Beat the Boss Spencer Cohn,2015-02-03 It's shocking how little most of us know about the fundamental rules for workplace survival. Few people truly understand how to hang onto their jobs, how to effectively respond to threats to their jobs, or what to do if their main source of income is abruptly terminated. Considering how dependent almost all of us are on a steady source of income, coupled with how fragile jobs are in our current economy, it's shocking how little most of us know about the fundamental rules for workplace survival. I'm familiar with these knowledge gaps firsthand, because I've helped more than 18,000 panic-stricken clients deal with work-related issues. I've handled such emotionally charged workplace situations as: Bosses who swear, threaten, and even hit their employees. Foremen who order their staffers to operate under dangerous work conditions. Supervisors who sexually harass employees. Managers who punish workers for having children. Managers who won't give a worker time off to care for a dying parent. Executives who irrationally dislike certain staffers, and try to harass them into quitting. Companies that try to force out employees because of gender, race, or age. Bosses who risk destroying a company, with their out-of-control drug use or gambling. BEAT THE BOSS are easy-to-read, entertaining short stories which take a minute or two to read, but also provide accurate solutions, pulling back the curtain as to what really happens in the workplace. Every story ends with a question for the reader to answer: Did Allison just quit-or was she fired? Should Lori have gone straight to HR to complain about the sexual harassment? Can Jim be fired for trying to take home the chicken that fell on the floor, which his store considers garbage? When Bruce discovers the company that hired him lied about working conditions on his first day on the job, should he write a resignation letter or just walk away? Furthermore, with millions of Americans unemployed both now and in the foreseeable future, it's never been more important for everyone to educate themselves about how to hang onto their jobs, and about how to protect themselves if they're fired or forced to quit through no fault of their own.

MMORPG: Rebirth of the Legendary Guardian 8 Anthology Flying Alone, Zhang Yang was a professional gamer in the first and most fantastic game that revolutionized the world: Godj's Miracle. A game where traditional knowledge in RPGs did not matter anymore, players would have to manually target and evade attacks, giving rise to a significant gap in skill between a professional and an amateur gamer. Zhang Yangj's downfall came a little too soon. His girlfriend was snatched, his guild was harassed and disbanded, and he was even driven to commit suicide! Jumping off the top floor of a hotel, Zhang Yang seemed as though he was soaring like a phoenix. Little did he know that the end of his life also signified his rise from the ashes!

Infatuated By A Low Key Boss 2 Shameka Jones,2017-05-17 There are no rules in the game of life. Either you luck up, or you fuck up! Emerald learns how quickly things can go from peachy to pissy, all in 2.5 seconds. When one of her best workers is murdered, she is forced to come out of the shadows to lay down the law. Yeah, Emerald is a boss, but she isn't the boss. It's amazing how quickly bossing up can turn to bitching up when money comes up missing. With a new connect for his coke, Ezra is ready to jump head first into the game, but before he can even move his product, he's gotta to find out who robbed his trap, leaving one of his workers for dead. He puts his team of hittas in charge of it, but the person least likely to assist him is the one that comes through in the clutch. The jack boys were only one of his problems, and when Emerald ends up in a jam, he is forced to pay the piper. Taylin is on cloud nine dating her new beau, McKinley. Though they've only been talking for a short period of time, and have already had their share of problems, she is still rocking with him. That is, until Professor Nosa Ealy's sexy ass shows up to lecture for a week. She had a little crush on him in the past, but he never took any of the bait she threw at him. This time around, however, the tables will turn when he admits to liking her. She tries to ignore him, until McKinley's night out lands him in the bed with his ex. Will Emerald be able to repay the debt before feeling the wrath of her father, or will she have to face the music? Will Ezra come through in the clutch, or will he leave Emerald to sort things out on her own? Will Taylin and McKinley be able to move past another bump in their relationship, or will his night out with the boys ruin his relationship forever?

Unlike most who shy away from a challenge, Cree dives in face first. Cree is sassy and fierce, and she is running the town in her stiletto heels. She takes Bishop's job seriously in his absence, but quickly realizes that Bishop was doing too much with not enough money. Frustrated that she is not getting the respect she deserves because she is a woman, Cree takes things in her own hands. She ruffles the feathers of a lot of heavy hitters in the game as she secures her place at the top. Everything comes with a price, and some prices Cree refused to pay. Cree sets out to separate herself from the legacy that Bishop left, and becomes a legend in her own right. Surrounded by enemies and backstabbers, Cree dismisses the old crew and starts her own crew. There is no loyalty in the streets and Cree is not looking for loyalty. She wants to be the boss. She's ready to pay whatever it costs to be the boss, but will she have anyone left to ride with her? Find out as you turn the pages of Gotta Pay the Cost to Ride with a Boss: The Finale.

Risking It All For The Love Of A Boss 2 Naya Morgan,2019-01-14 In part 2 of 'Risking it All for the Love of a Boss' Chasity is forced to get a job because all of her dad's accounts are frozen. She works in the same hospital that King is in when he slips into a coma and is harassed by her supervisor because she visits him every day. When King wakes up he discovers a lot of disturbing news; news that leaves him on bad terms with

Rudy and puts Money on his ‘People That Must Die’ list. Chaz gives an unofficial statement and King is handcuffed to his hospital bed with promises to go straight to jail once he’s cleared. There’s nothing he could do about it, but that doesn’t mean Chasity can’t do anything about it. She helps to get rid of Linda, and King and her father is set free. Chasity is relieved because she feels like she finally has both of her men in her life, but Chaz had other plans. He isn’t happy with his daughter and begins to ignore her because he feels like she is choosing King over family. Again, she’s forced to choose between her father and the man who stole her heart. After Queenie is kidnapped, King turns to the bottle to try and conceal his feelings. His drunk outbursts might be enough to make Chasity’s decision an easy one. Or maybe, she’s still willing to Risk it All for her Boss.
