**FreeDarko Presents: The Macrophenomenal Pro Basketball Almanac** Bethlehem Shoals, Dr. Lawyer IndianChief, Silverbird 5000, 2008-11-18 Unlike regimented football or stats-happy baseball, The National Basketball Association is above all else a league of characters. Over the course of a season, games are, of course, won or lost, but for millions of devoted fans, the final

result is almost incidental to the way the league's best players perform on - and off - the court. This book is the indispensable companion to today's game - a roundball Rosetta Stone that hilariously decodes the trends and tendencies of this enormously popular game. The NBA of the moment is a league of hugely charismatic celebrities, crackling aesthetic intrigue, socio-political undercurrents, and raw humanity: every Kobe Bryant pump-fake or LeBron James dunk symbolizes the changing landscape of professional sports and holds within it a Shaq-sized load of meaning. Fans who know the sport recognize how much more there is to basketball than, well, basketball. The Macro-Phenomenal Pro Basketball Almanac is a brilliantly illustrated guide to this tumultuous and exciting landscape. It explains what each player--from Tim Duncan and Gilbert Arenas to Amare Stoudemire and Lamar Odom--reveals, through their play and conduct, about who they are and, more importantly, who the fans want them to be. Like the game it celebrates, The Macro-Phenomenal Pro Basketball Almanac is simultaneously authentic and cerebral, funny and accessible, wholly original, and always entertaining.
