**Barbie Talks!** Gwen Florea,Glenda Phinney,2000-10-20 BARBIER TALKS! is a free-wheeling account of life at Mattel during the "Golden Age" of the sixties and early seventies. This is the first book written by two toy designers who actually worked in the wonderful, top secret circus of Mattel's Research and Design. BARBIER TALKS! relates the genius, the hilarity and the craziness that, Gwen Florea and Glenda Phinney encountered in the workplace and their roles in making Talking Barbie a reality. In their well-written intersecting personal memoirs, the authors reveal the inside story of how Barbie got her voice, and why Barbie's figure took the unrealistic shape that it did. There are both humorous and poignant stories about the antics of the toy designers and executives of Mattel. These historical events are interwoven with an honest and very readable account of the loves, marriages, and the blindly sexist business world, which triggered development

of a feminine consciousness in each woman. What do Barbie Dolls do when they grow up? They have amazing lives and achieve their goals! BARBIE TALKS! is a revealing account of two women who came of age in the shadow of Barbie, and reveals a lie to the notion that Barbie was a poor influence for young women. **Barbie: All Dolled Up** D'Amato Jennie, 2009-09-08 Barbie™ All Dolled Up is a dazzling celebration of the fiftieth anniversary of Barbie™ doll. Fully illustrated and featuring three-dimensional replicas of rare memorabilia, this unprecedented book truly brings Barbie to life in full-color, and fabulous style. With the full support of Mattel, the publication of All Dolled Up is a highlight among nationwide Barbie events and marketing initiatives being staged for the anniversary. In five decades, the influence of Barbie on girls and the world of fashion has never faded. Now devoted collectors, baby boomers reminiscing about the doll's classic beauty, moms still dreaming of the pink Corvette of the '80s, and children just discovering her will relive the magic of Barbie through key eras in her development—her debut in 1959, the Mod Era of the late '60s, the big, bold '80s, the Totally Hair '90s, and up to today. Original doll packaging, Barbie comic books, designer's sketches, and an official fan club membership card and welcome letter are among the rare Barbie ephemera that have been reproduced. The narrative combines historical detail with contributions from moms, daughters, and fashion celebrities including Diane Von Furstenburg, Christian Dior, Versace, Armani, Bob Mackie, and Vera Wang. It's Barbie doll's birthday and no one wants to be left out of the party!
