BBC Commercial Operations Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee,2009 This report investigates: the governance of the BBC's commercial arm, BBC Worldwide; the activities of BBC Worldwide, including programme sales, production, magazines and websites; BBC Worldwide's acquisition of Lonely Planet; and the possible partnership between BBC Worldwide and Channel 4. There are major benefits from the BBC undertaking commercial activities: the profits generated by the exploitation of the BBC's intellectual property can be reinvested in the BBC's public services, to the benefit of licence fee payers. But the manner in which some of the BBC's commercial revenue is generated, and the governance arrangements within which the BBC Worldwide operates, causes increasing concern. Worldwide has proved successful in recent years in exploiting new commercial opportunities, made possible by a loosening of the rules that govern the limits to its operations. However, there a balance to be drawn between Worldwide generating a return for the BBC, and limiting Worldwide's operations in order to ensure it upholds the BBC's reputation and does not damage its commercial competitors. Worldwide's minority stakes in overseas production companies, its controversial acquisition of Lonely Planet, and its growing portfolio of magazines, suggest that the balance has been tipped too far in favour of Worldwide's unrestricted expansion, jeopardising the reputation of the BBC and having an adverse impact on its commercial competitors. It is in the interests of the UK's creative economy as a whole that BBC Worldwide's activities are reined back. The BBC Trust should reinstate the rule that all BBC commercial activity must have a clear link with core BBC programming.

Match of the Day 2010 Kevin Pettman,Ian Foster,2009-10-01 Where does Rooney stand in the order of World Strikers? Is Cech better than Casillas? Where does Gerrard rate against Vieira? Using its unique form guide, the MOTD Annual answers these crucial questions and many more, running down the top 50 deadliest strikers, the 50 meanest defenders, the 50 classiest midfielders and the top 25 keepers in the world. Also including the most detailed guide around to the Premiership clubs, plus interviews with top players, footballing insights from the MOTD presenters, and a guide to Euro 2008, it offers incredible value and genuinely new and exclusive information for discerning football fans. Everything that you would expect from a sporting brand as mighty as Match of the Day. The MOTD Annual was conceived two years ago by one-man band Terry Pratt, a former publisher of current football annual market-leader Match. With the Match Annual starting to look tired, but still hitting sales of 250,000, Terry spotted an open goal. He drafted in old colleague and former Match managing editor Chris Hunt, and together they created a far superior product and launched it under a much stronger brand. Terry was rewarded with 250% sales growth from year one to two, and third place in the Football Annual bestsellers chart, behind only Match and Shoot. After this excellent launch, and with the same team now packaging the Annual for BBC Books, we are perfectly placed to take it all the way to the top.
