Boss Bitch Nicole Lapin, 2017-03-21 New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their own lives and careers. You don't need dozens or hundreds of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to be confident, savvy, and ready to get out there and make your success happen. You need to find your inner Boss Bitch – your most confident, savvy, ambitious self—and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of herself and her future and embraces being a “boss” in all senses of the word: whether as the boss of her own life, a boss at work, or the literal boss of her own company (or all three). Whichever she chooses, being a Boss Bitch isn't something to apologize for—it's something to be proud of! We all have what it takes to be a boss bitch, says Lapin. The problem is: we don't learn how to do it in school. Even if we study business, we're not getting enough real-deal business education. Until now. Here, Lapin draws on raw and often hilariously real stories from her own career and experiences starting businesses—the good, the bad, and the ugly—to show what it means to be a boss in twelve easy steps. In her refreshingly honest and relatable style, she first shows how to embrace the boss-of-you mentality by seizing the power

that comes from believing in yourself and expanding your personal skillset. Then she offers candid no-nonsense advice on how to kill it as the boss at work whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the boss of your own business—from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a rock star in your career is something that should be worn as a badge of honor. Here Lapin shows how to crush it in our careers like like a Boss Bitch!

Boss Life Paul Downs, 2016-08-02 **A Forbes Best Business Book of the Year, 2015** **Winner of the 2015 800-CEO-READ Business Book Award in Entrepreneurship** When columnist Paul Downs was approached by The New York Times to write for their “You’re the Boss” blog, he had been running his custom furniture business for twenty-four years strong. or mostly strong. Now, in his first book, Downs paints an honest portrait of a real business, with a real boss, a real set of employees, and the real challenges they face. Fresh out of college in 1986, Downs opened his first business, a small company that builds custom furniture. In 1987, he hired his first employee. That’s when things got complicated. As his enterprise began to grow, he had to learn about management, cash flow, taxes, and so much more. But despite any obstacles, Downs always remained keenly aware that every small business, no matter the product it makes or the service it provides, starts with people. He writes with tremendous insight about hiring employees, providing motivation to get the best out of them, and the difficult decisions he’s made to let some of them go. Downs also looks outward, to his dealings with vendors and to providing each client with exemplary customer service from first sales pitch to final delivery. With honesty and conviction, he tells

the true story behind building and sustaining a successful company in an ever-evolving economy, often airing his own failures and shortcomings to reveal the difficulties that arise from being a boss and a businessperson. Countless employees have told the story of their experience with managers—Boss Life tells the other side of that story.

Please Don't Sit on My Bed in Your Outside Clothes Phoebe Robinson, 2022-06-21 THE NATIONAL BESTSELLER, NOW IN PAPERBACK “Another hilarious essay collection from Phoebe Robinson.”—The New York Times Book Review “Strikes the perfect balance of brutally honest and laugh-out-loud funny. I didn’t want it to end.”—Mindy Kaling, New York Times bestselling author of *Why Not Me?* With sharp, timely insight, pitch-perfect pop culture references, and her always unforgettable voice, New York Times bestselling author, comedian, actress, and producer Phoebe Robinson is back with her most must-read book yet. In her brand-new collection, Phoebe shares stories that will make you laugh, but also plenty that will hit you in the heart and inspire a little bit of rage, and maybe a lot of action. That means revealing her perspective on performative allyship, white guilt, and what happens when

white people take up space in cultural movements; exploring what it's like to be a woman who doesn't want kids living in a society where motherhood is the crowning achievement of a straight, cis woman's life; and discussing how the dire state of mental health in America means that taking care of one's psychological well-being—aka “self-care”—usually requires disposable money. She also shares tales of her mom slowpoking before a visit with Mrs. Obama, the stupidly fake reassurances of zip-line attendants, her favorite things about dating a white person from the UK, and how the lack of Black women in leadership positions fueled her to become the Black lady-boss of her dreams. By turns perceptive, hilarious, and heartfelt, *Please Don't Sit on My Bed in Your Outside Clothes* is not only a brilliant look at our current cultural moment, it's also a collection that will stay with readers for years to come.
