Basketball Shooting Dave Hopla, 2012 Describes the skills and strategies for effective basketball shooting, covering long-range three-pointers, jumpers, bank shots, and free throws, and includes tips, techniques, and drill exercises for individuals and teams.

Better Basketball Shooting Dave Hopla, 2012-07-30 In *Better Basketball Shooting*, Dave Hopla, professional shooting coach and one of the best shooters in the world, offers the expertise to help players at any level elevate their shooting percentage. *Better Basketball Shooting: Improving Free Throws and Midrange Jump Shots* provides detailed instruction featuring seven shooting drills and 33 color photos from NBA shooting coach Dave Hopla. Hopla has worked with some of the game's biggest names, including Kobe Bryant, Carmelo Anthony, and Jason Kidd. Now you can benefit from his coaching insights. With this mini e-book you'll learn the physical skills and techniques for improving your shooting percentage from the line and from inside the arc. You'll perfect your midrange shooting techniques to sink your stationary jump shots as well as your shots coming off screens and off the dribble. Take your game to a whole new level by mastering these shooting techniques and leave your opponents confused and frustrated. Let *Better Basketball Shooting: Improving Free Throws and Midrange Jump Shots* take you from being a mere shooter to becoming a reliable scorer. The mini e-book *Better Basketball Shooting: Improving Free Throws and Midrange Jump Shots* is an abridged version of the comprehensive book *Basketball Shooting* (Human Kinetics, 2012).

Swish Mark Stewart, Mike Kennedy, 2017-01-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! From three-pointers to slam dunks, *Swish: The Quest for Basketball's Perfect Shot* goes beyond the record books and explores all aspects of making a basket. This book features amazing shots, player profiles, and tons of trivia. Authors Mark Stewart and Mike Kennedy cover basketball from the late 1800s to modern times, showcasing top male and female players both at the college level and in the pros.

The Art of Shooting Baskets Ted St. Martin, Frank Frangie, 1992 Presents tips for improving basketball shooting skills, with sections on free throws, jump shots, layups, slam dunks, and hook shots.

Shoot Like the Pros Adam Filippi, 2011-02-01 Shooting is the most important fundamental skill in basketball, but despite being the skill players are the most willing to practice, shooting technique is perhaps the least-taught fundamental of the game. In addition, there are very few instructional basketball books dedicated exclusively to shooting. *Shoot Like the Pros* is perhaps the most detailed analysis of shooting mechanics, covering every aspect of shooting, ever published. Divided into seven sections, it covers shooting mechanics, the mental aspects of shooting, free throws, game situations, strength and conditioning, teaching methods, and finally workout drills for advanced levels. Including tips from some of the NBA's biggest stars, this is a book that will give both players and coaches at all levels proper direction on how to improve shooting technique.

Basketball Shot Charts - Full Court - 200 Pages Tout Journals, 2019-10-23 Track every shot that your basketball team takes with this blank shot chart scorebook. This book is filled with 200 pages of scoring sheets that allow you to keep track of the shooting for two teams. Each page represents a different game. Keep a detailed account of field goal attempts, field goals made, turnovers and shot location. Easily calculate field goal percentage after a game of keeping score. You also have the option of using a new sheet for each half. Keep all your shot charts in one location with this easy to carry around book. Shot charting is an effective method used by many basketball coaches as a teaching tool for their players. Identify areas of strength for each player and team. Easily figure out which shots your team and players should be working for. Shot charting also helps coaches show their players the shots that they should be taking more often with data to back it up. If using a shot charting app is too complicated, you can use this book and have someone else put the shots in an app later on. Shot selection has been identified as a key component of today's game of basketball. Taking the best shots every game and limiting turnovers is a key to victory for many teams. Use this important tool in practice or on game day.

The Origins of the Jump Shot John Christgau,1999-01-01 Looks at basketball's evolution and the supposed inventors of the jump shot

Rise and Fire Shawn Fury,2016-02-23 It's hard to believe that there was a time when the jump shot didn't exist in basketball. When the sport was invented in 1891, players would take set shots with both feet firmly planted on the ground ... It took almost forty years before players began shooting jump shots of any kind and sixty-five years before it became a common sight. When the first jump shooting pioneers left the ground, they rose not only above their defenders, but also above the sport's conventions. The jump shot created a soaring offense, infectious excitement, loyal fans, and legends ... [This book] celebrates this crucial shot while tracing the history of how it revolutionized the game, shedding light on all corners of the basketball world--

The Last Shot Darcy Frey,2004 It ought to be just a game, but basketball on the playgrounds of Coney Island is much more than that -- for many young men it represents their only hope of escape from a life of crime, poverty, and despair. In *The Last Shot*, Darcy Frey chronicles the aspirations of four of the neighborhood's most promising players. What they have going for them is athletic talent, grace, and years of dedication. But working against them are woefully inadequate schooling, family circumstances that are often desperate, and the slick, brutal world of college athletic recruitment. Incisively and compassionately written, *The Last Shot* introduces us to unforgettable characters and takes us into their world with an intimacy seldom seen in contemporary journalism. The result is a startling and poignant expose of inner-city life and the big business of college basketball.

Outside Shot Keith O'Brien,2013-01-15 Documents the efforts of the coach and four seniors from the once-prestigious Scott County High School basketball team in Kentucky to recover from a slump related to the economy, racial and religious tensions, and other community divides.

Outside Shot Fred Bowen,2018-05-29 An eighth-grade basketball player has amazing shooting talent but could use a little team spirit in this novel "bound to engage and entertain young readers" (School Library Journal). Richie Mallon is known as "the shooter"—the one on the team who scores most of the baskets. Every day he practices at his driveway hoop, perfecting his technique. Richie never plays any other roles on the court, leaving it to his teammates to do the assisting and rebounding. Under a new coach, Richie makes the team, but isn't given a starting position. Then, when his shooting skills fall into a slump, he must find a way to become a more well-rounded player. With over 440,000 copies sold, Fred Bowen's Sports Story Series continues to deliver play-by-play action that's sure to keep readers on the edge of their seats.

The Basketball Shooting Guide Sidney Goldstein,1994 A detailed analysis of shooting.

Basketball Shooting Drills Hans Sanne, This is the 15:th Basketball Drills book covering Shooting Drills.

Des Flood's Basketball Shotting Skills Des Flood,1986-09

Basketball Shot Charts Andrew Burich,2019-08-04 This notebook has space for you to track your shooting workouts and journal about your experiences with basketball as you move through life. There are pages with blank basketball courts printed for you to draw where you are shooting from and blank spaces to record how many shots you made and missed when you were practicing. Hall of fame basketball coaches stress how important it is to document your makes and misses when practicing shooting in order to improve. There are also 40 pages of blank lined paper for you to journal in. At the end of the book there is a fun and effective shooting game that you can play by yourself. There are also pages to record your scores. You would be best to use this book daily in the offseason to improve your shooting. If you have a goal to make a certain number of shots in a summer or maybe in a month, this journal will allow you to keep track. I hope you enjoy the book and see benefits from journaling about basketball.

What Does a Shooting Guard Do? Paul Challen,2016-07-15 Most basketball teams use two guards: a point guard and a shooting guard. A shooting guard has many responsibilities on the basketball court. They're known for their ability to shoot the ball as well as their defensive skills. Readers learn about these and other skills and strategies essential to a shooting guard's game as they explore this important position on the basketball court. Exciting, full-color photographs of

shooting guards keep readers entertained as they learn through detailed text and helpful fact boxes. Readers will even learn the secrets behind some of the most creative shots basketball players can take!

From Set Shot to Slam Dunk Charles Salzberg, 1998-03-01 Basketball in its early years was rough and rowdy, on the courts and off. Players had names like Feets Broudy, Sweetwater Clifton, and Easy Ed Macauley. There was no twenty-four-second clock, no jump shot, and only one referee, and fouls were called only for real injury. But from the very start the game won fans. From Set Shot to Slam Dunk brings back the glory days of basketball as lived by fifteen old-time players and officials.

Fifteen Feet for Free Jim Lee, 2012-02-22 Jimmy Lee was the best shooter from 15-feet I have ever seen. If he got his shot, he made it. Early, middle, or late in games it did not matter when. Jimmy had great fundamentals, he worked hard and he shot the ball with great confidence. He was so consistent; if he missed a shot you thought it was an accident. His thoughts and techniques can help anyone improve their free throw shooting Jim Boeheim Head Coach at Syracuse University, Naismith Basketball Hall of Fame, Class of 2005; 2008 Olympic Gold Medal, Team USA, 2010 World Championship Gold Medal, Team USA; 2010 Division I Coach of the Year Jim Lee and I were contemporaries at Syracuse. He played in the games I talked about them. I remember him as a clutch shooter (in the 1975 NCAA Tournament, his 18-footer with 3 seconds left upset North Carolina, and paved the way for Syracuse's first trip to the Final Four). Since Jimmy was pretty close to automatic from the foul line, just about every player, at every level, can benefit from his advice and proven approach. Bob Costas NBC Sports This is a rare book, because Jim is able to weave together invaluable skills instruction with a very personal and informative story about his relationships with teammates, coaches, and most importantly his family. Jim's father, as both a veteran and a person with disabilities, clearly served as an exemplar for Jim with regard to how he approached basketball and how he approached life. This is clearly illustrated by the fact that Jim has committed to leverage the proceeds from sales of this book to improve the lives of this generation of veterans with disabilities. On so many levels, Jim's book is powerfully positioned to impart lessons about basketball and life that are meaningful and timeless. Mike Haynie, PhD Executive Director, Institute for Veterans and Military Families, Syracuse University; Barnes Professor of Entrepreneurship, Whitman School of Management, Syracuse University Fifteen Feet For Free is an easy read for all ages. It can be very helpful for kids just beginning their basketball days, and I can see a great benefit for more experienced players. The fundamental instructions in this book can easily improve a player's free throw percentage. Morgan Wootten 1,274 wins as Head Basketball Coach at DeMatha HS; Naismith Basketball Hall of Fame, Class of 2000; National Coach of the 20th Century; Four-time recipient of National Coach of the Year; 10-time recipient of Coach of the Year in the Washington D.C. Area The fundamentals of great free throw shooting are in complete alignment with the values of practice, repetition, goal setting, and mental calm that successful business people employ. Jim gets this and writes about it in an amazingly real and compelling way. Mike Perlis President and CEO, Forbes Media

Basketball Shot Introduction

In the digital age, access to information has become easier than ever before. The ability to download Basketball Shot has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Basketball Shot has opened up a world of possibilities. Downloading Basketball Shot provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows

for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Basketball Shot has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Basketball Shot. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Basketball Shot. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution

of content. When downloading Basketball Shot, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Basketball Shot has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
