

Bdb At Work Mobile

J.R. Ward

The Microfinance Revolution Marguerite S. Robinson, 2001 ??? ... Microfinance is the method whereby financial services and credit is made available to the economically active but low income people of developing countries. This book focusses on three key aspects of the phenomenon: 1) the shift from government- and donor-subsidized credit delivery systems to self-sufficient, sustainable microfinance institutions; 2) the results on the ground, on the way in which microfinance helps people expand and diversify their enterprises, increase their incomes, raise their living standards and those of their families, and boost their self-confidence; 3) the theoretical frameworks that had previously impeded the microfinance revolution, with suggestions for their improvement.

QST., 1915

The Microfinance Revolution Marguerite Robinson, 2001-06-01 Around the world, a revolution is occurring in finance for low-income people. The microfinance revolution is delivering financial services to the economically active poor on a large scale through competing, financially self-sufficient institutions. In a few countries this has already happened; in others it is under way. The emerging microfinance industry has profound implications for social and economic development. For the first time in history, capital is well on its way to being democratized. 'The Microfinance Revolution', in three volumes, is aimed at a diverse readership - economists, bankers, policymakers, donors, and social scientists; microfinance practitioners and specialists in local finance and rural and urban development; and members of the general public interested in development. This first volume, 'Sustainable Finance for the Poor', focuses on the shift from government- and donor-subsidized credit systems to self-sufficient microfinance institutions providing voluntary savings and credit services.

The Jackal J.R. Ward,2020-08-18 The #1 New York Times bestselling author of The Sinner brings another hot adventure of true love and ultimate sacrifice in the Black Dagger Brotherhood world. The location of the glymera's notorious prison camp was lost after the raids. When a freak accident provides Nyx clues to where her sister may still be doing time, she becomes determined to find the secret subterranean labyrinth. Embarking on a journey under the earth, she learns a terrible truth—and meets a male who changes everything, forever. The Jackal has been in the camp for so long he cannot recall anything of the freedom he once knew. Trapped by circumstances out of his control, he helps Nyx because he cannot help himself. After she discovers what happened to her sister, getting her back out becomes a deadly mission for them both. United by a passion they can't deny, they work together on an escape plan for Nyx—even though their destiny is to be forever apart. And as the Black Dagger Brotherhood is called upon for help, and Rhage discovers he has a half-brother who's falsely imprisoned, a devious warden plots the deaths of them all...even the Brothers.

Applications of Artificial Intelligence in Business, Education and Healthcare Allam Hamdan,Aboul Ella Hassanien,Reem Khamis,Bahaaeddin Alareeni,Anjum Razzaque,Bahaa Awwad,2021-07-12 This book focuses on the implementation of Artificial Intelligence in Business, Education and Healthcare, It includes research articles and expository papers on the applications of Artificial Intelligence on Decision Making, Entrepreneurship, Social Media, Healthcare, Education, Public Sector, FinTech, and RegTech. It also discusses the role of Artificial Intelligence in the current COVID-19 pandemic, in the health sector, education, and others. It also discusses the impact of Artificial Intelligence on decision-making in vital sectors of the economy.

Lover Arisen J.R. Ward,2022-04-05 The next dark and sexy installment in the bestselling vampire series, The Black Dagger Brotherhood.

Robert Smithson Ann Reynolds,2004-10-01 An examination of the interplay between cultural context and artistic practice in the work of Robert Smithson. Robert Smithson (1938-1973) produced his best-known work during the 1960s and early 1970s, a period in which the boundaries of the art world and the objectives of art-making were questioned perhaps more consistently and thoroughly than any time before or since. In Robert Smithson, Ann Reynolds elucidates the complexity of Smithson's work and thought by placing them in their historical context, a context greatly enhanced by the vast archival materials that Smithson's widow, Nancy Holt, donated to the Archives of American Art in 1987. The archive provides Reynolds with the remnants of Smithson's working life—magazines, postcards from other artists, notebooks, and perhaps most important, his library—from which she reconstructs the physical and conceptual world that Smithson inhabited. Reynolds explores the relation of Smithson's art-making, thinking about art-making, writing, and interaction with other artists to the articulated ideology and discreet assumptions that determined the parameters of artistic practice of the time. A central focus of Reynolds's analysis is Smithson's fascination with the blind spots at the center of established ways of seeing and thinking about culture. For Smithson, New Jersey was such a blind spot, and he returned there again and again—alone and with fellow artists—to make art that, through its location alone, undermined assumptions about what and, more important, where, art should be. For those who guarded the integrity of the established art world, New Jersey was elsewhere; but for Smithson, elsewheres were the defining, if often forgotten, locations on the map of contemporary culture.

Lover Unveiled J.R. Ward,2021-04-20 In this heart-pounding installment in J.R. Ward's #1 New York Times bestselling series, a long-lost member of the Black Dagger Brotherhood finds true love—and evil incarnate—in Caldwell, New York. Sahvage has been living under the radar for centuries—and he has every intention of staying “dead and buried.” But when a civilian female sucks him into her dangerous battle with an evil as ancient as time, his protective side overrides his common sense. Mae has lost everything, and desperation sets her on a collision course with fate. Determined to reverse a tragedy, she goes where mortals should fear to tread—and comes face-to-face with the Brotherhood's new enemy. She also discovers a love she never expected to find with Sahvage, but there can be no future for them. Knowing they will part, the two band together to fight against what Mae

unknowingly unleashed—as the Brotherhood closes in to reclaim one of their damned, and evil vows to destroy them all...
