How to Parent Your Anxious Toddler Natasha Daniels, 2015-09-21 Why does your toddler get upset when his or her routine is disrupted? Why do they follow you from room to room and refuse to play on their own? Why are daily routines such as mealtimes, bath time, and bed time such a struggle? This accessible guide demystifies the difficult behaviors of anxious toddlers, offering tried-and-tested practical solutions to common parenting dilemmas. Each chapter begins with a real life example, clearly illustrating the behavior from the parent's and the toddler's perspective.
