Much Loved Mark Nixon,2013-10-29 Award-winning photographer Mark Nixon has created a trove of quirky and nostalgic portraits of teddy bears and other stuffed animals that have been lovingly abused after years of play. MuchLoved collects 60 of these images along with their accompanying background tales. An exhibit in the photographer's studio led to a small sensation on the Internet when a few of the pictures circulated unofficially on scores of blogs and on many legitimate news sites. Viewers have been intrigued by the funny, bittersweet images and their ironic juxtaposition of childhood innocence and aged, loving wear and tear. When you see these teddy bears and bunnies with missing noses and undone stuffing, you can't help but think back to childhood and its earliest companions who asked for nothing and gave a lot back. Praise for Much Loved: "Much Loved is impossibly endearing in its entirety." —Brain Pickings

Confessions of a Real 'CB' Nut Bob Holt,1999-12 On the way back down 64 to Jamesville, I'd take a shortcut over to Washington going back home, I kicked around how to price Ann's Equipment. Totally oblivious to what was going on, I heard a siren. Looking in the rear-view mirror, it was full of FLASHING BLUE LIGHTS. "Holy...!" My heart started beating so fast, the draft almost took the rest of me with it. You've heard of your whole life passing before your eyes, it wasn't my life, it was my driving record. I'd just gotten the last ticket off my record, now this. The squelch broke on the CB. "Hey Cousin, you got your ears on?" Who the...? In a great sense of despair, my turn signal on and slowing down, I keyed the mike. "This is the Country Cousin." No CB lingo here. Just utter despair. "This is the Cigar Smoker, I got your back door. 10-4?" Walter Parrish!! Damn his hide. He'd just cost my 10 years of my life. He pulled up along side. I'd never seen him laugh so hard. He shook his finger at me and pulled away. "Cigar Smoker got your front door now Cousin, put the hammer down and bring her on." I planned to take the shortcut, but looking at my watch, I knew it was break-time for him. I rolled the windows down to get the smell out and followed him to the Town and Country. The guys at the "Family Table" would enjoy this.

Wallpapers in Historic Preservation Catherine Lynn,1977 The papered and bordered wall was an important feature of American interiors during the 18th, 19th, and early 20th centuries. Paper hangings, both imported and of domestic manufacture, were more widely used than many of our restored buildings might lead us to believe. This book attempts to catalog and describe the variety, as well as accounting for restoration and preservation of pieces as part of the historical record. --Amazon.
