements, such as the Affordable Care Act (aka Obamacare), the Iran nuclear deal, the Paris climate accord, EPA protections, transgender rights, DACA, and much more.

The Presidency of Barack Obama Julian E.

Zelizer, 2018-03-13 An original and engaging account of the Obama years from a group of leading political historians Barack Obama's election as the first African American president seemed to usher in a new era, and he took office in 2009 with great expectations. But by his second term, Republicans controlled Congress, and, after the 2016 presidential election, Obama's legacy and the health of the Democratic Party itself appeared in doubt. In *The Presidency of Barack Obama*, Julian Zelizer gathers leading American historians to put President Obama and his administration into political and historical context. These writers offer strikingly original assessments of the big issues that shaped the Obama years, including the conservative backlash, race, the financial crisis, health care, crime, drugs, counterterrorism, Iraq and Afghanistan, the environment, immigration, education, gay rights, and urban policy. Together, these essays suggest that Obama's central paradox is that, despite effective policymaking, he failed to receive credit for his many achievements and wasn't a party builder. Provocatively, they ask why Obama didn't unite Democrats and progressive activists to fight the conservative counter-tide as it grew stronger. Engaging and deeply informed, *The Presidency of Barack Obama* is a must-read for anyone who wants to better understand Obama and the uncertain aftermath of his presidency. Contributors include Sarah Coleman, Jacob Dlamini, Gary Gerstle, Risa Goluboff, Meg Jacobs, Peniel Joseph, Michael Kazin, Matthew Lassiter, Kathryn Olmsted, Eric Rauchway, Richard Schragger, Paul Starr, Timothy Stewart-Winter, Thomas Sugrue, Jeremi Suri, Julian Zelizer, and Jonathan Zimmerman.

Witness to Greatness Obi Nwasokwa, 2016-03-23 It is the very stuff of legend. A man from the very bottom of the American

caste emerges, seemingly out of nowhere, captures the nations imagination and improbably -- within four odd years, defies gravity and rises to the dizzying height of the American presidency thereby becoming the first non-white in history elected to lead an overwhelmingly white nation. A Cinderella like fairy tale? No. Thats the story of President Barack Obama. Seismic and epic, it is a biblical tale of the trials, travails, tribulations and dazzling triumphs of the rejected stone that became cornerstone of Moses as pharaoh. Reviled and vilified like his legendary idol, Abraham Lincoln, whose election sparked the American civil war, Obamas election likewise triggered a cold uncivil civil war. That notwithstanding, his achievements are impressive even historic. Regarded as a Gettysburg-like pivotal moment in American history, Obamas metaphorical conquest of the American presidency is a monumental achievement, a crossing of the Rubicon and a historic 1066-type turning point matched in its sheer historic weight and majesty only by the achievements of Washington and Lincoln. It reboots American democracy and heralds a new Yes We can! era of American and world history with new and expansive possibilities already evident in the unusual and iconoclastic demographic profiles of many of his wannabe successors. It gives credence to the creed All men are created equal and confers legitimacy on American democracy. It redounds to the credit of the nation, and burnishes her image as the pacesetter in the quest for interracial harmony. Citing these and Obamas many other achievements such as saving a moribund economy and reforming healthcare, the author predicts that Obama will be revered as one of Americas greatest presidents.

How Barack Obama Is Endangering Our National Sovereignty

John R. Bolton, 2011-02 Today, American sovereignty is more challenged than ever before, not from enemies that threaten us militarily but from friends who urge us to share or reduce our sovereignty for larger global objectives. How Barack Obama is Endangering our Na...

The Barack Obama Presidency J. Davis,2011-11-07

Exploring the 'promise' and 'peril' associated with the opening two years of the presidency of Barack Obama, this book is a comparative look at the various aspects of his presidential strategy including the impact of his legislative agenda, his use of executive power, and the burgeoning disillusionment within the African American community.

**Barack Obama
Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Barack Obama has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Barack Obama has opened up a world of possibilities. Downloading Barack Obama provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly

convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Barack Obama has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads,

publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Barack Obama. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only

provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Barack Obama. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Barack Obama, users should also consider

the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Barack Obama has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
