James McBride, 2013-08-20 Henry Shackleford is a young slave living in the Kansas Territory in 1857, the region a battlefield between anti and pro slavery forces. When John Brown, the legendary abolitionist, arrives in the area, an

argument between Brown and Henry's master quickly turns violent. Henry is forced to leave town with Brown, who believes Henry is a girl. **Brown Bag Lessons** Don Alexander, Eric R Jaren, 2012  
Brown Bag Lessons, The Magic of Bullet Writing centers on effective bullet writing and guarantees immediate improvement. Skillful writing doesn't have to be difficult. No other book approaches writing the way this book does, and no other book teaches these techniques. After reading this book, you will fully understand how to write strong bullets and why every word matters. In 2003 the author created a seminar to teach a fair and consistent process to evaluate recognition packages. This seminar transformed an entire organization within six months. Since then, the techniques have decisively transformed the writing, recognition, and promotions of every organization applying them. The practices in this book continue to positively impact the Air Force and sister services through professional military education. In addition, the concepts have helped transitioning service members and college students better communicate acquired capabilities and competencies on their résumés. Read on to discover the magic and open your eyes to a brand new way to look at writing. The US Air Force promotion system emphasizes the importance of documenting your very best accomplishments. Under this system, promotion comes from the most recent performance reports, so Airmen must communicate the best accomplishments and not just words that fill the white space. This Magic of Bullet Writing will ensure you know how to articulate not just what you are doing but also convey your strongest competencies and

capabilities so the promotion board can fully assess your readiness for promotion. Training materials that correspond to the lessons in this book are available for free download at <http://www.brownbaglessons.com>. Are you ready for the magic?

*A Gathering of Secrets* Linda Castillo,2018-07-10 A deadly fire exposes the dark side of Amish life in *A Gathering of Secrets*, a harrowing new thriller in the New York Times bestselling series (July 2017) by Linda Castillo. When a historic barn burns to the ground in the middle of the night, Chief of Police Kate Burkholder is called in to investigate. At first, it looks like an accident, but when the body of eighteen-year-old Daniel Gingerich is found inside—burned alive—Kate suspects murder. Who would want a well-liked, hardworking young Amish man dead? Kate delves into the investigation only to find herself stonewalled by the community to which she once belonged. Is their silence a result of the Amish tenet of separation? Or is this peaceful and deeply religious community conspiring to hide a truth no one wants to talk about? Kate doubles down only to discover a plethora of secrets and a chilling series of crimes that shatters everything she thought she knew about her Amish roots—and herself. As Kate wades through a sea of suspects, she's confronted by

her own violent past and an unthinkable possibility.

**A Shout in the Ruins** Kevin Powers, 2018-05-15 Set in Virginia during the Civil War and a century beyond, this novel by the award-winning author of *The Yellow Birds* explores the brutal legacy of violence and exploitation in American society. Spanning over one hundred years, from the antebellum era to the 1980's, *A Shout in the Ruins* examines the fates of the inhabitants of Beauvais Plantation outside of Richmond, Virginia. When war arrives, the master of Beauvais, Anthony Levallos, foresees that dominion in a new America will be measured not in acres of tobacco under cultivation by his slaves, but in industry and capital. A grievously wounded Confederate veteran loses his grip on a world he no longer understands, and his daughter finds herself married to Levallos, an arrangement that feels little better than imprisonment. And two people enslaved at Beauvais plantation, Nurse and Rawls, overcome impossible odds to be together, only to find that the promise of coming freedom may not be something they will live to see. Seamlessly interwoven is the story of George Seldom, a man orphaned by the storm of the Civil War, looking back from the 1950s on the void where his childhood ought to have been. Watching the government destroy his neighborhood to build a stretch of interstate highway through Richmond, he travels south in an attempt to recover his true origins. With the help of a young woman named Lottie, he goes in search of the place he once called home, all the while reckoning with the more than 90 years he lived as witness to so much that changed during the 20th century, and so much that didn't. As we then watch Lottie grapple with life's disappointments and joys in the 1980's, now in her own middle-age, the questions remain: How do we live in a world built on the suffering of others? And can love exist in a place where for

400 years violence has been the strongest form of intimacy? Written with the same emotional intensity, harrowing realism, and poetic precision that made *The Yellow Birds* one of the most celebrated novels of the past decade, *A Shout in the Ruins* cements Powers' place in the forefront of American letters and demands that we reckon with the moral weight of our troubling history.

**Don't You Dare** A.J. Waines, 2018-05-08 International Bestselling Author: A mother and daughter share a murderous secret—and may turn on each other—in this twisting psychological thriller... When barmaid Rachel discovers her soon-to-be-married daughter, Beth, pinned down by a stranger in the pub cellar, Rachel lashes out in panic and the intruder ends up dead. In desperation, Rachel convinces Beth they should cover up the crime and go ahead with the planned wedding in one month's time. Rachel, however, has her own reasons for not involving the police. Hiding their dreadful secret is harder than they both imagined, and as the big day approaches and the lies multiply, Beth becomes a liability. Rachel looks on in dismay at a pre-wedding celebration as Beth, after too many drinks, declares she's about to make an announcement. But before Beth can say a word, she disappears... "A page-turner from start to finish."—Sue Featherstone, *Book Lovers' Booklist*

*Doc Holliday* Gary L. Roberts, 2011-05-12 You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday. - Publishers Weekly An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West. - Booklist In *Doc Holliday: The Life and Legend*, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West,

drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history.

*Taking Stock of Industrial Ecology* Roland Clift, Angela Druckman, 2015-12-11 How can we design more sustainable industrial and urban systems that reduce environmental impacts while supporting a high quality of life for everyone? What progress has been made towards reducing resource use and waste, and what are the prospects for more resilient, material-efficient economies? What are the environmental and social impacts of global supply chains and how can they be measured and improved? Such questions are at the heart of the emerging

discipline of industrial ecology, covered in *Taking Stock of Industrial Ecology*. Leading authors, researchers and practitioners review how far industrial ecology has developed and current issues and concerns, with illustrations of what the industrial ecology paradigm has achieved in public policy, corporate strategy and industrial practice. It provides an introduction for students coming to industrial ecology and for professionals who wish to understand what industrial ecology can offer, a reference for researchers and practitioners and a source of case studies for teachers.

**Lightning Men** Thomas Mullen, 2017-09-12 From the acclaimed author of “the most compelling new series in crime fiction” (Michael Koryta, New York Times bestselling author) comes “a sharply observed novel” (New York Times) that explores race, law enforcement, and justice in mid-century Atlanta. Officer Denny Rakestraw and “Negro Officers” Lucius Boggs and Tommy Smith have their hands full in an overcrowded and rapidly changing Atlanta. It’s 1950 and racial tensions are simmering as black families, including Smith’s sister, begin moving into formerly all-white neighborhoods. When Rake’s brother-in-law launches a scheme to rally the Ku Klux Klan to “save” their neighborhood, his efforts spiral out of control, forcing Rake to choose between loyalty to family or the law. Across town, Boggs and Smith try to shut down the supply of white lightning and drugs into their territory, finding themselves up against more powerful foes than they’d expected. Battling corrupt cops and ex-cons, Nazi brown shirts and rogue Klansmen, the officers are drawn closer to the fires that threaten to consume the city once again. With echoes of Walter Mosley and Dennis Lehane, Mullen “expands the boundaries of crime fiction, weaving in eye-opening details from our checkered history” (Chicago

Tribune).

**An Affair of Spies** Ronald H. Balson, 2022-09-13 From the winner of the National Jewish Book Award—Ronald H. Balson's *An Affair of Spies* tells of a spy mission to rescue a defector from Germany and prevent the Nazis from creating an atomic bomb. Nathan Silverman grew up in Berlin in the 1920s, the son of a homemaker and a theoretical physicist. His idyllic childhood was soon marred by increasing levels of bigotry against his family and the rest of the Jewish community, and after his uncle is arrested on Kristallnacht, he leaves Germany for New York City with only his mother's wedding ring to sell for survival. While attending an evening course at Columbia in 1942, Nathan notices a recruitment poster on a university wall and decides to enlist in the military and help fight the Nazi regime. To his surprise, he is quickly selected for a special assignment; he is trained as a spy, and ordered to report to the Manhattan Project. There he learns that the Allies are racing to develop a nuclear weapon before the Nazis, and a German theoretical physicist is hoping to defect. The physicist was a friend of his father's, and Nathan's mission is to return to Berlin via France and smuggle him out of Europe. Nathan will be accompanied by Dr. Allison Fisher, a brilliant young scientist who can speak French; he travels to her lab at the University of Chicago for a crash course in nuclear physics, then they embark on their adventure. Nathan and Allison soon develop feelings for one another, but as their relationship deepens they move ever closer to their dangerous goal. Will they be able to escape Europe with the defector and start a new life

together, or will they fail their mission and become two more casualties of war? *An Affair of Spies* is an action-packed tale of heroism and love in the face of unspeakable evil. Author Ronald H. Balson has applied his unmatched talent for evocative and painstakingly authentic storytelling to the high-stakes world of espionage and created his most thrilling novel yet.
