Kimberly Gatto

LeBron James Kimberly Gatto,2011-01-01 A biography of basketball player LeBron James, highlighting his charitable work.

Skywalking Jeff Rud,1999 Rud, who has a lively, engaging writing style which allows the 10 players to emerge as individuals, has selected his subjects well. They come from a variety of backgrounds, and, if the book has a message for adolescents, it is that there is no single path to a professional career in basketball. With each player, Rud shows how s/he overcame obstacles in order to play basketball professionally. Of the group, likely Canada's Steve Nash, the Vancouver Grizzlies' Shareef Abdur-Rahim, and the Toronto Raptors' Vince Carter will be the names with the highest reader recognition amongst average Canadian youth. Though hockey books may still dominate the sport shelves, definitely make a place for Skywalking. Highly Recommended. -Canadian Materials

Bird Watching Larry Bird,Jackie MacMullan,1999-12-14 Larry Bird captured the imagination and admiration of basketball fans throughout his thirteen-year career with the Boston Celtics with his trademark style of creative, intelligent, exciting, and hard-nosed play. And then, last year in his rookie season as head coach of the Indiana Pacers, he infused the team with these same qualities -- and the results were remarkable. He turned around a slumping franchise and led the Pacers to the conference finals. To finish off a great season, Bird was named the NBA's Coach of the Year -- quite an accolade for Bird, who had never coached before and surprised many fans with his unusual and unorthodox coaching methods. This book is a look into one of the greatest minds to have ever stepped on a hardwood court. Larry Bird shares his inner thoughts on basketball that to date only his Celtic teammates and Pacers players have been privy. From dissecting offensive and defensive strategies to assessing the talent of NBA players; from sharing the genesis of his coaching philosophies to how he deals with today's overpriced and temperamental players, it's all there. This book is Larry Bird's basketball playbook, and it's the one book every basketball fan will want to read. Cover design by Tom Tafuri Cover photograph by Glenn James/NBA Photos
