The Dare Harley Laroux,2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

The Sexual State of the Union Susie Bright,1998-03-24 Lust brings out the liar in everyone. Every erection has Pinocchio written up and down its length—yes, everybody wants to be REAL, a real boy, an honest woman, unafraid and upright—but then desire, the ultimate honesty, does us in. Desire doesn't give a whit about shame. Our secrets, our exaggerations and distractions, it's all just a lot of twisting in the wind as far as sex is concerned—what we want WILL come out. Is our sexuality a basic, good, and precious thing that somehow became terribly misunderstood? Or is there something really evil out there in Sex Land that attaches itself to our libidos and is only held back by vigilance and caution? asks Susie Bright in her bestselling book The Sexual State of the Union. Bright pushes the borders of propriety until they blur and become irrelevant in the face of our inherent need to touch and be touched. With candor and passion, Susie Bright proves that sexual knowledge can indeed be salvation and inspiration.

My Sister the Vampire #1: Switched Sienna Mercer,2009-03-03 Don't miss this fun tween vampire series, featuring regular girl Olivia and goth girl Ivy! When Olivia Abbott moves to town, she's excited to join the cheerleading team and make new friends. Then she meets Ivy Vega. At first, Ivy, pale and dressed all in black, looks like Olivia's opposite. Then the girls look beyond the glittery pink blush and thick black eyeliner to discover they're identical—identical twins! Olivia and Ivy are brimming with plans to switch places and pull every twin trick in the book. But Olivia soon discovers that she and Ivy aren't exactly the same. Ivy's a vampire. And she's not the only one in town. “Cute caper. For those who crave vampire lite, the novel features likable heroines and comical scenarios.” (Publishers Weekly)

Echoes of Silence Anne Malcom,2021-04-16 People make love seem complicated. Intricate. Novels try to capture its intensity; music tries to rein in its soul.I've read every novel I could. I've lived and breathed every song that I could listen to. The sounds fill my unquiet mind.Then he came.Killian.He brought with him the beauty of silence that echoes through my soul and showed me love isn't complicated. It's simple. Beautiful.Some say love at first sight doesn't exist, that you can't find your soul mate at sixteen years old. Those are people rooted in reality, chained to the confines of life that dictates how you are meant to think. Killian broke those chains. He broke everything, shattered it so I can see that reality is overrated, that daydreams can somehow come to life.My life tumbled into darkness in the time after I met him, so dark I'm not sure I'll ever see the light again. But he is always at my side. His life means he knows how to navigate the dark and he can lead me out.I waded through the darkness with him at my side.We'll be together forever; I'm certain of that.Until I'm not.Note: This is book one of two. Killian and Lexie's story does not end here and will be continued in a following book.
