Siberian Huskies For Dummies Diane Morgan, 2011-03-16 Bred for loyalty, strength and endurance, the easy-going and sociable Siberian Husky is a very pure and ancient breed, dating back 4,000 years or more. First bred by the Chukchis, a semi-nomadic people of northeastern Siberia, to hunt reindeer and pull sleds, the Siberian is an active breed that loves the outdoors. Prized for their great beauty, intelligence, wonderful way with children and lack of "dog smell," they are also more free-spirited (and free-ranging) than many other popular breeds, and have a reputation for stubbornness and

relentlessness in pursuit of a goal. Is this breed right for you and your family? *Siberian Huskies For Dummies* answers this and all your questions about getting, caring for and living with a Husky. Siberian devotee—she has eight of her own—Diane Morgan gets you up and running with what you need to know to: Find and deal with reputable breeders Choose the right Husky for you Hou sebreak and socialize your new puppy Educate yourself and your dog Handle behavioral problems Participate in competitions In friendly, down-to-earth language, Diane provides insights into the Siberian Husky temperament and loads of sensible, easy-to-follow advice on everything a Husky owner should know—along with fun facts and Husky trivia, amusing and informative anecdotes, and tips on how to have a great time with your Husky. Topics covered include: Understanding what makes the Siberian different from every other breed Deciding whether a male or female is right for you Understanding how to communicate with your Siberian Husky Training your Siberian Husky Grooming your Siberian Finding and establishing a good relationship with a veterinarian Breaking bad habits in your Husky Feeding and exercising your Siberian Husky Recognizing, preventing and treating common health problems Getting your Husky into sledding The indispensable guide for you and your Siberian Husky, *Siberian Huskies For Dummies* is the only book you'll need to help you have the best possible experience with this very ancient and venerable breed of dog.

Tails of Basset Rescue Christine Bly, 2012 In *Tails of Basset Rescue*, you will peer into both

the hearts and souls of human and animal alike as they journey together from abuse and neglect to a new life of value and safety.

Out Cold Tom Schreck, 2022-07-25 When Karl, the schizophrenic, ex-GI with post traumatic issues shows up on Duffy's caseload talking about governmental conspiracy predictions Duff takes it in stride. When Karl's terrorist predictions start coming true and he prattles on about the motives of defense contractors, security firms and the profits of war, Duff begins to pay attention. But when Duff suffers his own traumatic brain injury getting knocked out in the ring, Karl doesn't look so crazy any more. With his own sanity on the line Duffy, Al and Karl travel across the country to foil the terrorists at the Notre Dame football opener and the Columbine-type massacre. Oh yeah, and in the meantime there s that evil basset hound puppymill to deal with. Step into the ring for round three and join Duffy, Al the basset hound, that collection of lovable drunks, the Fearsome Foursome for their greatest adventure yet. Pull up a bar stool, crack a cold Schlitz, let Elvis light up the jukebox and get ready for the most therapeutic social worker moonlighting as a pro boxer. When Duffy hears the bell everyone should keep their guard up. Praise for OUT COLD: "Out Cold floored me with a quick one two of the serious and seriously funny. Schreck's unique blending of the absurd and the sublime along with his rather oddball cast of characters makes Out Cold a great read." —Reed Farrel Coleman, two-time Shamus Award winning author of Empty Ever After "Out Cold is a fast, funny, rip-roaring read, and

Shreck's wit and humor shines through on every page. But what I love most about Schreck's creation, Duffy Dombrowski, is the decency and dignity with which he treats the unforgettable cast of loonies, addicts, and criminals who parade through his office. I haven't cared this much about a protagonist in a good long while. Duffy is real hero and a true original." –Blake Crouch, author of Abandon "Tom Schreck will knock you to the mat with a sucker punch of laughs. Out Cold is an expert one-two combination of humor and humanity." –Mario Acevedo, author of Jailbait Zombie
