Game Strategies and Tactics for Basketball Kevin Sivils, 2009-09 **Game Strategy and Tactics for Basketball: Preparing to Win the Sideline Battles** is both a how-to book and a guide for how to plan strategy and tactics for basketball for an entire season or an individual game. Coaches often focus on X's and O's and overlook how and when a particular offense or defense should be applied and used during a game. **Game Strategy and Tactics for Basketball: Preparing to Win the Sideline Battles** serves as a planning guide and a master checklist for all the possible situations that a coach will face during a season. The book includes both traditional and some out-of-the-box strategies to the common situations that coaches face and provides both the pros and the cons of the approaches described. It

is not the author's intention to tell each coach exactly what to do, but to serve as a guide in the decision making process. About the author: A 24 year veteran of the coaching profession, with twenty-two of those years spent as a varsity head coach, Coach Kevin Sivils amassed 464 wins and his teams earned berths in the state playoffs 19 out of 22 seasons with his teams advancing to the state semi-finals three times. An eight time Coach of the Year Award winner, Coach Sivils has traveled as far as the Central African Republic to conduct coaching clinics. Coach Sivils first coaching stint was as an assistant coach for his college alma mater, Greenville College, located in Greenville, Illinois. His teams were always known for their discipline, intense effort, execution of fundamentals, and team play. Coach Sivils is also the owner of KCS Basketball Enterprises, LLC, an enterprise focused on providing coaches with information to improve their knowledge of the game of basketball and their ability to coach. All American Boys Jason Reynolds, Brendan Kiely, 2015-09-29 A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this New York Times bestselling novel, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the

country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins—a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan—and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team—half of whom are Rashad's best friends—start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered

before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.

Sooley John Grisham, 2022-02-22 #1 NEW YORK TIMES BEST SELLER • John Grisham takes you to a different kind of court in his first basketball novel. Samuel “Sooley” Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. “Hard to put down ... the pages turn quickly ... building to a climax that won’t leave readers doubting whether this is a John Grisham novel.” —Associated Press In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game,

though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it's just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn't immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he's dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham's unparalleled storytelling powers in a whole new light. This is Grisham at the top of his

game.
