Beth Seversen

Bayside Beach Easter Susannah Kade, Sharyn Swanepoel, Debra Ann, 2022-03-26 A romance anthology set in a beachside apartment block.

Bayside's Most Unexpected Bride Kerri Carpenter, 2018-01-01 In this romantic comedy, a journalist confronts his feelings for his best friend when he must reveal her secret identity to their small hometown. Word on the street is that Sawyer Wallace, editor in chief of Bayside's financially strapped local paper, has been offered a hot deal to save the Bayside Bugle! All he's got to do is reveal the identity of the Bayside Blogger. Even if doing so means losing Riley Hudson, his oldest friend—the woman who lately has him rethinking his single status! Riley's just as crazy about her best bud and boss—which is why she's always kept him at a distance. Plus, only Sawyer knows her real identity. Talk about compromising positions . . . Would revealing the truth destroy their chance at leaving the friendzone? Or perhaps there will be wedding bells for this couple, who truly are meant for each other!

The Photo that Connects Fátima, Garabandal, Akita and Bayside Sean Murphy, 2022-07-13 The Jacinta 1972 photo has remained a mystery for over 50 years. The dates of the Garabandal warning, Garabandal miracle and the end of the world would remain obscure until we had arrived at this crucial time. The Garabandal warning in which two asteroids will impact Earth will prepare human consciousness for the coming Garabandal miracle, which is a direct encounter with God. The date of the end of the world is graduation day for all of humanity. The author has been collating information for almost two decades that would become pertinent to solving the puzzle. The dates provided in this book which will reverberate around the world, present an opportunity to prepare for the most important time in recent human history.

Bayside Romance (Bayside Summers #5) Love in Bloom Contemporary Romance Melissa Foster,2019-09-18 After a string of bad luck, Harper runs into one man she can't forget. He's hot, smart, and oh-so romantic, but is he the one? Or is he the next in line to break her heart? Bayside Summers is a series of

standalone steamy romance novels that may also be enjoyed as part of the larger Love in Bloom big-family romance collection. In USA Today bestseller BAYSIDE ROMANCE... When screenwriter Harper Garner got a shot at the big-time in LA, she celebrated her brave cross-country move with her first and only one-night stand—connecting so deeply with the sexy, brilliant man, she broke the number-one rule of one-night stands and left her phone number. Not hearing from him was only the first in a long line of hope-shattering, confidence-busting blows. Ten months later, Harper is done with men and done with LA. She pulls up her big-girl panties and heads home to Cape Cod to start over. On the surface, interior designer Gavin Wheeler has it all: a successful business, a loving family, and a close-knit group of friends. But Gavin once endured a heartbreak so painful, he was sure he'd never feel anything for a woman again. A chance encounter at a music festival with a gorgeous, down-to-earth blonde proved him wrong, but when morning came, the woman who made him crave more was gone. A serendipitous evening reunites Harper with her devastatingly delicious one-night stand, and the connection is just as intense as she remembered. Harper's life is too unsettled for a relationship, but Gavin is determined to help her find her way, especially if it leads straight to his heart. Moonlight conversations lead to steamy kisses, and as romance blooms, it stirs a love too real to deny. But when Gavin's past collides with the life they're building, it has the power to ruin everything. ** Binge read more of the Love in Bloom series! Filled with heat, humor, heart, and always a happily ever after, these steamy romances are perfect summer or winter reads! Characters from each series books appear in other Love in Bloom books. Topics vary: Small town, big city, vacation love, workplace love, family romance, billionaire romances, friends to lovers, second change love, forbidden love, out of the blue, firefighters, and more! Bayside Alison McKay, 2008-07 In 1824, a wealthy shipping merchant by the name of Abraham Bell purchased 245 acres in the area now known as Bayside. He created an upper and lower

farm, bisected them with a country lane now called Bell Boulevard, and with this Bayside began to develop. Over the generations, Bayside evolved from its beginnings as a rural farming community to a resort destination with lavish estates that lined the shore of Little Neck Bay. Later the town was transformed again into a commuter suburb touted by real estate developers for its scenic beauty and convenient location. Bayside chronicles the community's ever-changing history through this collection of vintage photographs culled from the Bayside Historical Society's archives.

Not Done Yet Beth Seversen, 2020-07-28 Nones claim no religion. Dones have become disillusioned and left the church. Research shows many young adults are landing in one of these camps. But that's not the end of the story. Many emerging adults, ages eighteen to thirty-three, are tossing aside the none and done labels and are instead embracing a transformative Christian faith. Based on her extensive research, scholar-practitioner Beth Seversen outlines a model for how to engage and retain millennials and Generation Z in the life of the local church. Emerging adults are likely to experience spiritual transformation in churches that welcome them into community, provide meaningful opportunities to make a difference, and invest in their development. Whether you're a senior pastor or a youth minister, a parent or an educator, **Not Done Yet** will open your eyes to the generational barriers to vibrant faith while equipping you with insights to make your outreach to emerging adults more authentic and impactful.

Public School 411 Elementary now must deal with the changes to their lives this virus has caused. Selwyn is on his way to see Principal Jones before reading the morning announcements. The Bayside Bunch are worried about the information in Principal Jones's note to parents. They all think Selwyn has read it, but he will not say what was in it. What did the Principal's note say? Why is Selwyn worried? How will school closure affect the children at Public School 411 Elementary? Read the funny tale Quarantined in Queens and find out.

Transnational Cultural Flow from Home Pyong Gap Min,2022-12-09 When the first wave of post-1965 Korean immigrants arrived in the New York-New Jersey area in the early 1970s, they were reliant on retail and service businesses in the minority neighborhoods where they were. This caused ongoing conflicts with customers in black neighborhoods of New York City, with white suppliers at Hunts Point Produce Market, and with city government agencies that regulated small business activities. In addition, because of the times, Korean immigrants had very little contact with their homeland. Korean immigrants in the area were highly segregated from both the mainstream New York society and South Korea. However, after the 1990 Immigration Act, Korean immigrants with professional and managerial backgrounds have

found occupations in the mainstream economy. Korean community leaders also engaged in active political campaigns to get Korean candidates elected as city council members and higher levels of legislative positions in the area. The Korean community's integration into mainstream society also increasingly developed stronger transnational ties to their homeland and spurred the inclusion of everyday Korean life in the NY-NJ area. Transnational Cultural Flow from Home examines New York Korean immigrants' collective efforts to preserve their cultural traditions and cultural practices and their efforts to transmit and promote them to New Yorkers by focusing on the Korean cultural elements such as language, foods, cultural festivals, and traditional and contemporary performing arts. This publication was supported by the 2022 Korean Studies Grant Program of the Academy of Korean Studies (AKS-2022-P-009).
