Game Strategies and Tactics for Basketball Kevin Sivils,2009-09 Game Strategy and Tactics for Basketball: Preparing to Win the Sideline Battles is both a how-to book and a guide for how to plan strategy and tactics for basketball for an entire season or an individual game. Coaches often focus on X's and O's and overlook how and when a particular offense or defense should be applied and used during a game. Game Strategy and Tactics for Basketball: Preparing to Win the Sideline Battles serves as a planning guide and a master checklist for all the possible situations that a coach will face during a season. The book includes both traditional and some out-of-the-box strategies to the common situations that coaches face and provides both the pros and the cons of the approaches described. It is not the author's intention to tell each coach exactly what to do, but to serve as a guide in the decision making process. About the author: A 24 year veteran of the coaching profession, with twenty-two of those years spent as a varsity head coach, Coach Kevin Sivils amassed 464 wins and his teams earned berths in the state playoffs 19 out of 22 seasons with his teams advancing to the state semi-finals three times. An eight time Coach of the Year Award winner, Coach Sivils has traveled as far as the Central African Republic to conduct coaching clinics. Coach Sivils first coaching stint was as an assistant coach for his college alma mater, Greenville College, located in Greenville, Illinois. His teams were always known for their discipline, intense effort, execution of fundamentals, and team play. Coach Sivils is also the owner of KCS Basketball Enterprises, LLC, an enterprise focused on providing coaches with information to improve their knowledge of the game of basketball and their ability to coach.
