The Silk Stocking Bandits Thomas J. Lentini, 2017-01-31 *The Silk Stocking Bandits: City of Violence* by Thomas J. Lentini For decades, the story of Youngstown, Ohio, was a story of violence. Organized crime, murder and political corruption were forces in the lives of residents, and shaped the city's reputation to the larger world: Youngstown became Murdertown, USA. In vivid bursts of fiction and memoir, *The Silk Stocking Bandits* tracks the rise and fall of the mafia underworld as it weaves through the Mahoning Valley community and brushes up against the life of the author, Thomas J. Lentini, bringing the reader along from gambling heists to botched contract killings to Havana vacations, and from thrilling suspense to tragedy.

Missouri Outlaws Paul Kirkman, 2018-03-05 Whether seen as a common criminal or Robin Hood with a six-shooter, the Missouri outlaw left an indelible mark on American culture. In the nineteenth century, Missouri was known as the Outlaw State and offered a list of lawbreakers like Jesse James, Bloody Bill Anderson, Belle Starr and Cole Younger. These notorious criminals became folk legends in countless books, movies and television shows. Author Paul Kirkman traces the succession of Missouri's first few generations and how each contributed to the making of some of the most notorious outlaws and lawmen in

American history.

Lost in Liberty Rodney Williams,2012-02 *Lost in Liberty* is a book about the challenges of leadership at a time when America is facing its demise. This analysis of American society, though dark, can be an inspiration to those who believe in Bible prophecy. Woes leading to the demise include such factors as how government malevolently affects the family structure; how morality and the constitution don't mix; how America promotes pantheism for monetary reasons; how capitalism is misused by the rich and how social programs are misused by the poor; and how man uses technology to compete with God. But most importantly, *Lost in Liberty* describes how the one world system begins because God takes his hands off America and allows it to fall. Individual introspection is needed and there is recognition of man's right to be free in America through constitutionality, but there has been a failure on the part of both citizens and government. The conclusion is that America must form a new union with neighboring countries and the world for there to be true liberty. The author drew off daily events such as new laws, old laws being repealed, and his studies of the Bible in alignment with current events to sound the alarm about what is happening. Rodney Williams is a jail chaplain and the pastor of a church in Atlanta. The bible is my greatest inspiration. I am also inspired by those who maximize their existence by being a benefit to humanity in any way. <http://www.sbpra.com/RodneyWilliams>
