Free Will Richard Wilson, 2016-05-16 Free Will: Art and power on Shakespeare's stage is a study of theatre and sovereignty that situates Shakespeare's plays in the contraflow between two absolutisms of early modern England: the aesthetic and the political. Starting from the dramatist's cringing relations with his princely patrons, Richard Wilson considers the ways in which this 'bending author' identifies freedom in failure and power in weakness by staging the endgames of a sovereignty that begs to be set free from itself. The arc of Shakespeare's career becomes in this comprehensive new interpretation a sustained resistance to both the institutions of sacred kingship and literary autonomy that were emerging in his time. In a sequence of close material readings, Free Will shows how the plays instead turn command performances into celebrations of an art without sovereignty, which might 'give delight' but 'hurt not', and 'leave not a rack behind'. Free Will is a profound rereading of Shakespeare, art and power that will contribute to thinking not only about the plays, but also about aesthetics, modernity, sovereignty and violence.

**Barakah Beats** Maleeha Siddiqui, 2021-10-19 This book about friendship and faith absolutely sings. -- BuzzFeed Perfect for fans of The First Rule of Punk or Save Me a Seat, this is a sweet, powerful, and joyous novel about a girl who finds her voice on her own terms. Twelve-year-old Nimra Sharif has spent her whole life in Islamic school, but now it's time to go to real school. Nimra's nervous, but as long as she has Jenna, her best friend who already goes to the public school, she figures she can take on just about anything. Unfortunately, middle school is hard. The teachers are mean, the

schedule is confusing, and Jenna starts giving hijab-wearing Nimra the cold shoulder around the other kids. Desperate to fit in and get back in Jenna's good graces, Nimra accepts an unlikely invitation to join the school's popular 8th grade boy band, Barakah Beats. The only problem is, Nimra was taught that music isn't allowed in Islam, and she knows her parents would be disappointed if they found out. So she devises a simple plan: join the band, win Jenna back, then quietly drop out before her parents find out. But dropping out of the band proves harder than expected. Not only is her plan to get Jenna back working, but Nimra really likes hanging out with the band—they value her contributions and respect how important her faith is to her. Then Barakah Beats signs up for a talent show to benefit refugees, and Nimra's lies start to unravel. With the show only a few weeks away and Jenna's friendship hanging in the balance, Nimra has to decide whether to betray her bandmates—or herself.

Most of the ex-slaves giving the interviews were children during slavery and gave interviews of their experiences and insights about living on plantations. The ex-slaves answered questions on all aspects of the plantations in seventeen states of the United States before the Civil War. African Americans were freed from slavery after the civil war in 1865. The series is dedicated to all people of the world. Also, included are sections on inventions and food for thought, which has A Scripture Cake for Good Lil Boys and Girls.

village of Butikon, Liberia, West Africa is an account of a cultural experience with my people in Potupo District, River Gee County, Liberia, and West Africa. Because of its secrecy, mystery, or concealment, I am not in the position to explain the detailed secrets of my traditional society, but only to explain that I left my tribe at a very early age to live with another tribe so as to attend school. Yes, I am an African, Liberian, Tribal, and a village boy who speak my tribal dialect.

*The Beats, Black Mountain, and New Modes in American Poetry* Matt Theado, 2021-09-15 *The Beats, Black Mountain, and New Modes of American Poetry* explores correspondences amongst the Black Mountain and Beat Generation writers, two of most well-known and influential groups of poets in the 1950s. The division of writers as Beat or Black Mountain has hindered our understanding of the ways that these poets developed from mutual influences, benefitted from direct relations, and overlapped their boundaries. This collection of academic essays refines and adds context to Beat Studies and Black Mountain Studies by investigating the groups' intersections and undercurrents. One goal of the book is to deconstruct the Beat and Black Mountain labels in order to reveal the shifting and fluid relationships amongst the individual poets who developed a revolutionary poetics in the 1950s and beyond. Taken together, these essays clarify the radical experimentation with poetics undertaken by these poets.

Watching the Wheels Wayne Wood, 2003-07-14 A collection of wisdom, humor, and tasteless remarks from Vanderbilt University's House Organ magazine: . Every morning when I would leave for work, he would give me the saddest look he could muster. If you know anything about beagles, you know that this is the canine equivalent of the death scene

from Camille. When a beagle wants to look sad, he can roll his big brown droopy eyes up at you and pull his ears back, and you will do anything to make him happier. In fact, many beagles earn top commissions in the sales field by giving customers that sad look until they crack and buy whatever the beagle is selling. I'll buy anything, the customers cry, throwing money at the beagle, just stop looking at me like that! . The voice-mail mantra, Your call is very important to us is always a lie. If my call were actually important to you, you would answer the phone instead of putting me on hold and playing an orchestral version of the old Buoy's hit Timothy. A portion of all profits from the sale of this book goes to the Jade Pasley Patient and Family Assistance Fund of the Vanderbilt-Ingram Cancer Center.
