**Born and Raised in Space; the Legacy of Two Copper Mining Towns** Samuel O Sanchez, 2020-09-23 This book is written as Cuentos, short stories, of my life growing up in small rough mining towns in Arizona and New Mexico. Although I wrote it as a humorous book it was not an enjoyable time for us growing up with with no English spoken in our homes. We were oftentimes punished for speaking in our native language, Spanish in class

or even during playground times. I quickly learned that education was the key for me to enjoy a better life than my parents ever had. I instilled in my sons the value of education for them to succeed in their lives. I wrote this as short stories that will hopefully paint a complete picture of my life as it unfolded over the last seventy years.

*The 100 Greatest Days in New York Sports* Stuart Miller, 2006 Pick a sport -- baseball, professional or college football or basketball, horse racing, boxing, or tennis -- and in every case New York has consistently had front-row seats for every major development and many of the most memorable events in sports history. -- from the introduction It's every New York sports fan's dream: a chance to analyze, debate, and rank the top 100 sports events in New York history. A list to settle all arguments. What would you choose? First of all, where to start? Babe Ruth hitting the first home run in Yankee Stadium? Arthur Ashe winning the first U.S. Open? Muhammad Ali versus Joe Frazier at Madison Square Garden? Over the years, New York has been at the center of seemingly every major sporting event. From the integration of baseball to the heyday of boxing and horse racing to the rise of professional sports -- it all happened in New York. The journalist Stuart Miller, a native New Yorker and sportswriter, guides us through the pivotal events with illuminating analysis and colorful detail. Based on extensive research, this richly illustrated book is filled with vivid and authoritative prose. Highlights include: \* Willie Mays makes the Catch in the 1954 World Series \* Jimmy Connors turns back the clock at the 1991 U.S. Open \* Willis Reed rescues the Knicks in the 1970 NBA Finals \* Joe Namath and the Jets win the 1968 AFL Championship \* Mookie Wilson's slow grounder to first is a Mets miracle in the 1986 World Series All of the celebrated franchises are here, from the Yankees and the Mets to the

Knicks and the Giants, as well as sports ranging from horse racing to tennis to boxing to the New York City Marathon. There are additional lists and analyses, such as On the Road: The Top 25, featuring events such as Bucky Dent's 1978 homer over the Green Monster in Fenway Park. Fearsome Foes highlights epic performances by the opposition, like Michael Jordan's 55-point night at the Garden in 1992. Miller also gives us the bad side of sports, in Worst Days, such as when Benny Paret died in the ring at the hands of Emile Griffith.
