Beach Santa M. B. Paradise, 2022-10-20 Ever wonder what happens on the night AFTER Christmas? You guessed it, Santa is exhausted and needs a vacation! As he heads south for some fun in the sun, he's focused on three things: catching up on sleep, catching waves, and catching a fish. But, as he finally dips his toes in the water, he catches wind about kids in need, and Santa jumps into action! He enlists the help of some old friends. In doing so, Santa ultimately ends up catching something...but it may not be what you think.

Becoming the Beach Boys, 1961-1963 James B. Murphy, 2015-06-08 They were almost The Pendletones--after the Pendleton wool shirts favored on chilly nights at the beach--then The Surfers, before being named The Beach Boys. But what separated them from every other teenage garage band with no musical training? They had raw talent, persistence and a wellspring of creativity that launched them on a legendary career now in its sixth decade. Following the musical vision of Brian Wilson, the Beach Boys blended ethereal vocal harmonies, searing electric guitars and lush arrangements into one of the most distinctive sounds in the history of popular music. Drawing on original interviews and newly uncovered documents, this book untangles the band's convoluted early history and tells the story of how five boys from

California formed America's greatest rock 'n' roll band.
