Mafia Spies Thomas Maier,2019-04-02 From the Bestselling Author and Television Producer of MASTERS OF SEX, a True Story of Espionage and Mobsters, Based on the Never-Before-Released JFK Files, and Optioned by Warner Bros. Mafia Spies is the definitive account of America’s most remarkable espionage plots ever—with CIA agents, mob hitmen, “kompromat” sex, presidential indiscretion, and James Bond-like killing devices together in a top-secret mystery full of surprise twists and deadly intrigue. In the early 1960s, two top gangsters, Johnny Roselli and Sam Giancana, were hired by the CIA to kill Cuba’s Communist leader, Fidel Castro, only to wind up murdered themselves amidst Congressional hearings and a national debate about the JFK assassination. Mafia Spies revolves around the outlaw friendship of these two mob buddies and their fascinating world of CIA spies, fellow Mafioso in Chicago, Cuban exile commandos in Miami, beautiful Hollywood women, famous entertainers like Frank Sinatra’s Rat Pack in Las Vegas, Castro’s own spies in Havana and his double agents hidden in Florida, J. Edgar Hoover’s FBI snooping, and the Kennedy administration’s “Get Castro” obsession in Washington. Thomas Maier is among the first to take full advantage of the National Archives’ 2017-18 release of the long-suppressed JFK files, many of which deal with the CIA’s top secret anti-Castro operation in Florida and Cuba. With several new investigative findings, Mafia Spies is a spy exposé, murder mystery, and shocking true story that recounts America’s first foray into the assassination business, a tale with profound impact for today’s Trump era. Who killed Johnny and Sam—and why wasn’t Castro assassinated despite the CIA’s many clandestine efforts?

Louis Sullivan's Idea Tim Samuelson,2021-09-07 A visual compendium revealing the philosophy and life of America's renowned architect The story of Louis H. Sullivan is considered one of the great American tragedies. While Sullivan reshaped architectural thought and practice and contributed significantly to the foundations of modern architecture, he suffered a sad and lonely death. Many have since missed his aim: that of bringing buildings to life. What mattered most to Sullivan were not the buildings but the philosophy behind their creation. Once, he unconcernedly stated that if he lived long enough, he would get to see all of his works destroyed. He added: Only the idea is the important thing. In Louis Sullivan's Idea, Chicago architectural historian Tim Samuelson and artist/writer Chris Ware present Sullivan's commitment to his discipline of thought as the guiding force behind his work, and this collection of photographs, original documentation, and drawings all date from the period of Sullivan's life, 1856-1924, that many rarely or have never seen before. The book includes a full-size foldout facsimile reproduction of Louis Sullivan's last architectural commission and the only surviving working drawing done in his own hand.

The Mirage Zay N. Smith,Pamela Zekman,1979 Published two years after their award-winning newspaper series, this is the compelling, day-by-day account of two Sun-Times reporters who infiltrated the small businessman's world to expose corruption within the Chicago government. Zekman and Smith bought The Mirage tavern, then sat back and recorded the parade of city inspectors, liquor vendors, tradesmen, and others with their sticky fingers extended. With evidence in hand, they shut down the bar and wrote a series of articles that have never been matched in intensity and long-term effect. The Mirage became synonymous with Chicago corruption. The journalistic accolades also flowed in, but the Zekman and Smith's bid for the biggest-the Pulitzer Prize-was torpedoed, perhaps by jealous colleagues at another major metropolitan paper. This edition includes a new afterword by the authors.

State Melissa Isaacson,2019-08-13 With the passing of Title IX, a Chicago high school girls’ basketball team becomes pioneers as they play for the championship in this sports memoir. Set against a backdrop of social change during the 1970s, State is a compelling first-person account of what it was like to live through both traditional gender discrimination in sports and the joy of the very first days of equality—or at least the closest that one high school girls’ basketball team ever came to it. In 1975, freshman Melissa Isaacson—along with a group of other girls who’d spent summers with their noses pressed against the fences of Little League ball fields, unable to play—entered Niles West High School in suburban Chicago with one goal: make a team, any team. For “Missy,” that turned out to be the basketball team. Title IX had passed just three years earlier, prohibiting gender discrimination in education programs or activities, including athletics. As a result, states like Illinois began implementing varsity competition—and state tournaments—for girls’ high school sports. At the time, Missy and her teammates didn’t really understand the legislation. All they knew was they finally had opportunities—to play, to learn, to sweat, to lose, to win—and an identity: they were athletes. They were a team. And in 1979, they became state champions. With the intimate insights of the girl who lived it, the pacing of a born storyteller, and the painstaking reporting of a veteran sports journalist, Isaacson chronicles one high school team’s journey to the state championship. In doing so, Isaacson shows us how a group of “tomboys” found themselves and each other, and how basketball rescued them from their collective frustrations and troubled homes, and forever altered the course of their lives. Praise for State “A beautiful story of basketball and life.” —Steve Kerr, head coach, Golden State Warriors “Isaacson perfectly captures the birth of Title IX and a time when high school girls were starting to gain equality in sports and in the classroom, showing us how opportunities on the court can light a path for girls to become their authentic selves in all aspects of their lives.” —Billie Jean King, founder of the Billie Jean King Leadership Initiative “The book is special because Isaacson captures the special bond that formed among the female athletes. Not only were they teammates, they were pioneers of a sort A wonderful book that is both eye-opening history and a moving and deeply personal memoir.” —Booklist, starred review “An intimate, at times inspiring account.” —Kirkus Reviews

Gender Queer: A Memoir Deluxe Edition Maia Kobabe,2022-05-31 2020 ALA Alex Award Winner 2020 Stonewall — Israel Fishman Non-fiction Award Honor Book In 2014, Maia Kobabe, who uses e/em/eir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, Gender Queer is here. Maia’s intensely cathartic autobiography charts eir journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. This special deluxe hardcover edition of Gender Queer features a brand-new cover, exclusive art and sketches, and a TK from creator Maia Kobabe.

George Allen Michael Richman,2023-11 George Allen was a fascinating and eccentric figure in the world of football coaching. His remarkable career spanned six decades, from the late 1940s until his sudden death in 1990 at the age of seventy-three. Although he never won a Super Bowl, he never had a losing season as an NFL head coach and was inducted into the Pro Football Hall of Fame in 2002. In George Allen: A Football Life, Mike Richman captures the life and accomplishments of one of the most successful NFL coaches of all time and one of the greatest innovators in the game. A player's coach, Allen was a tremendous motivator and game strategist, as well as a defensive mastermind, and is credited with making special teams a critical focus in an era in which they were an afterthought. He had a keen eye for talent and pulled off masterful trades, often for veteran players who were viewed to be past their prime, who then had great seasons and made his teams much better. In addition to his coaching feats, Allen had an idiosyncratic and controversial personality. His life revolved around football 24-7. One of his quirks was to minimize chewing time by consuming soft foods, giving himself more time to prepare for games and study opponents. He lived and breathed football; he compared losing to death. Allen had contentious relationships with the owners of the two NFL teams for which he was the head coach, the Washington Redskins and Los Angeles Rams. Richman explores why he was fired by those teams and whether he was blackballed from coaching again in the NFL. Based on detailed research and interviews with family, former players, and coaches, George Allen is the definitive biography of the football coach who lived to win, loved a good challenge, and left a lasting legacy on pro football history.

Southern Exposure Lee Bey,2019 Southern Exposure is the definitive guide to the often overlooked architectural riches of Chicago's South Side by architecture expert and former Chicago Sun-Times architecture writer Lee Bey.

Monster of the Midway Jim Dent,2013-09-24 Jim Dent's Monster of the Midway is the story of football's fiercest competitor, the legendary Bronko Nagurski. From his discovery in the middle of a Minnesota field to his 1943 comeback season at Wrigley, from the University of Minnesota to the Hall of Fame, Bronko Nagurski's life is a story of grit, hard work, passion, and, above all, an unstoppable drive to win. Monster of the Midway recounts Nagurski's unparalleled triumphs during the 1930s and '40s, when the Chicago Bears were the kings of professional football. From 1930, the Bronk's first year, through 1943, his last, the Bears won five NFL titles and played in four other NFL Championship Games. Focusing on Nagurski's 1943 comeback season, and how he miraculously led the Bears to their fourth NFL championship against the backdrop of World War II era Chicago, Jim Dent uncovers the riveting drama of Nagurski's playing days. His efforts were the stuff of legend, and his success in 1943 accomplished in spite of a battered frame, worn-out knees, multiple cracked ribs, and a broken bone in his lower back. While chronicling the drama of the '43 championship chase, Dent also tells of both the Bears' colorful early years and Bronko's improbable rise to fame from the backwoods of northern Minnesota. Woven into the narrative are the sights and smells and sounds of one of the most romantic, flavorful eras of the twentieth century. And laced through it all are stories of legend: Bronko rubbing shoulders with colorful characters like George Halas, Red Grange, Sid Luckman, and Sammy Baugh; Bronko running into (and breaking) the brick wall at Wrigley Field; Bronko winning All-American spots for two positions; Bronko knocking scores of opponents unconscious; and Bronko reaching the heights of football glory and, with rare grace, turning his back on the game after winning his last championship. Rich in unforgettable stories and scenes, this is Jim Dent's account of Bronko Nagurski-arguably the greatest football player who ever lived-and his teammates, the roughest, toughest, rowdiest group of players ever to don leather helmets, and the original Monsters of the Midway.

Love Me Back Merritt Tierce,2015-06-09 Sharp and dangerous and breathtaking.... A defiant story about a young woman choosing the life and motherhood that is best for her, without apology.” —Roxane Gay, bestselling author of *Bad Feminist* Marie is a waitress at an upscale Dallas steakhouse, attuned to the appetites of her patrons and gifted at hiding her private struggle as a young single mother behind an easy smile and a crisp white apron. It's a world of long hours and late nights, and Marie often gives in to self-destructive impulses, losing herself in a tangle of bodies and urgent highs as her desire for obliteration competes with a stubborn will to survive. Pulsing with a fierce and feral energy, *Love Me Back* is an unapologetic portrait of a woman cutting a precarious path through early adulthood and the herald of a powerful new voice in American fiction.

Latina/o/x Education in Chicago Isaura Pulido,Angelica Rivera,Ann M. Aviles,2022-08-09 In this collection, local experts use personal narratives and empirical data to explore the history of Mexican American and Puerto Rican education in the Chicago Public Schools (CPS) system. The essays focus on three themes: the historical context of segregated and inferior schooling for Latina/o/x students; the changing purposes and meanings of education for Latina/o/x students from the 1950s through today; and Latina/o/x resistance to educational reforms grounded in neoliberalism. Contributors look at stories of student strength and resistance, the oppressive systems forced on Mexican American women, the criminalization of Puerto Ricans fighting for liberatory education, and other topics of educational significance. As they show, many harmful past practices remain the norm--or have become worse. Yet Latina/o/x communities and students persistently engage in transformative practices shaping new approaches to education that promise to reverberate not only in the city but nationwide. Insightful and enlightening, *Latina/o/x Education in Chicago* brings to light the ongoing struggle for educational equity in the Chicago Public Schools.

Drug Warrior Jack Riley,2019-02-19 DEA Agent Jack Riley, [Chicago's] most famous federal agent since the days of The Untouchables (-Rolling Stone) tells the inside story of his 30-year hunt for the drug kingpin known as El Chapo, and reveals the true causes of the American opioid epidemic. Jack Riley, grandson of a Chicago cop known for using his fists, was born to be a drug warrior. Joaquín El Chapo Guzmán Loera, who farmed marijuana and opium poppies as a teenager in Mexico, was born to be a drug lord. Their worlds collided when Riley, a career special agent with the Drug Enforcement Administration, was promoted to lead the fight against Chapo on the border at El Paso. Drug Warrior is the story of Riley's decades-long hunt for the world's most wanted drug lord, set against the rise of modern international drug trafficking, and America's spiraling opioid epidemic. Jack Riley started his career as an undercover street agent in Chicago busting small-time dealers. By the time he worked his way up to second in command of the DEA-a post few field agents ever reach-he had overseen every major mission to capture foreign drug kingpins since the 1990s, and had witnessed first-hand how El Chapo changed the game. As brilliant as he was lethal, Chapo not only decimated his competition, he foresaw Americans' dependence on opioids and heroin, and manipulated supply to increase demand. Riley's story culminates as he and the DEA win their greatest victory-the capture and extradition of his long-time nemesis-and Chapo faces his darkest fear: U.S. justice. A riveting memoir of life inside the drug wars, and a never-before-seen glimpse of the inner-workings of the DEA, Drug Warrior is a critical examination of how America's opioid crisis came to be, and the extraordinary people fighting it.

Black Swan Moments Joseph Jackson,2021-06-21 Black Swan Moments is the story of the Kennedy assassination and the man who would have solved it. Nuclear physicist Frank Jackson had a top secret security clearance. He knew there had been a conspiracy, and he was going to name names, but on December 13, 1963, he died under mysterious circumstances at the age of forty-nine. His death paved the way for the magic bullet theory. This book explains the real reason that Chaim Richman and the Paines were introduced to Lee Harvey Oswald. It also reveals what really happened in Dealey Plaza, and it names the men who shot Kennedy. It features new information that explains how the assassination was financed. It was written to explain what happened to Frank Jackson and the measures taken to silence the author. It also includes shocking information about the events that led to the controversial removal of Frank Jackson as director of the Center for Naval Analyses in 1962. In 1963, many people in the government were aware of Frank Jackson. Among them were Richard Bissell, Fred Korth, Bobby Kennedy, John McCone, John Connally, and John McCloy. The intelligence community couldn't stop this book from being published because it includes rare photos, rare documents, and unimpeachable information from well-placed sources. Highly detailed, it answers questions that most people would be afraid to ask about the death of our thirty-fifth president.

Ladies and Gents Olga Gershenson,Barbara Penner,2009-07-15 Public toilets provide a unique opportunity for interrogating how conventional assumptions about the body, sexuality, privacy, and technology are formed in public spaces and inscribed through design across cultures. This collection of original essays from international scholars is the first to explore the cultural meanings, histories, and ideologies of public toilets as gendered spaces. Ladies and Gents consists of two sets of essays. The first, Potty Politics: Toilets, Gender and Identity, establishes the importance of accessible, secure public toilets to the creation of inclusive cities, work, and learning environments. The second set of essays, Toilet Art: Design and Cultural Representations, discusses public toilets as spaces of representation and representational spaces, with reference to architectural design, humor, film, theater, art, and popular culture. Compelling visual materials and original artwork are included throughout, depicting subjects as varied as female urinals, art installations sited in public restrooms, and the toilet in contemporary art. Taken together, these seventeen essays demonstrate that public toilets are often sites where gendered bodies compete for resources and recognition—and the stakes are high. Contributors include: Nathan Abrams, Jami L. Anderson, Johan Andersson, Kathryn H. Anthony, Kathy Battista, Andrew Brown-May, Ben Campkin, Meghan Dufresne, Peg Fraser, Deborah Gans, Clara Greed, Robin Lydenberg, Claudia Mitchell, Alison Moore, Frances Pheasant-Kelly, Bushra Rehman, Alex Schweder, Naomi Stead, and the editors.
